## PROVIDING FEEDBACK TO COUNCIL

All residents now have the ability to provide feedback to Council, this could be an issue found or to compliment Council or its officers on a job well done.

This can be done through Council's website '[Contact Us](#)' page, or by the the link [here](#).

## COUNCIL UPDATES

### FROM THE COUNCIL CHAMBERS

#### **From the Chamber**

Council held its last Ordinary General Meeting on 16<sup>th</sup> February 2023.

At the Ordinary General Meeting in February 2023, Council considered the following business:

- Council approved the disposal of three vehicles as part of its Plant Replacement Program. The vehicles will be disposed by public auction over the next couple of months.
- Council provided approval for a response to be submitted regarding a subdivision application received by the Development Assessment Services of the NT Government.
- The remaining Annual Community Grants program funds were agreed to be held until the next financial year (2023-2024); and
- The Waste and Resource Management (WaRM) 2021-22 grant was laid before Council to be acquitted and sent to the Department of the Chief Minister and Cabinet. This round of the WaRM grant was used to acquire a front-end wheeled loader for use at the two Waste Management Facilities.

Members of the community are welcome to attend Council meetings! Public health safety measures still apply, particularly as there are virulent strains of influenza present in the community, in addition to the ever-present concern of COVID-19. Responsible physical distancing will continue to be observed which may result in limiting numbers in the Chamber. The wearing of masks is a personal decision.

#### **Need to know more?**

Each month the Council meeting agenda and minutes can be accessed from the Council website

and a regular link will be provided on Council's Facebook page.

Visit [Council Meetings](#) page on our website to access the very latest information.

Council's next meeting will be held on **Thursday 16<sup>th</sup> March 2023 at 3:00pm** in Chambers, 22 Cameron Road, Batchelor.

## **FROM THE WORKS AND SERVICES TEAM**

### **Parks and Gardens**

Maintenance of our parks, ovals and verges is continuing, with increased workload due to the weather. Adelaide River Bush Cemetery is being maintained, with hedging and mowing carried out when possible. Multiple tree removal and trimming activities have taken place in our area to ensure safety and accessibility to all our residents.

### **Waste Management**

Council officers are working hard to create effective operational strategies to serve the community. Recycling is in its infant stage, but plans are being implemented. Our first load of recyclables, in conjunction with our town run for parts and essentials, was taken to the recycling plant.

### **Animal Management**

Regular patrols and responses to complaints are being conducted across both Adelaide River and Bachelor townships.

Council would like to remind the community that registration of dogs is required and enables our ranger to reunite any lost dogs with their rightful owners.

The Vet Clinic Day in Batchelor was a great success, however due to lack of bookings, Adelaide River has been postponed to a later date.

### **Roads**

Council is continuing our roadside slashing and spraying program across the area. This program is extensive and designed to control weeds and ensure visibility across the road networks. It will be running throughout the wet season until May 2023.

Council officers are also inspecting all roadside drainage and performing any necessary drain and floodway clearing as required and monitoring all water over roads where accessible.

Heavy rain has caused many roads to have water flowing over them, so please take care. Potholes are a major concern for Council and we are endeavouring to keep on top of these, but depending on weather, some cannot be repaired until water has receded.

It should be noted that the following roads are controlled by the Dept. of Infrastructure, Planning and Logistics:

- Batchelor Road
- Rum Jungle Road
- Litchfield Park Road
- Stuart Highway Service Road, Adelaide River
- Dorat Road
- Ringwood Road

Should you have any issues in regard to these roads, please report via [Report a road fault - NT.GOV.AU](#). For urgent road faults free call 1800 246-199

To check road conditions go to [Roads Reporting - Road Reports \(nt.gov.au\)](#)

## **FROM THE COMMUNITY RECREATION DEVELOPMENT OFFICER**

### **Council Run After School Sports**

After School Sports have been hiatus since the end of the school year, with the program scheduled to kick off again from Monday 6th of February.

Please note change of days for Batchelor, this was required to fit other activities within Coomalie Shire.

- Adelaide River Monday afternoons 2:45pm - 3:45pm.
- Batchelor Area School Tuesday afternoons 2:45pm - 3:45pm.

### **Seniors Mystery Bus Tours**

The next Seniors Mystery Bus Tour will be held on Thursday 16th March, please see flyer later in this newsletter for details!

The last tour had 12 people attend with the group going to Pine Creek to check out the historic railway and gold mines information. A local resident joined the tour and acted as our tour guide for the day!

### **Australia Day Brunch & Awards**

What a successful event this was for 2023.

Congratulations to the following category winners:

- Citizen of the Year - Lucinda Hooper
- Young Citizen of the Year - Edward Selems

- Community Event of the Year - award withheld.

A special award was made to Beverly Garside for her efforts, ambition and drive to get the Annual Coomalie Art Show off the ground and for it to be the success that it was!

Please see further in this newsletter for some photos from the day.

### **Bombing of Darwin Commemoration**

Coomalie's annual Bombing of Darwin Ecumenical Commemoration Service was held in the Civilian section of the Adelaide River War Cemetery on Monday 20th February.

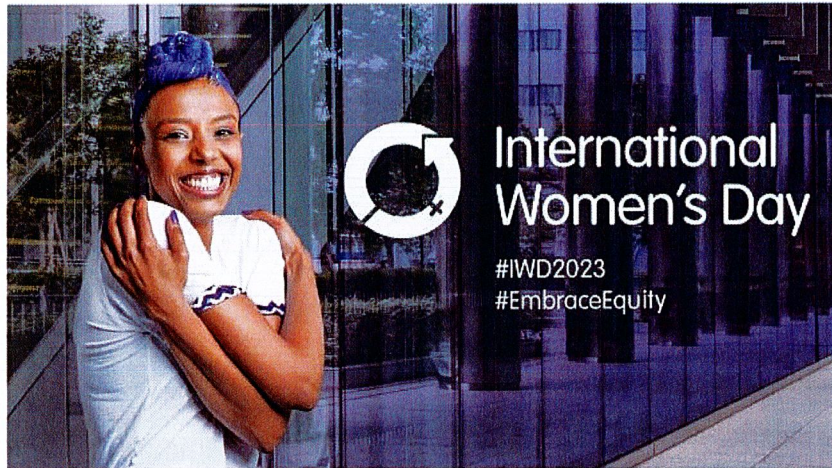

Approx. 100 guests attended the event to listen to a wonderful story from local historian Jan Hills, as well as hear the Assistant Minister for Defence speak on events during the bombing raids.

### **International Women's Day**

Council will be holding an event for International Women's Day this year at the Litchfield Outback Resort on Wednesday 8th March from 9:30am and including morning tea.

Guests speakers include: Dr Jan Hills, local historian and veterinarian and Mrs Lesley Wolfe.

### COUNCIL'S COMMUNITY LIBRARIES

#### COMMUNITY LIBRARIES

Council's libraries have reopened after the Christmas period with some strong attendance numbers evident.

Council received a donation of Lego blocks for our libraries, these have been distributed and available for use during library open hours!

Should libraries be closed on short notice, or late opening for any reason Council will publish this information to its Facebook page.

We have a wide and varied range of books available at both Community Libraries, feel free to come in and browse, it doesn't cost to join our Community Libraries. This enables you to have free access to iPads, Computers and Wi-Fi at the libraries.

Council is pleased to announce we have secured 2 new librarian's to become part of our team, please welcome Miss Barbara and Miss Cherian to our team. Should you see them at one of the libraries, please make them feel welcome!

### **Community Library Opening Hours**

#### **Adelaide River**

Thursdays 3:30pm to 6:30pm

Fridays 3:30pm to 6:30pm

Saturdays 9:00am to 2:00pm

#### **Batchelor**

Fridays 3:00pm to 5:30pm

Sundays 1:00pm to 4:30pm

Please see poster above for Christmas closures at your local library!

Community members and visitors are all welcome at the library during the times above.

**COOMALIE INFORMATION KIOSK**

Council received a generous grant from Tourism NT to install an interactive touch screen information hub at the Batchelor Tourist Information centre.

Some of you may have seen the new BIG screen running throughout the day as you drive through town!

We are currently loading information with the developers of the program with an effort to

get the kiosk running in the next few weeks in the lead up to the dry season.

Should you wish your business to be featured on the kiosk, please contact Council without delay to ensure you are featured!

## NEW COMMUNITY BUS DELIVERED

Coomalie Council recently took delivery of its new Community Bus from RGM Maintenance in Darwin.

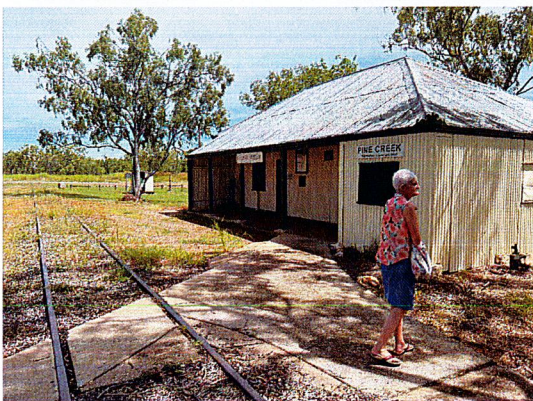

Funding for the bus was provided by an NTG Community Benefit Fund Major Grant, with Council contributing a portion of funding to complete the purchase.

Keep an eye out for the bus and give us a beep if you see the bus on the road!

Council President Sharon Beswick can be seen discussing the finer points of the new bus with Dheran Young, Member for Daly and Sharon Hillen CEO of Coomalie Council.

## WALK ON THE WILDSIDE

### PM # 01 Workshop 2023

By Paul Margocsy

International and Australian Bird Painter

[www.paulmargocsy.com.au](http://www.paulmargocsy.com.au)

Venue: Durack Community Art Room, Palmerston

When: Saturday 29 April 2023 09:00 – 16:00  
Sunday 30 April 2023 09:00 – 16:00

Cost: \$250.00 for the two days limited places

#### For Bookings & Payment details

Email Chris [cfave190@hotmail.com](mailto:cfave190@hotmail.com) 0435996350  
Jinx [jinx21@bigpond.com](mailto:jinx21@bigpond.com) 0419822688

Full payment must be made before the 1<sup>st</sup> April 2023.

#### Course outline:

This workshop will show you the beauty and wonder of wildlife art. With the use of watercolours and other water soluble mediums (e.g. gouache, pencil, ink, pastel, acrylic) it will enable you not only to paint feathers and fur, but to paint attitude, character and photo quality about your subject. You will position your subject, paint the surrounding habitat and give a totally realistic look to your art. Composition is the main attribute to any painting and with this achieved the technique used will excite and enthrall not just the artist but the viewer. It's a fun course and a time to learn how to manage this medium and these wonderful natural creatures. The backgrounds and the "props" of wildlife art are important when you are painting realism. I will also show you how to utilize airbrushing as a background technique. This will give you another dimension in art whilst having fun at the same time. You will be shown different ways of tackling this. This course will be enthralling, exciting and totally fulfilling... painting nature can be fun.

Paul is supplying the airbrushing equipment, inks etc.

Morning and afternoon teas provided. Self catering for Lunch. There is a stove, microwave and refrigerator in the kitchen. Parking and all facilities on site.

Full payment must be made before the 1<sup>st</sup> April 2023.

#### Course outline:

Advanced Workshop – Have your questions ready, Paul will be there to hone your skills, offer suggestions and cover any difficulties you may experience. Paul's experience comes from some 30+ years of wildlife studies, thus short cuts, problem solving, perfecting fur and feathers and all those little things that create a wonderful alive painting.

Advance students are not restricted to size or backing boards, some people might like to do tracings of various sizes before hand, drawing can take a very long time for some. There will be a light box A3 size on hand to assist.

Paul is supplying the airbrushing equipment, inks etc

Morning and afternoon teas provided. Self catering for Lunch. There is a stove, microwave and refrigerator in the kitchen. Parking and all facilities on site.

#### STUDENT REQUIREMENTS #PM01

##### WHAT YOU ARE REQUIRED TO BRING

- Matt board or mount board, (the board used to mount watercolours in a frame) size preferred, 4x A4 sized boards. These are off cuts from picture framing places and generally are relegated to the bin. Hangli in Smith Street, and Art Decor in Searoy Street have been approached and are willing to assist your acquisition of Matt board A4 size. These to be prepared with 2 coats of Gesso prior to Workshop. (Try to avoid brush marks by using a roller on the final coat). Pretend you are painting a wall so avoid brush strokes.
- A drawing pad and a water soluble pencil and a soft eraser.
- Paints can be watercolour, gouache, acrylic, pastel, water based oil paints or water soluble pencils. A limited palette of colours is acceptable. A small jar of Gesso.
- Brushes should range from sizes 1 - 5 with thin sable not thick. A flat Hog Hair brush from a hardware or art supply shop (size 4 – 8).
- A bottle of masking fluid 100 ml and some old brushes/sartee stick (fine masking) for application.
- A water container and soft cleaning rags for brushes.
- Most of these items are available at art suppliers.
- Wildlife books or photos that you would enjoy painting.
- Tracing Paper – there will be a light box for use.

#### STUDENT REQUIREMENTS PM#02

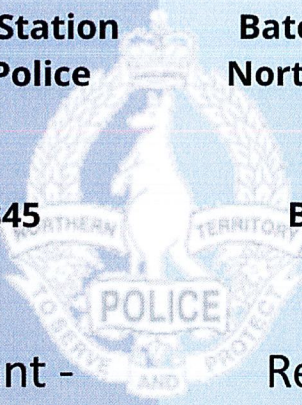

##### WHAT YOU ARE REQUIRED TO BRING

The Advanced Workshop has more flexibility for larger works, different backing boards, different mediums – you will have the materials from PM#1, and by now will be thinking on various other angles and materials.

- Paul has suggested 2 boards per day, with larger sizes for Workshop #2 if people wished.
- Matt board or mount board, (the board used to mount watercolours in a frame) size preferred, 2 x A4 sized boards. These are off cuts from picture framing places and generally are relegated to the bin. Hangli in Smith Street, and Art Decor in Searoy Street have been approached and are willing to assist your acquisition of Matt board A4 size. These to be prepared with 2 coats of Gesso prior to Workshop. (Try to avoid brush marks by using a roller on the final coat). Pretend you are painting a wall so avoid brush strokes.

We trust that the dry season left you well and looking forward to some rain..

**CYCLONE SEASON**

We are now officially in our cyclone season and weather predictions to date have us expecting some significant weather this year. Now is the time to begin making preparations for the wet season and all of the weather patterns which it will bring us. Giving time to cyclone clean up would be time well spent while the remaining dry weather permits. We urge everyone to take their own personal safety seriously and make preparations, your local police are here to help during weather events but our role is made much easier if everyone is prepared in some way. Keep an ear or eye on the weather forecasts and weather warnings and please heed the advice provided.

Good information and guidance is available on the NT Government website SecureNT.

Visit [www.securent.nt.gov.au/prepare-for-an-emergency](http://www.securent.nt.gov.au/prepare-for-an-emergency) for more information and advice.

Weather warnings are available on the various Social media platforms such as Facebook and Twitter. You can register to receive these alerts automatically but if you need help then feel free to talk to us. Visit <https://securent.nt.gov.au/alerts> for more information.

**TRAFFIC AND ROAD SAFETY**

Our interstate visitors and holiday makers have made their way back to their home states leaving us to look forward to the incredible weather which we see in the Top End. Giving time to our vehicles and their safety for wet weather driving will also be wise. As our roads have less traffic flow, please remain vigilant around safe driving and ensure that you're always refreshed, prepared and sober before making any journeys. As the wet season builds and develops, we urge all motorists to take extra care when traveling about our roads. The fresh grass is bringing animals to the roadside thus increasing the chances of collisions with vehicles. Please be cognisant of all animals when travelling. If you discover any loose stock, then please advise your local police or 131444 if the

matter is presenting an immediate danger to other motorists.

### **PROPERTY AND SECURITY – LOCK IT OR LOOSE IT**

Media coverage continues to bring your attention to the property offending in Darwin and surrounds. Despite our distance from these locations, we are not immune to persons motivated by dishonesty. Over the last few months, we have experienced instances of 'out of town' offenders visiting our districts and committing offences. We continue to urge all residents to take a close personal interest in the security of their property. If we can all play our part, we will have a safer community. Reporting all incidents, no matter how minor will also help your local Police gain a better understanding of where focus is needed. Should you observe suspicious persons or vehicles, please contact 131444 immediately. The information you provide can assist Police in investigating and solving offences which you may not be aware of. It is timely to remind all residents that your local Police appreciate personal contact either in person or on the station phone but that we cannot staff the Police Station 24 hours a day. It is preferable that all reports be made through 131444 or 000 in an emergency so that your local Police can be despatched to attend even if we are not on duty.

A simple step such as removing keys from motor vehicles, locking doors and even older style steering locks will make offenders look elsewhere for their next prize.

We wish you all a safe wet season and look forward to saying hello while we are out and about in the community.

## **Council's Feedback Process**

If you choose to raise concerns (or compliments) to Council you are requested to write to the Chief Executive Officer outlining the details. There are two (2) forms on the Coomalie Council website; one is for complaints about dogs and the other is for general complaints.

You can also fill out one of the two forms on Council's website.

## **Council Meetings**

Council Meetings are generally held on the third Thursday of each month and are open to the public, but are closed for any confidential sessions.

**Next Meeting: 3:00pm, Thursday 16th March 2023**

## **Stop Press**

Should you know of someone that still wishes to receive a paper-based version of the Stop Press, please email Stop Press to be added to the printed mailing list.

Just a reminder, if you would like an article published, please email it to Stop Press by the 20th of each month. Each month we start with a clean canvas without articles being rolled over.

Please ensure you have read Council's policy 1.1 Community Communication before submitting an article.
