## Missionpoint Pogo advances to begin "Acema Baptist Church"

Once the water well was completed, 154 villagers gathered to begin worshipping as Acema Baptist Church. 63 children gathered to sing, dance and worship!

Donor provided water well leads to Amigos starting a church plant in a new location, Pogo!

Villagers gather under the trees to hear the presentation of the Gospel. 8 people gave their lives to Christ during this first service.

## Medical Clinics and Camps being reviewed for our Missionpoints

Concept drawing of our Missionpoint Medical Clinics. The first one to be named after Dr. John LaNoue in Ogul Village. We are praying to build a clinic in each Missionpoint after we conduct a Medical Camp in the region to establish good medical practices and healing surgeries.

We will be performing 300 cataract surgeries in rural Western Uganda on May 26-30. Pray for the camp.

## TRACK AND FIELD

The Ugandan Ministry of Education came to Open Hands and shared we needed an "extracurricular" activity...so the children chose track and field. They had their first track meet and did well. They children are getting a well rounded education.
