AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

To the Shareholders and Board of Directors of Baan Rock Garden Public Company Limited

I have reviewed statements of financial position as at 30 June 2026 and the related statements of comprehensive income for the three-month and six-month periods ended 30 June 2026, changes in shareholders' equity and cash flows for the six-month period then ended, as well as the condensed notes to the financial statements of Baan Rock Garden Public Company Limited. Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard No. 34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of Review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34, "Interim Financial Reporting".

Financial Reporting Standards that will become effective in the future periods

The Federation of Accounting Professions (TFAC) has issued new and revised financial reporting standards that will become effective for the accounting period beginning on or after 1 January 2028. The standard involving changes to key principles is summarised below:

(a) TFRS 18 Presentation and Disclosure in Financial Statements

TFRS 18 supersedes TAS 1, Presentation of Financial Statements. The standard introduces new requirements for classifying income and expenses into categories and presenting subtotals in the statement of profit or loss. It also requires disclosures of management-defined performance measures and includes new requirements for the aggregation and disaggregation of financial information.

(b) Amendments to TAS 7 Statement of Cash Flows

The amendments have been made to align with TFRS 18, Presentation and Disclosure in Financial Statements that introduces consequential amendments to this standard which require entities to use the newly defined operating profit subtotal as the starting point for the statement of cash flows when presenting operating cash flows under the indirect method. The consequential amendments also introduce new requirements for the classification of interest and dividend cash flows in the statement of cash flows.

The Company has not early adopted these new and revised financial reporting standards before their effective dates. The Company's management is currently in process of evaluating the plan to be executed and assessing the impact of adopting this standard on the financial statements in the year of initial adoption.

3. Material accounting policy information

Material accounting policy information and methods of computation applied in the interim financial statements are consistent with those applied in the financial statements for the year ended 31 December 2025.

Costs that incur unevenly during the financial year are anticipated or deferred in the interim report only if it would be also appropriate to anticipate or defer such costs at the end of the financial year.
