Session Seven – The Seven Bowls of Wrath

Revelation 14:1—16:21

Worship of the Lamb

Then I looked, and there was the Lamb, standing on Mount Zion. With him were one hundred forty-four thousand who had his name and his Father's name written on their foreheads. I heard a sound from heaven that was like the sound of rushing water and loud thunder. The sound I heard was like that of harpists playing their harps. They sing a new song in front of the throne, the four living creatures, and the elders. And no one could learn the song except the one hundred forty-four thousand who had been purchased from the earth. They weren't defiled with women, for these people who follow the Lamb wherever he goes are virgins. They were purchased from among humankind as early produce for God and the Lamb. No lie came from their mouths; they are blameless. Revelation 14:1-5

Discussion Questions

1. What is worship for you? How do you center on God in worship? Why is worship central to who we are as God's people?
2. According to John there are three activities by which we survive as God's people – Worship, Listening to the Proclaimed Word, and the Practice of Holy Living. How do we individually and as a church enact these three in today's world? How are they important and relevant?
3. God continually reaches out to all people. What blocks people from seeing God's outpouring of love? What causes people to "curse" God?
