Bruce Jamison, Principal

Attorney/Legal Investigations

Professional Integrity. Investigative Precision. Ohio Roots.

TrueJam Insights LLC is a Northeast Ohio-based consultancy led by a veteran of Ohio Law Enforcement with over four decades of service. We bridge the gap between public safety standards and private-sector needs, providing law firms with the investigative depth and administrative reliability required for complex litigation.

Core Competencies

1. Investigative Support & Corporate Integrity

- **Skip Tracing & Asset Location:** Locate subjects and hidden financial interests using advanced databases
- **Due Diligence:** Comprehensive background profiles for high-stakes corporate or litigation needs.
- **Witness Interviews:** Conducted with precision and empathy for admissible, high-quality statements.
- **Integrity Audits:** Specialized internal governance support for non-profit organizations and corporate entities.

2. Legal & Administrative Infrastructure

- **Remote Online Notarization (RON):** Secure, nationwide digital acts to keep your filings moving without geographical gridlock. ($30/notarial act + $10 tech fee)
- **Traditional Mobile Notary:** Serving the Greater Cleveland area for in-person high-value document execution. ($5/notarial act + pre-agreed travel)

The TrueJam Advantage

- ❖ **Four Decades of Public Safety Leadership:** We don't just find information; we understand the legal weight and integrity needs of every finding.
- ❖ **Governance without Gridlock:** Our processes are streamlined to meet the rapid-fire pace of a general practice law firm.
- ❖ **Safety with Heart:** We approach every investigation—especially those involving sensitive assets or individuals—with professional discretion and human empathy.
