ODYNEX AXIS LOGISTICS LLC • NVIDIA INCEPTION PROGRAM MEMBER • CIRCULAR INFRASTRUCTURE & SPATIAL AI

Tri-State Initiative & Partnership Intake Form

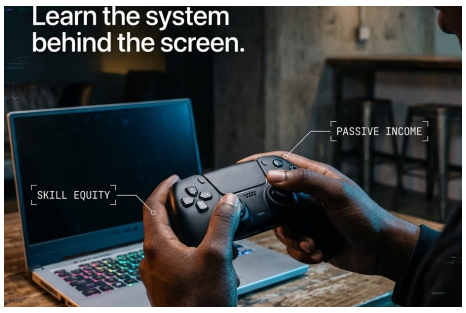

Uniting Students, Parents, Educators, Coaches, Corporate Sponsors, Public Agencies & Investors Across Georgia, Texas & Florida

EXECUTIVE SUMMARY & INITIATIVE OVERVIEW

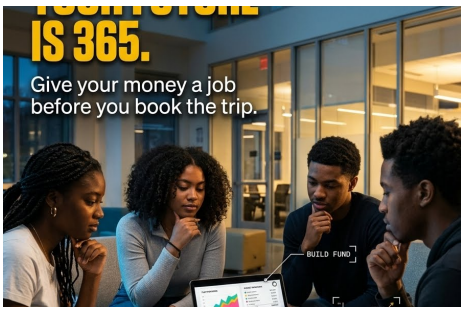

Odynex Axis Logistics LLC connects U.S. spatial AI and digital twin standards (**OSAS-1™**, **HydroTwin OS** & **NeuGB AgriHomes™**) with decentralized material recovery and edge-telemetry infrastructure (**TagTag™** & **MabhAI Nexus™**). Through our **Tri-State Sunbelt Workforce & Infrastructure Engine (GA • TX • FL)**, we bridge academic talent, community leadership, municipal pilots, and institutional capital to solve real-world flood resilience, smart-city logistics, and circular supply-chain challenges.

Initiative Pillar	Institutional, Economic & Workforce Value
Spatial AI & Flood Defense *OSAS-1™ & HydroTwin OS*	NVIDIA-accelerated 3D LiDAR and hydrological digital twins auditing site zoning, transit corridors, and stormwater bottlenecks before capital commitment—making rural and coastal land bankable.
Circular Supply Chains *TagTag™ & MabhAI Nexus™*	Containerized sorting, densification, and solar edge-telemetry micro-hubs cutting regional freight volume by up to 70% while generating tamper-resistant EPR plastic diversion and GHG audit trails.
Tri-State Workforce Pipeline *CSAA™ Certification*	A 12+ university coalition across Georgia, Texas, and Florida training Certified Spatial Asset Architects (CSAA™) through paid domestic operations and 10–14 day field sprints.
Flexible Partnership Tracks *Pilots, ESG & SPVs*	Structured entry pathways for 60-day municipal spatial pilots ($395–$9,500), corporate ESG/ EPR sponsorships, academic workforce co-funding, and ring-fenced Project SPVs.

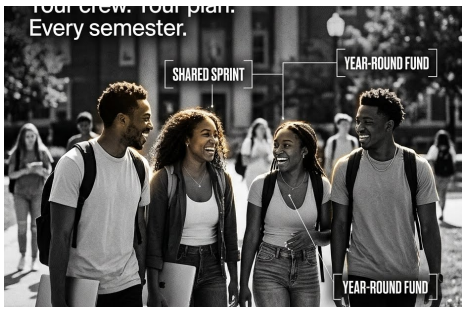

1. Screen to Spatial AI

Turning digital fluency into 3D LiDAR & OSAS-1™ asset auditing skills.

2. Paid Sprints & 50/50 Equity

Funding immediate goals while building long-term financial & skill equity.

3. Tri-State Talent, Global Reach

CSAA™ credentials connecting GA, TX & FL talent to global hubs.

PART 1: PARTICIPANT & ORGANIZATION INFORMATION

Please complete the fields below so our team can route your inquiry to the appropriate regional coordinator.

Full Name	
Email Address	
Phone Number	
City & State (GA / TX / FL / Other)	
School, Team, Company, or Agency Name	
Title / Role / Academic Year or Grade	

PART 2: SELECT YOUR ENGAGEMENT TRACK

Check all categories that describe how you or your organization would like to participate:

☐ **College Student / Youth Fellow:** Interested in paid field sprints, Spatial AI training, 50/50 Play & Build financial literacy, and CSAA™ certification.

☐ **Parent / Guardian:** Seeking program details on student fellowship safety, mentorship, financial literacy, and credentialed career pathways.

☐ **Teacher / Professor / Academic Administrator:** Exploring campus workshops, curriculum alignment, student research sprints, or university coalition membership.

☐ **Athletic Coach / Youth Mentor / Club Advisor:** Interested in team leadership workshops, student-athlete financial literacy, and off-season skill equity sprints.

☐ **Corporate ESG / EPR Sponsor:** Exploring co-branded TagTag™ + MabhAI Nexus™ micro-hub underwriting, verified plastic diversion credits, or fellowship sponsorship.

☐ **Municipality / Economic Development / Public Agency:** Interested in 60-Day Spatial Pilots, flood-risk modeling, transit corridor diagnostics, or grant co-funding (USDA, EPA/EPD, NOAA).

☐ **Venture / Institutional / Project SPV Investor:** Seeking a 20-minute technical and unit-economics walkthrough for seed/pilot tranches or ring-fenced regional SPVs.

PART 3: ROLE-SPECIFIC ALIGNMENT

Section A — For Students, Parents, Teachers & Coaches

☐ **Primary Focus:** ☐ Spatial AI & 3D Mapping ☐ Circular Logistics & Clean-Tech ☐ Financial Literacy & Skill Equity ☐ Campus / Team Workshop

☐ **Preferred Schedule:** ☐ Academic Semester ☐ Spring Break Sprint (10–14 Days) ☐ Summer Cohort ☐ Year-Round Fellowship

Estimated Group or Cohort Size (if applying for a class, club, or team): _____

Goals, Interests, or Questions for Our Team:

Section B — For Corporate Sponsors, Public Agencies & Investors

☐ **Partnership Track:** ☐ Track A: 60-Day Municipal Pilot ☐ Track B: Corporate ESG / EPR Sponsor ☐ Track C: Workforce Co-Funding ☐ Venture / Project SPV

☐ **Target Region:** ☐ Georgia ☐ Texas ☐ Florida ☐ Southeast Asia (Philippines) ☐ Latin America ☐ Multi-Region

Target Deployment Timeline or Budget Range (Optional): _____

Specific Site Needs, ESG Targets, or Investment Criteria:

PART 4: REQUESTED NEXT STEPS

☐ Schedule a **20-Minute Technical & Unit-Economics Walkthrough** (Investors, Sponsors & Agencies)

☐ Schedule a **Campus, Classroom, or Team Info Session** (Students, Parents, Teachers & Coaches)

☐ Request the **Full 12-Page Institutional & Sponsorship Briefing Deck**

☐ Receive **Upcoming GA • TX • FL Cohort & Event Announcements**
