

2026 Horse Barn Camping Request

Failure to disclose accurate length/width measurements could result in loss of spot and/or non-availability at check-in.

Please read ALL information and rules below before submitting request:

- Camping fees are to be paid upon check-in at gate 6, located on the north end of fairgrounds. An attendant will escort you to your assigned parking area upon arrival.
- Lake County Fairgrounds are not level or flat. Please bring plenty of blocking to level your camper and extra long, heavy duty extension cords to reach your assigned 20 amp electrical panel. Multiple spots share a single panel.
- There is no parking in the streets outside fair gates.
Electric camping reminders:
 - Electric spots are reserved EXCLUSIVELY for exhibitors with stalls.
 - You must disconnect your truck from your camper and park your vehicle in the designated space.
 - There is ABSOLUTELY no tying horses to any campers within the electric camping area under any circumstances.
- No personal vehicles are permitted within the assigned camping spots for the safety of the exhibitors and horses.
Non-Electric camping reminders:
 - No tents or portable pens are allowed at any time.
 - No generators are allowed. You will be asked to turn off or leave if in violation of this rule.

By submitting this request, I have read and agree with the above rules. Failure to comply will result in forfeit of reservations and you will be asked to leave.
