### Medical Missions Expanding

### Zakaria

#### He Sold Everything to Stay Alive - Tanzania

Zakaria is a husband, a father, and a former boda boda driver in rural Tanzania. What began as a small swelling on his back grew into a painful tumor that changed his life. In a desperate search for help, Zakaria and his family sold nearly everything they owned—including the motorcycle that provided their income. Then, in the middle of his suffering, Pastor Adam visited Zakaria and shared the Gospel. That day, Zakaria placed his faith in Jesus Christ.

Today, he continues to battle pain while trusting God for healing and hoping for the medical care he desperately needs. Read Zakaria's full story and discover how you can help.

You can help give him life saving care today!

### Another Success story!

We are so grateful to partnering churches and groups that are supporting our children. First Baptist Canton's children raised \$1000 on the first day!
