Professional Notarial Services

Governance without Gridlock. Legal Integrity. Ohio-Based.

TrueJam Insights LLC provides secure, professional notarial services designed to keep legal and corporate documents moving without geographical or administrative delays.

Core Competencies

1. Remote Online Notarization (RON)

- **Nationwide Reach:** Execute documents digitally from anywhere in the United States, utilizing secure, state-approved platforms.
- **Execution:** Ideal for urgent legal filings, board resolutions, and high-stakes contracts that cannot wait for physical travel.
- **Enhanced Security:** Utilizing KBA (Knowledge-Based Authentication) and credential analysis to ensure the highest level of identity verification.
- **Pricing:** \$30 per notarial act + \$10 technology fee.

2. Traditional Mobile Notary

- **Concierge Service:** On-site document execution at law firms, corporate offices, healthcare facilities, or private residences.
- **Regional Focus:** Serving the Greater Cleveland/Akron area and Northeast Ohio.
- **High-Value Documents:** Specialized in sensitive paperwork requiring a professional, authoritative presence.
- **Pricing:** \$5 per notarial act + pre-agreed travel fee.

The TrueJam Advantage

- ❖ **Law Enforcement Foundation:** With four decades of experience in public safety and investigations, we understand the critical importance of identity verification and the legal weight of every seal.
- ❖ **Safety with Heart:** We handle every signing—especially those involving sensitive family or victim-related matters—with the utmost empathy and professionalism.
- ❖ **Zero Gridlock:** We prioritize responsiveness to ensure your administrative timeline remains on track.
