

DIY Group Service Opportunity

Looking for a way for your small group to serve together? Look no further!

Organization: YOUR neighborhood. Yes, YOURS!

Location: Your House

About: Host a block party for folks in your neighborhood. Ask your small group to help host - each person/family can bring a dish to share, and having others from your small group there means you'll be able to interact with more people. It doesn't need to be fancy, it just needs to be hospitable! Get to know your neighbors and make new friends. Play yard games, let the kids run around, do anything you'd do with your small group, but invite someone new.

What they need:

- Friendly faces
- Good food (store bought or homemade!)
- Good company
- A way to connect

When they need it: Year-round, 7 days a week

Other ways to help: Rotate neighborhoods with others in your small group. Wave and say hi when you see your neighbors. Pray for them as you drive or walk by their houses. Offer encouragement and support when you know of a need in your neighbors' lives. Deliver a treat around a holiday or birthday. The possibilities are endless!

How to sign up: No sign-up needed. Just pick a date and invite people nearby! Drop paper invitations in their newspaper boxes, knock on doors and invite people in person, create a Facebook event or send an e-vite!

Age range for volunteers: All ages
