Bruce Jamison, Chief (Ret.)
Investigative Precision. Strategic Stability.

Post-Incident Review, Independent Investigation & Governance Recovery

Operational Clarity. Stakeholder Assurance. Safety with Heart.

TrueJam Insights LLC provides corporate enterprises, educational institutions, and non-profit organizations with independent investigative precision and governance oversight following a critical or negative organizational incident. Entering the post-incident "recovery phase" requires a balance between rigorous fact-finding and administrative reassurance. **Led by Chief (Ret.) Bruce Jamison,** a veteran with over 40 years of Ohio Law Enforcement command and victim advocacy experience, TrueJam provides organizations with an objective, third-party buffer to uncover root causes, insulate leadership, and establish defensible operational reforms**.**

Core Competencies

1. Independent Post-Incident Investigation & Fact-Finding

- **Root-Cause Analysis**
- **Witness & Stakeholder Interviews**
- **Evidentiary Support for Counsel**

2. Governance, Policy & Operational Audits

- **Policy Gap Analysis.**
- **Administrative De-Confliction**.
- **Corrective Action Roadmaps.**

3. Executive Guidance & Stakeholder Assurance

- **Informing Public & Legal Narratives**
- **Independent Third-Party Verification**
- **Governance without Gridlock**

The TrueJam Advantage

- **Four Decades of Command Authority:** We understand the legal weight, public scrutiny, and statutory standards required when an organization comes under sudden crisis or media attention.
- **Licensed Statutory Precision:** State of Ohio Private Investigator Security Guard Services License #20251100619724 ensures every finding adheres to investigative standards. .
- **Safety with Heart | Governance without Gridlock:** We handle sensitive human dynamics and victim impact with care, while cutting through bureaucratic confusion to guide your leadership team smoothly into stabilization.
