From the Ranger

Coomalie Community Vet Clinic Day!

Council would like to thank the Coomalie community for their involvement and making our vet clinic days successful.

Council also acknowledges the tireless efforts of our Council Ranger Chloe for coordinating and 'herding the cats' throughout the program.

The program outcomes included:

- 14 Dog desexing
- 7 Cat desexing

- 13 vaccinations
- 12 health checks over the two-day period.

Feral Cat Trapping Program

Along the vet clinic day, Council ran the feral cat trapping program with a total of 19 Feral cats being caught.

Council works hard with other government agencies to improve household health and control our pet population to prevent unwanted litters and illnesses in pets. These strategies have a direct link to improving household health. Council relies on the community to be responsible pet owners to achieve these strategic outcomes.

Council would like to thank the community once again for a successful vet clinic and feral cat trapping program.

Council Rangers are receiving high numbers of barking dog complaints; we would like to remind the community to be courteous to your neighbours.

Talking your dog for daily walks is fundamental in resolving many behaviour problems.

Please remember, all animals need to be leashed when in public areas.

Rangers have the ability and right to impound dogs at large within the Coomalie Region.

DONATION DAY!

We are so proud to be part of such a generous and caring community! Council recently received an amazing number of donations for our friends at Save A Paw NT—everything from dog bowls and cat collars to cozy blankets and comfy beds.

Every single item makes a difference for animals in need, and we are truly grateful to everyone who has stepped up to support those who speak for the voiceless.

All donations have been hand-delivered by Council Rangers directly to Save A Paw.

Thank you all for your kindness and compassion! 🐾💙

MEDIA RELEASE 19 June 2025

COTA NT celebrates 10 years of Expo

COTA NT is celebrating the 10th anniversary year of its Darwin Seniors Expo event on Saturday 28 June. This is the premier event curated specifically to focus on the wellbeing and interests of senior Territorians. The growth in exhibitor and attendance numbers from year to year is testament to the success of its winning formula - community, connection, conversation and celebration.

This year's Expo connects thousands of community members with each other and with

service providers, businesses, groups and government departments most relevant to their needs and interests. The Expo is free to enter and includes a free morning tea, live radio broadcast, live music, performances, workshops and over 95 exhibitors including 24 new to Expo and the “Super 8” (exhibitors reaching their 10th Expo anniversary).

“If the last 10 years of Expo have proven anything, it’s that people - especially seniors - want to meet people in-person and that need is not going out of fashion anytime soon.” says Sue Shearer CEO of COTA NT. “Expo is the best opportunity we can create as an organisation for the NT community to have vital conversations all at one time and in one space on topics such as aged care, health and well-being, finance, concessions, human rights, transport, voting and more.

“Expo delivers exactly what the Northern Territory Government’s Major Community Benefit Fund is designed for - major benefit to the community. We are extremely thankful for this support and for the commitment to seniors from event sponsors, Netball NT, Territory FM 104.1 and Air North and exhibitors. Air North is offering Expo attendees the opportunity to win a major prize, a trip for 2 to Dili including return flights and 2 nights accommodation at the 5-star Palm Springs Dili Hotel.

“We are delighted to be joined by our patron, His Honour Professor the Honourable Hugh Heggie AO PSM for his third Expo and extend a warm welcome to the Hon Lia Finocchiaro Chief Minister of the Northern Territory Government to her first,” added Shearer. “We will be celebrating our 10th anniversary with sparkle and cake on the day. It will be big, but not quite big enough for the thousands expected on the day though.”

The program for the Darwin Seniors Expo 2025 is published on the COTA NT website now and assists with planning for must-visit exhibitors, must-do activities, transport, parking, personal comfort on the day and more. Doors open at 10am. After the Opening Ceremony, access to Exhibitors will be available.

New Play Equipment for Batchelor Town and Country Markets

Coomalie Council is excited to announce a strong partnership with the Batchelor Town and Country Markets as we work together to enhance the community experience at this popular local gathering.

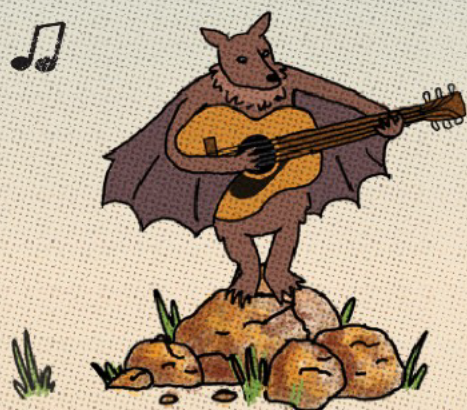

The Markets are eager to replace old play equipment and further develop the market area, creating a more vibrant and family-friendly space for everyone to enjoy. Council has already begun the process by seeking quotes for new play equipment that will not only upgrade the site but also add to the unique Sunday Market atmosphere and complement the beautiful shady avenue at Batchelor Oval.

Thanks to the collaborative efforts between Council and the Markets, a \$2,500 Play Equipment Reserve has been established to date. Council will use these funds as a co-contribution to seek an additional grant, helping to make this important community aspiration a reality.

Stay tuned for updates as we continue to build a more engaging and welcoming environment for all Batchelor residents and visitors!

BATCHELOR
MUSEUM
DEVELOPMENT
ASSOCIATION INC

The month began with the finality of Sean's battle with cancer, as he died May 31. We have lost a friend and a long- standing volunteer for the Museum. Whilst we knew it was imminent it was still a jolt.

Gaye had given much support to Sean and his family over the time, and fortunately his interstate siblings had come to be with him. Then Lucinda, Gaye, Darryl and I joined family members in Batchelor on the following Friday to honour his life.

Meantime we endeavour to open the Museum as often as possible in this busiest time of the year. Over June we were able to open on Fridays, Sundays, Mondays and Tuesdays, but we are disappointing people with these very reduced hours.

It will also have a big effect on the revenue for the year which is needed to pay water and sewerage, electricity, insurance, new panels of information to be printed and mounted, and all other expenses which occur.

Aside from the problems, as usual we greet people who are interested to look and read of the interesting history of Batchelor - which is in great contrast to those who see and dismiss this small town as they pass through.

There are new projects in the making though so there will be new material on display shortly.

Other information and updates can be seen on our Facebook page run by Darryl.

Meet & Greet Op Shop

The Meet n Greet continues to meet each fortnight, together with the Op shop.

The area where the Meet n Greet takes place is being extended, thanks to a Coomalie Council grant.

Volunteers are doing some of the ground work of clearing the area and removing weeds and other plants etc.

Work will commence soon.

This month there was free fruit given out, e.g apples and bananas.

So if anyone has any excess fruit or vegetables please feel free to bring along to our Meet n Greet.

We offer each fortnight sausage rolls, or similar, cakes and biscuits and tea and coffee and hot chocolate. There is no charge for this service.

The next Meet n Greet will be held at 25 Mardango Crescent, Batchelor, at 10 am on 4th July.

Every fourth week the NILS (No interest loans) ladies attend our Meet n Greet.

Their next visit will be on July 18th.

The op shop has much to offer including brand new items of clothing.

We have books, shoes, knick knacks, clothes, kitchen utensils, toys etc.
