Online Programs Addenda to 2024 catalog

Online programs catalog begins following this addendum

Effective April 1, 2024

Student Tuition Recovery Fund Fees

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. As of April 1, 2024, the State will be fully funded and tuition fees will be reduced from the current \$2.50 per thousand dollars of tuition to \$0.00 per thousand, effectively eliminating the need for students who sign enrollment agreements after April 1, 2024 to pay the fee.

The following supersedes the information on pages 17 through 19

WELCOME TO ICON COLLECTIVE

On behalf of our founders, faculty, staff, students, and graduates, I am privileged to welcome you to Icon Collective. Over the last 15 years, Icon Collective has built a powerfully connected community of artists, producers, and entrepreneurs which you can be proud to join. As an Icon Collective student, you'll develop the skills necessary to share your unique artistic vision with the world.

All of us at Icon Collective share your unending passion for music. It's in our DNA and underscores everything we do here. This common love of music, combined with our deep industry experience and commitment to educational excellence, creates a unique environment where your creativity will be supported as you learn to use music to authentically express who you are. Our faculty and staff are committed to ensuring that every student on our campus has the tools, skills, and knowledge to further their knowledge and skills as a music producer.

The Icon Collective experience is the only one of its kind, designed for you to learn by doing what you love under the guidance of professional mentors. Using industry standard facilities and technology, you'll spend your time working, creating, and learning side-by-side with a vibrant peer group. Our campus is infused with a type of creative energy that can only exist in an environment filled with equally driven creatives.

Icon Collective will ask a lot of you and give you even more in return. We are delighted to be your guides on the first part of your journey.

Welcome to Icon Collective.

ABOUT ICON COLLECTIVE

Our Story

Icon Collective is a music school and community that is completely unique in philosophy and approach, focusing on empowering musicians, DJs, artists and entrepreneurs to live creative lifestyles while using 21st century tools to create and market music professionally. Icon Collective teaches the principles and practice of music production as an integral part of the process of creating high quality music, then provides the tools and strategies to brand, market, distribute, and sell the artist and their music. Icon Collective educates, motivates, and inspires students to overcome creative blocks and thrive in an environment where creativity and technical prowess achieve success.

Icon Collective is run by experienced artists, producers, and educators who know first-hand that there is more to making great music than knowing how to record a track. Icon Collective's approach to teaching music and music business centers its studies on mastering production tools, gaining industry acumen and the creative process. By including one-on-one time with a professional Studio Mentor, we encourage each student to develop a distinctive sense of style and express a unique creative vision.

History

David Alexander Valencia and Christopher Wight founded Icon Collective on March 15th 2005 as a way to address the lack of education for independent artists within traditional music education programs. It was a time when the music industry was changing but education models were not. There was an obvious need for an environment that would support individuality, authenticity and creativity within a carefully structured balance of musical and technical training. David and Christopher diligently developed and created this environment, an ecosystem, a collective, that to this day, is attracting artists and entrepreneurs committed to a life-long musical, artistic journey.

Icon Collective began in 2005 as a 3-month music production program within LA Center Studios in Downtown LA. The program quickly expanded to a 6-month program the following year. By 2010, Icon Collective had outgrown its facilities and moved to a commercial production space in Glendale where the 9-month Digital Music Production Program (DMP) was launched. In 2013, the online version of the DMP program was offered globally and by 2014, Icon's reputation had been solidified via its graduate success stories and methodical approach to artistic development.

This growing ecosystem of seasoned musicians, veteran producers and graduates was again in need of a larger home, and in 2014, Icon Collective took possession of famed, world-class recording studios, The Enterprise in Burbank. It was here that the discipline of continuous self-evaluation, real-world feedback and innovation inspired the launch of the accredited 12-month Blueprint Music Production Program. Artists and entrepreneurs continued to make the journey to Burbank, from around the world, until the Enterprise facility could no longer support the needs of the collective.

In 2020, Icon Collective made its move to Downtown Burbank, occupying a custom designed 32,000 square foot facility that met the needs of its newly launched Advanced Music Production Program, Vocal Artist Program, and Music Business Program. Today, the ecosystem and community that is Icon Collective continues to thrive online and within its purposefully built LA campus where artists and entrepreneurs are encouraged to bravely face their fears, develop their authentic voice, and humbly trust the creative process. The vision that began in 2005 is today an ongoing mission of empowering artists and entrepreneurs to live creative successful lifestyles.

Mission

We empower artists to live successful, creative lifestyles.

Vision

To globally influence artists, music, and the music industry in a manner that reflects individuality, originality, and the expression of human emotion.

Objective

To provide our students with an outstanding education that prepares them to thrive in the music and entertainment industries as a member of the Icon Collective community of artists, producers, and entrepreneurs.

ONLINE MUSIC PRODUCTION PROGRAM

Program Description

18 Month Diploma Program-376 Clock Hours / 41 Credit Hours

The Online Music Production Program is an immersive educational experience that provides students a well-balanced study of modern music production guided by working professionals. Course work includes studio production techniques, digital audio workstation operation, songwriting, arranging, music business, and synthesis. One-on-one weekly mentoring sessions, ear training, and personal development courses inspire creativity and round out the skill set necessary for artists to thrive in the 21st century music and entertainment industries.

The program is designed as a self-paced program, taking 18 months (six quarters) to complete at the pace recommended by Icon. Clock hours shown are representative of the time required if maintaining the recommended pace. Actual time to complete the program for an individual student may be more or less, depending on the time it takes for the student to achieve the required level of competency in each Unit. *Students requiring more than 18 months to complete the program will also be subject to additional tuition costs based on the published quarterly tuition rate.*

Program Objective

The Online Music Production Program prepares students to become music producers, composers, performers, recording artists, professional DJs, and entrepreneurs in the entertainment industry.

Potential Careers

Graduates of the Online Music Production Program are prepared to create entrepreneurial careers in a wide range of roles within the music industry. Some of the most common are Music Producer, Songwriter, Performer, DJ, Sound Designer.

US Dept of Labor Standard Occupational Classifications

27-2041 - Music Directors and Composers

27-2042 - Musicians and Singers

13-1011 - Agents and Business Managers of Artists, Performers, and Athletes

Course Schedule

Each quarter is eleven (11) weeks in duration and includes multiple subjects. The sequence of the subjects is predetermined. The only electives are optional additional Studio Mentor courses. Please see the description of Units and Levels in the Academic Policies section of this catalog.

Each week, students have a live, real-time, one-on-one Studio Mentor Session with their industry mentor for the quarter. This happens at a specific, scheduled time when the student and teacher log in to an online Zoom video conference session together. This is the only learning activity that requires the student to be online at a specific time. Instructors hold office hour sessions that students can join live and in real time, if desired. These office hour sessions explore topics related to the main program and expand upon the reading and video content. It is highly recommended that students take part in the office hour sessions whenever possible.

Course Descriptions

Level 1: Music Production with Ableton Live I

Recommended time to complete- 11 weeks

Ableton I & Groove Theory I

Coursework explores the fundamentals of Ableton Live and its non-linear approach to music production, including many of the ways Ableton can be user-configured for studio music production and live performance. Projects and lessons include how to create, open, and save projects, use hot keys, import, edit, and warp audio, work with MIDI clips, understand the session view and the arrangement view windows and manipulate software instrument tracks and synths. Groove Theory topics include the fundamentals of rhythm, introduction to the drum kit and drum programming, as well as an introduction to rhythm transcription.

Arrangement

Coursework focuses on the analysis of real world examples in popular music and develops an understanding of song structure and standard arrangement techniques that form the foundation of compositional studies.

Keyboard Techniques I

Introduction to the basic concepts of music theory and its applications in songwriting using the keyboard. Topics include motor skills, hearing and identifying intervals, and playing major and minor scales and chords.

Studio Mentor

A weekly mentoring session with a professional producer. Mentors provide guidance in the production of the student's original music and monitor the student's progress in other courses, provide assistance and tutoring where needed. The Studio Mentor courses provide a constant source of support to help ensure academic success.

Level 2: Music Production with Ableton Live II

Recommended time to complete- 11 weeks

Groove Theory II

Coursework explores the construction of beats and tracks in different rhythmic styles and genres, along with some historical context, covering the gamut from rock and soul to techno and dubstep.

Keyboard Techniques II

Continuing keyboard topics include playing and writing chords, inversions, and harmonic progressions, as well as hearing and identifying minor scale intervals is also covered.

Studio Techniques I

An exploration of the principles of digital recording and the best practices of professional music production. Presentations and exercises include signal processing, recording, mixing, and editing.

Synthesis I

A step-by-step approach to understanding the basics of subtractive synthesis and its components. Coursework includes an exploration of waveforms, oscillators, filters, Low Frequency Oscillators (LFO), modulation, envelopes, and waveform parameters.

Studio Mentor

A weekly mentoring session with a professional producer. Mentors provide guidance in the production of the student's original music and monitor the student's progress in other courses, providing assistance

and tutoring where needed. The Studio Mentor courses provide a constant source of support to help ensure academic success.

Level 3: Intermediate Music Production

Recommended time to complete- 11 weeks

Ableton Live II

Advanced Ableton Live production techniques, including the use of clip envelopes, arrangement tools, and slice to MIDI functions. Coursework will also explore the use of Ableton's mixing and mastering tools.

Keyboard Techniques III

Introduction to the concept of melodic development. Projects involve creating simple melodic phrases and melodic transcription. Coursework topics also cover harmonic and non-harmonic tones including suspensions, anticipations, passing and neighboring tones.

Synthesis II

Intermediate synthesis concepts. Topics include Frequency Modulation (FM), physical modeling, sampling, and additive synthesis techniques.

Studio Mentor

A weekly mentoring session with a professional producer. Mentors provide guidance in the production of the student's original music and monitor the student's progress in other courses, providing assistance and tutoring where needed. The Studio Mentor courses provide a constant source of support to help ensure academic success.

Level 4: Advanced Production and Mixing

Recommended time to complete- 11 weeks

Keyboard Techniques IV

Coursework explores melodic and harmonic complexity, the use of rhythm in harmony and melody as well as the arranging of sections within songs to create full-length compositions. Projects and assignments involve combining parallel scales, diatonic substitutions, modal interchange, and harmonic rhythm. Students expand their musical vocabulary and their ability to combine different sections of music into complete compositions.

Music Business I

Establishes a foundation of general business practices for music industry entrepreneurs. Coursework includes how to navigate the entertainment industry, protect intellectual property, and function within the ever-evolving music industry.

Studio Techniques IV

Mixing and mastering music to achieve commercial grade results. Projects involve creating mixes that are rich in dynamics, an appropriate frequency/tonal balance, and three dimensional in depth and imaging. Coursework includes setting up groups and stems, using automation, and mastering digital audio files for distribution.

Studio Mentor

A weekly mentoring session with a professional producer. Mentors provide guidance in the production of the student's original music and monitor the student's progress in other courses, providing assistance and tutoring where needed. The Studio Mentor courses provide a constant source of support to help ensure academic success.

Level 5: Songwriting and Music Business

Recommended time to complete- 11 weeks

Keyboard Techniques V

Continue working with extended harmonies and compositional techniques.

Music Business II

Students will work on bios, branding and other techniques of self-presentation in the contemporary music industry.

Songwriting I

Examines the core components that make up great songs. Songwriting is examined and demystified as both a career and a process. Instills a greater command of writing lyrics, melodies, and hooks, writing for vocalists, and the collaborative songwriting process.

Studio Mentor

A weekly mentoring session with a professional producer. Mentors provide guidance in the production of the student's original music and monitor the student's progress in other courses, providing assistance and tutoring where needed. The Studio Mentor courses provide a constant source of support to help ensure academic success.

Level 6: Advanced Songwriting and Music Business

Recommended time to complete- 11 weeks

Ableton Live III

Creative approaches to creating live performances in Ableton. Coursework develops the ability to map MIDI controllers and plan out a live set.

Keyboard Techniques VI

Introduction to alternative scales, fully extended harmonies, secondary harmony, and modulation. Students play one of their own compositions on the keyboard at the end of the Level, utilizing all of the concepts they have been exposed to throughout the program.

Music Business III

In-depth study of the role of marketing in the music business. Coursework explores social media, advertising, and public relations.

Songwriting II

Advanced lyric and songwriting concepts. Classwork focuses on writing vocal harmonies, re-harmonizing existing melodies, developing hooks, and how to break free from norms and clichés.

Studio Mentor

A weekly mentoring session with a professional producer. Mentors provide guidance in the production of the student's original music and monitor the student's progress in other courses, providing assistance and tutoring where needed. The Studio Mentor courses provide a constant source of support to help ensure academic success.

Additional Training and Support

Ongoing interaction with the Icon Collective community of students, graduates, faculty, and mentors is critical to academic and creative growth. Icon Collective Online students are encouraged seek support and academic assistance in a variety of ways:

- Weekly Studio Mentor Sessions are the best way to get additional help. Before your Mentor Session begins, prepare to discuss your concerns or difficulties.
- Interactive Instructor Office Hour Sessions are a good opportunity for real-time guidance.
- Instructors are also available to give assistance by email and will respond as soon as practical, given time zone differences.
- Student forums on the Icon Collective Online platform are a great way to get ongoing peer and instructor feedback.
- Guest Q&A sessions allow students to interact with industry professionals on a regular basis. Q&As normally occur every week and provide an opportunity to learn from a wider range of people from within the industry.

ONLINE INTRO COURSE

Enrolling in The Intro Course

Students enrolling in the Intro Course rather than the full 18-month Online Program do so with the understanding that these courses are avocational (for personal enrichment) and do not lead to employment.

Course Description

3 Month Program-56 Clock Hours / 6 Credit Hours

The Online Intro course consists of all courses contained in Level One (first quarter) of the Online Music Production Program.

The program is designed as a self-paced program, taking 3 months (one quarter) to complete at the pace recommended by Icon. Clock hours shown are representative of the time required if maintaining the recommended pace. *Students requiring more than 3 months to complete the program will also be subject to additional tuition costs based on the published quarterly tuition rate.*

Course Objective

The Online Intro Course serves as an introduction to the Icon Collective experience as well as providing fundamental skills required to begin a life as a creative artist and producer.

Potential Careers

This Intro Course is for personal enrichment and does not lead to a career. It serves as an introduction to the field of music production. Those interested in pursuing a career as a music producer should consider our full 18 month Online Music Production Program.

Course Schedule

Each quarter is eleven (11) weeks in duration and includes multiple subjects. The sequence of the subjects is predetermined. The only electives are optional additional Studio Mentor courses. Please see the description of Units and Levels in the Academic Policies section of this catalog.

Each week, students have a live, real-time, one-on-one Studio Mentor Session with their industry mentor for the quarter. This happens at a specific, scheduled time when the student and teacher log in to an online Zoom video conference session together. This is the only learning activity that requires the student to be online at a specific time. Instructors hold office hour sessions that students can join live

and in real time, if desired. These office hour sessions explore topics related to the main program and expand upon the reading and video content. It is highly recommended that students take part in the office hour sessions whenever possible.

Course Description

Recommended time to complete- 11 weeks

Ableton I & Groove Theory I

Coursework explores the fundamentals of Ableton Live and its non-linear approach to music production, including many of the ways Ableton can be user-configured for studio music production and live performance. Projects and lessons include how to create, open, and save projects, use hot keys, import, edit, and warp audio, work with MIDI clips, understand the session view and the arrangement view windows and manipulate software instrument tracks and synths. Groove Theory topics include the fundamentals of rhythm, introduction to the drum kit and drum programming, as well as an introduction to rhythm transcription.

Arrangement

Coursework focuses on the analysis of real world examples in popular music and develops an understanding of song structure and standard arrangement techniques that form the foundation of compositional studies.

Keyboard Techniques I

Introduction to the basic concepts of music theory and its applications in songwriting using the keyboard. Topics include motor skills, hearing and identifying intervals, and playing major and minor scales and chords.

Studio Mentor

A weekly mentoring session with a professional producer. Mentors provide guidance in the production of the student's original music and monitor the student's progress in other courses, provide assistance and tutoring where needed. The Studio Mentor courses provide a constant source of support to help ensure academic success.

ADMISSIONS

Icon Collective is open to creative individuals who are passionate and self-driven musicians, producers and entrepreneurs looking to succeed in the entertainment industry. While no previous training is required, it is recommended that applicants have experience in music production and/or playing a musical instrument, vocal experience and computer literacy. We expect our applicants to have a clear personal vision and defined musical, artistic and music industry goals upon admission.

All applications are completed electronically. Prospective students may apply in person or online at www.iconcollective.edu. The admissions department contacts all prospective students to schedule an interview.

The immersive Icon Collective programs move at a rapid pace, and students are expected to deliver projects and assignments according to strict deadlines. Students in the producing and performing programs will be required to present their music to classmates and teachers on a regular basis and must be comfortable doing so. Classroom participation requires conversational English and basic math skills. Assignments and projects require a functional level of English reading, writing, and comprehension.

Admission Requirements

In order to apply, a prospective student must:

- Be at least 17 years of age (those who are currently high school age may be considered on a case by case basis).
- Complete and submit the online application
- Provide government issued identification (driver's license, passport, etc.)
- Pay a one-time, non-refundable Application Fee of \$75.00
- Pay a refundable (\$500 Deposit applied toward the first tuition payment)
- Submit application materials required for your program.
 - The Online Music Production Program requires 3 music tracks at least 2 minutes in length.
 - Music submissions are not required for the Online Music Production Intro Course.

The deposit is due at the time of application and is applied toward the first tuition payment. A student's seat is not reserved until the deposit is paid. After the application and all required materials have been submitted, an Admissions Advisor will contact the prospective student to initiate the following:

- Schedule a qualifying interview
- Complete a Goals and Career Path Assessment and Self Evaluation Form

Upon acceptance, the Admissions Coordinator will contact the prospective student to schedule a registration appointment. At that time, the accepted student will complete, sign, and submit the Icon Collective Enrollment Agreement and other required documents and make the first tuition payment. Please see the Refund Policy section of this catalog for a detailed description of refunds in the event of cancellation.

Applications must be received by the first day of the quarter prior to the desired program start date. The application calendar is as follows:

Desired Program Start Date	Last Day to Apply
Winter 2024	December 11, 2023
Spring 2024	March 11, 2024
Summer 2024	June 10, 2024
Fall 2024	September 9, 2024

A student may request a change in program start date one time without penalty. Due to limited availability, however, a second change in start date will require a new application and application fee.

Upon acceptance, students are scheduled for registration, at which time all necessary paperwork is completed and the first tuition payment is due. An Enrollment Packet with additional information on payment options and a complete list of all required hardware and software is provided.

English Language Proficiency Policy

The English language is the medium of instruction, and no language other than English is used for instruction at Icon Collective. Accordingly, all students contemplating enrollment at Icon Collective are expected to be proficient in English, both spoken & written, at the level of a graduate of an American high school as demonstrated by the possession of a high school diploma, GED, or passage of the California high school proficiency exam. Icon Collective does not offer English Language services of any kind and English translators are not provided.

If you are not from one of the countries listed below, then you will need a passing score on Icon's English Proficiency Exam and Admissions Interview. This requirement is also met if you achieve a score of 61 or above on the TOEFL test, a score of 6 or more on the IELTS test, attended a high school in the USA for one or more school years, have a diploma from a secondary school in a system in which English is the official language of instruction, or completed one or more years of postsecondary education at an English-speaking institution. You must also furnish an official transcript in English.

Exempt Countries: Australia, Bahamas, Barbados, Belgium, Belize, Botswana, Canada, Denmark, Fiji, Finland, Ghana, Guyana, Ireland, Jamaica, Kenya, Lesotho, Liberia, Nigeria, Netherlands, New Zealand, Norway, Papua, New Guinea, Singapore, Solomon Islands, South Africa, St. Lucia, Sweden, Tonga, Trinidad, Tobago, United Kingdom, Zambia, and Zimbabwe.

Nondiscrimination Policy

Icon Collective is a post-secondary educational institution committed to creating and maintaining an environment in which all persons who participate in Icon Collective programs and activities can work together free of all forms of harassment, discrimination, exploitation or intimidation on the basis of race, color, national origin, gender, gender identity or expression, sexual orientation, disability, age, religion, Socio economic status, veteran's status, genetic marker, or any other characteristic protected by state, local or federal law. Icon Collective prohibits discrimination against members of our community by any student, staff, faculty, or third-party contractors brought on campus for the purpose of conducting business with the school. Icon Collective will not retaliate against persons bringing forward allegations of harassment or discrimination.

Transfers and Articulation

Transfer of Credit to Other Institutions

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION: The transferability of credits you earn at Icon Collective is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn is at the complete discretion of the institution to which you may seek to transfer. If the credits or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your education goals. This may include contacting an institution to which you may seek to transfer after attending Icon Collective to determine if your credits or certificate will transfer.

Transfer of Credit

Icon Collective does not accept credits transferred from other institutions for its Online program.

Transfer from Online Program to Los Angeles Program

Students must request the transfer with their Student Advisor. Those requesting transfer must be accepted into the LA program by Admissions. All transfers require student to start at LA Level One as some prerequisites for higher Levels will not have been met. Transfers may not take place during a quarter.

Credit for courses taken in the online program are not automatically transferred, qualifying students must test out of each of the LA Level One courses, with the exception of the Studio Mentor course which must be taken in their first term enrolled in the LA program. Students will be assessed a transfer fee of \$150 to cover the administrative costs of the exams for eligible courses in Level One unless the student wishes to test out of only one course. Test outs for courses beyond Level One will be charged at the \$75 rate per course. A score of 90% or higher on each exam is required, otherwise the student must take the associated course after transfer. Should an Online student successfully test out of a course or courses, the student may complete the program in less time resulting in a lowered tuition cost. A maximum of the equivalent of 75% of the program credits may be earned through test outs.

Prior Experiential Learning

Icon Collective does not grant credit for prior experiential learning. Icon Collective does provide an opportunity to test out of courses if an applicant feels that he or she has the requisite knowledge. Please see the Academic Policies section of this catalog for information regarding testing out of courses.

If payment is not made by the close of business on the 8th day after the due date, the student will be terminated from Icon Collective for nonpayment of tuition and will no longer be allowed to participate in classes or access the Icon Collective Online platform.

Student Loans and Financial Aid

Icon Collective does not participate in federal or state student financial aid programs.

If a student obtains a loan to pay for an educational program at Icon Collective, the student bears the responsibility to repay the full amount of the loan plus interest, less the amount of any refund disbursed directly to the lender in the event of cancellation, withdrawal, or dismissal.

Student Tuition Recovery Fund

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd Ste 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Refund Policy

Icon Collective has established refund policies that are in accordance with current state and federal regulations. Icon Collective uniformly applies these refund policies to all students and reserves the right to modify these policies in order to remain in compliance with any changes in applicable laws and regulations.

Refunds based on cancellation

An applicant or student has the right to cancel enrollment for a program of instruction, without penalty or obligation, within the first seven (7) calendar days of each quarter for a full refund of deposit, if applicable, and tuition paid for that quarter.

To cancel, the applicant or student must submit a written notice of cancellation to the Director of Education in person, by electronic mail, or by postal mail within seven (7) calendar days of the start of the quarter. The date of cancellation is defined as the date of receipt of the written notice. If the written notice of cancellation is sent by mail, properly addressed with the correct postage, it is effective on the date postmarked.

An applicant who completes the application process but is denied enrollment or a student who is dismissed from Icon Collective for any reason within the first seven (7) calendar days after starting a quarter is entitled to a refund of the deposit, if applicable, and all tuition paid for that quarter.

Refunds based on withdrawal or dismissal

A student may withdraw from Icon Collective at any time by submitting a written notice of withdrawal to the Director of Education in person, by electronic mail, or by mail. Refund calculations will be based upon the student's last recorded date of physical attendance.

A student who chooses to withdraw after the seventh (7th) calendar day of the quarter but prior to completing 60% of the program days in a quarter is entitled to a pro rata refund of tuition based upon the student's last recorded date of physical attendance. The pro rata refund is calculated based on the entire quarter tuition cost. If a student withdraws after completing more than 60% of the program days in a quarter, tuition for the entire quarter is considered fully earned and the student will receive no refund. Students may have a balance due if the tuition has not been paid through the date of withdrawal, which may be the case in monthly payment plans.

A student may also be withdrawn involuntarily due to factors including, but not limited to inappropriate conduct, lack of attendance, or failure to maintain satisfactory progress. The same refund calculations apply.

Refund Schedule		
Date of Withdrawal	Tuition Liability	Tuition Refund
Calendar Days 1 to 7 of each quarter	None	100%
Program Days 8 to 39 (60% of Quarter)	Pro-rated	Up to 60% of program
After Program Day 40 (More than 60% of Quarter)	100% Tuition Due	None

Early Completion

After a student completes all Level 6 courses, the school will keep the student enrolled in Matrix for the rest of the quarter in order to finish out any remaining Mentor Sessions. Your tuition will be calculated at a lower rate for the remainder of the quarter, reflecting billing for the Mentor Sessions only.

It is also possible to stay enrolled in our program for further quarters and take additional Elective Mentors at this lower rate of \$1200/quarter, retaining access to everything on the platform including courses, groups and Office Hours. Please notify the Student Advisor if you wish to do so.

Alternatively, students have the option to end your enrollment completely once they have finished Level 6, and we won't bill for anything further beyond that. Students won't have any further Mentor Sessions and will lose access to all courses at the end of the quarter. Please notify the Student Advisor if you'd like to choose this option.

Holidays and Refund Calculations

Icon Collective recognizes the U.S. national holidays below for the purposes of calculating refunds pursuant to section 6700 of the California Government Code 2015 Holidays. *Please see preceding Academic Calendar for days the Icon Campus is closed.*

Date Observed	Holiday
January 1	New Year's Day
3rd Monday in January	Martin Luther King Day
3rd Monday in February	President's Day
March 31	Cesar Chavez Day
Last Monday in May	Memorial Day
June 19	Juneteenth
July 4	Independence Day
1st Monday in September	Labor Day
November 11	Veteran's Day
4 th Thursday in November	Thanksgiving Day
4 th Friday in November	Day after Thanksgiving

Refund for Fees

Banking fees including, but not limited to, returned check fees and wire transfer fees are added to the applicant's or student's liability in all cases and are non-refundable. The \$75 Application Fee and the Student Tuition Relief Fund (STRF) Assessment, if applicable, are non-refundable.

Refund on Textbooks and Materials

Once the student has accepted textbooks, software, and other materials supplied by Icon Collective, they may not be returned for a refund.

Refund Disbursement

To cancel an enrollment agreement or withdraw from Icon Collective, a student must submit a written notice of cancellation to the Director of Education. Refunds will be made within forty (40) days after receipt of the written notice of cancellation or withdrawal. The date of cancellation is defined as the date of receipt of the written notice or, if the notice is submitted by mail, the date postmarked.

If any portion of the tuition was paid from a third party, the refund shall be sent to the third party using the same method of payment (e.g. returning funds to the credit card used for the initial payment, or a check issued to the party that wrote the tuition check).

Any tuition balances remaining on the student's account following cancellation, withdrawal, or dismissal must be paid in a timely manner or be subject to collection. Any payment arrangement made to pay such balances may be subject to additional fees and/or interest.

Veteran's Benefits

ICON's Online program is not approved for benefits from the Veterans Administration, however, Icon does offer a 20% discount to qualified veterans of the US military who can provide us with the DD214 Report of Separation document. This discount is contingent upon successfully completing each quarter. Students withdrawing within a quarter will be responsible for paying the full tuition for that quarter.

ACADEMIC POLICIES

Standard of Progress

Levels, Courses and Units

The Icon Collective Online Music Production Program consists of six Levels, with three to five Courses within each Level. Each Course is made up of successive Units, each consisting of assigned work in the specific subject of the Course, such as Mixing or Synthesis.

Icon recommends a pace of one Unit/week in each course. With 11 (or fewer) Units in each Course and 11 weeks per academic quarter, this recommended pace would allow the student to complete the program in six quarters or 18 months.

However, students are free to work at a faster or slower pace, as long as they finally complete the program within the maximum time frame (see later section on Maximum Timeframe). **Students requiring more than 18 months to complete the program will also be subject to additional tuition costs based on the published quarterly tuition rate.**

The evaluation of student achievement is based on students meeting the objectives for each Unit and their included topics. The learning objectives are clearly defined at the beginning of each topic within a Unit. Grade determination criteria for each project and assignment are specified in a rubric provided to the students.

Students are encouraged to work on all Courses within the Level simultaneously, but may choose to move ahead faster in some subjects than others at their own discretion. However, all work in all subjects in a given Level must be completed satisfactorily in order for the student to have the next Level's curriculum "unlocked".

A student who receives a failing grade on any assigned work must do it again until they earn a passing score. Students must achieve a letter grade of "D" or higher in all assigned work in order to progress in that subject.

Satisfactory Academic Progress (SAP)

Satisfactory Academic Progress (SAP) measures the student's academic performance within the educational goals. Icon Collective requires that all students demonstrate that they are making orderly progress each month (at least one Unit of each Course for that Level) toward completion of the program. All students must maintain SAP in order to remain enrolled. Icon Collective will evaluate student progress each quarter.

In addition, students must complete all coursework within the required 150% maximum timeframe.

Successful Unit and Level Completion

In order to complete a Level, all assigned work within that Level must be completed a grade of a "D" or higher.

Cumulative Grade Point Average (CGPA)

Cumulative Grade Point Average (CGPA) is the average of all grades earned based on the 4.0 grading scale used by Icon Collective.

Clock to Credit Hour Conversion

Icon Collective uses the following method to convert clock hours to quarter credits following guidelines set by our accreditor, the National Association of Schools of Music: A quarter hour of credit represents at least 3 hours of work each week for a period of ten or eleven weeks. Due to the nature of online learning, time with instructor interaction whether synchronous or asynchronous, instrumental practice, and creative work is included in the clock hour calculation.

Maximum Timeframe

A student cannot exceed 150% of the published normal completion rate of the program. The published normal completion rate for the program is 66 weeks and 43 credit hours. Therefore, 150% of that normal completion rate is 99 weeks or 64 attempted credit hours. A student who reaches 99 weeks or 64 attempted credit hours without completing the program will not be allowed to continue and will be dismissed from the school. Students requiring more than 18 months to complete the program will also be subject to additional tuition costs based on the published quarterly tuition rate. The Online Intro Course must be completed within the 11 week timespan allotted.

Grading

Students must complete a variety of different projects and assignments to complete each Unit of the program and continue to the next. These include:

- Reviews and Quizzes
- Projects, Assignments, and Homework
- Online Participation and Discussions
- Instructor Assessment

Grading criteria for each assignment are provided to the students and are used by instructors for grading. Students receive feedback and/or scores on all submitted work a minimum of four times a week (generally not Saturday or Sunday). If they fail any submitted project, they must redo it until they have received a passing grade from their instructor. Icon Collective does not have a cumulative final test required for the completion of the program.

Grade Scale

Rating	Earned Percentage	Letter Grade	GPA
Excellent	95% – 100%	A	4.0
	90% – 94%	A-	3.75
Good	87% – 89%	B+	3.5
	83% – 86%	B	3.0
	80% - 82%	B-	2.75
Average	77% - 79%	C+	2.5
	73% - 76%	C	2.0
	70% - 72%	C-	1.75
Needs Improvement	67% - 69%	D+	1.5
	65% - 66%	D	1.0
Failing	0 – 64 %	F	0.0
Test Out	N/A	TO	0.0

Mentor Sessions

Studio Mentor Sessions are carefully coordinated in order to align with the student, mentor, and studio schedules and are virtually impossible to reschedule. As a result, if a student misses a studio mentor session, it cannot be made up. Please contact your mentor ASAP if you need to miss a mentor session.

Incomplete

The requirement to achieve a passing grade for each assignment prior to completing a Unit (and Level) and the self-paced nature of the program makes a grade of Incomplete unnecessary.

Re-enrollment

Students who have been dismissed from Icon Collective for academic reasons may apply for re-enrollment. Re-enrollment is at the discretion of the Education Department and will be granted only after the conditions that caused the dismissal have been rectified.

Test Out

For those students who are already proficient in piano/keyboard techniques, Icon provides opportunities for students to acquire credit for advanced prerequisite knowledge by passing a Competency Evaluation for the Keyboard Techniques portion of the curriculum. A student must earn a score of 90% or higher on the Competency Evaluation in order to get credit.

Students who believe they possess the prerequisite knowledge to test out must contact the Director of Online Education to schedule a Competency Evaluation. There is a \$75.00 fee for each Course Competency Evaluation. No refund will be given for the course for which the student has tested out: the program is self-paced and the test out allows the student to complete in a shorter time which reduces total cost of the program.

Attendance Policy

Because most online coursework is asynchronous, meaning that many of the assignments, projects, assessments, and presentations can be completed at any time before the due date, traditional standards of attendance do not apply for most Online Music Production Program sessions. The curriculum requires students to participate in a number of learning activities each week, and work towards completion of those activities is the online equivalent of attending class at a traditional brick and mortar school.

A student who is out of contact with Icon Collective for fourteen (14) consecutive calendar days during the 11-week quarter will be contacted by the Student Advisor to determine if the student wishes to continue. If the student does not respond to the contact, or does not return to classes, the student will be administratively withdrawn from the program in another 14 days (28 days total).

Graduation Requirements

In order to graduate from the Icon Collective Online Music Production Program and receive a diploma, students must meet the following requirements:

- Successfully complete all required coursework with a passing grade
- Complete the courses within the maximum time frame
- Earn a Cumulative Grade Point Average (CGPA) of 2.0 (C) or higher
- Meet all financial obligations to the school

Students who finish the program with a financial obligation to the school will have alumni privileges suspended until the financial obligation is met in full.

Students are responsible for maintaining copies of their projects, assignments, etc. Students will retain access to their past enrollments in our system for a minimum of one Quarter following completion, but they will lose access if they take a Leave of Absence or drop from the program.

Academic Integrity

Academic integrity is a core value of teaching, learning, and professional behavior. Maintaining high standards of academic integrity is a fundamental principle needed to achieve success and graduate. Students are expected to commit to and be responsible for demonstrating these five values, even in the face of adversity:

1. Honesty
2. Trust
3. Fairness
4. Respect
5. Responsibility

The following activities show a lack of academic integrity and are grounds for being placed on probation or dismissed: cheating, collusion, falsifying records, lying, plagiarism (including electronic), alteration of materials, forgery, providing or using external assistance relating to an examination, test, or quiz, sharing answers, copying another student's work, or any act designed to give unfair academic advantage to the student.

Dismissal may also be exercised if a student engages in conduct that endangers property or the health or safety of others, including breaking the law, fighting, bullying (including cyber-bullying), verbal or written abuse, false allegations, intimidation, harassment, or disruption of classes.

Sharing of Work

All assignments and projects are expected to be the work of a single student unless specified as a group assignment in the syllabus.

Dismissal from the Program

Students may be placed on probation or dismissed from the program for failure to meet academic requirements, inappropriate conduct (as described in the Academic Integrity and Code of Conduct sections), or failure to meet financial obligations to the school.

Grade Appeal and Academic Dismissal Appeal

Grade appeals, including those causing academic dismissal from the program, may only be made under the following circumstances:

The grade was based on standards unreasonably different than those for other students.

The grade was influenced by something other than performance or academic integrity.

The grade was affected by an unannounced or significant change from stated course objectives and assignments.

- The student must request a grade appeal form from the Registrar and submit it to the Registrar by email or through the Matrix platform to the Registrar at Icon Collective. The form must be submitted with supporting documents no later than 3 days after the grade is posted.
- Incomplete appeal forms or those missing adequate explanation or supporting documentation are typically denied. When a complete and reasonable appeal is accepted, an investigation will follow to confirm or deny the validity of the appeal.
- The student will be required to provide any assignments, files, or evidence necessary to complete the investigation.
- A panel from the Education Department will render a final decision. The student will be notified of the decision within one day of the panel's vote.

The panel may decide to:

- Uphold the grade initially given.
- Require that an instructor re-grade the assignment or test.
- Have the student take a reformulated version of the assignment or test to assess whether or not the student clearly possesses the knowledge required to compete against the original grade.
- Recommend a specific grade change.

Appeal of Dismissal (Financial and Conduct)

Students may appeal a financial dismissal or conduct probation or dismissal by requesting an appeal form from the Registrar and submitting it to the Registrar in person during business hours, to Registrar drop box at rear reception, by electronic mail, or through the Matrix platform to the Registrar at Icon Collective. The form must be submitted no later than 3 business days after the student is notified of the dismissal. The student should address the issues that led to the probation/dismissal and what steps have been taken to correct and alleviate them. Incomplete appeal forms or those missing adequate explanation or supporting documentation are typically denied.

The Campus Director will determine whether the student's appeal merits a meeting with the Board of Appeal. If warranted, the Board will schedule an appointment to meet with the student and render a final decision as to the student's disposition. The student's failure to attend will result in a denial of the appeal. Following the meeting, the student will be notified within one business day of the Board's final decision.

STUDENT SERVICES

Online Learning Resources

In addition to the Learning Management Systems that house our courses, we maintain another private website for our students and alumni called the Hexicon. Students are invited to join the Hexicon at Orientation and they can retain these accounts after graduation.

The Resources section of this site contains a virtual library giving students access to a wide range of information used to conduct research, complete assignments, and gain more depth on the subjects taught in the individual courses.

Students may utilize these online assets to complete their projects and assignments on a daily basis. New materials are added regularly based on faculty and student requests, guest recommendations, and planned expansion of holdings.

Online Student Orientation

The Online Student Orientation Unit helps students get their bearings within the Icon Collective Online platform. Students create their online profile, learn the navigation system, practice uploading and downloading files, and complete other exercises that prepare them for online course work. All students are required to complete the Online Student Orientation Unit before beginning any other material.

Student Advising

Icon Collective is a student-centered institution and as such there is an open-door policy for students who may have questions, concerns, complaints, and/or are looking for guidance. Students are welcome to discuss their thoughts and concerns with the school at any time via phone, email, or the Help section on the Icon Collective Online platform. Appointments are encouraged and can be arranged via email.

Disability Services

Icon Collective is an Americans with Disabilities Act compliant institution. Administrators, faculty, and staff members work together to provide reasonable and appropriate accommodations for students with documented disabilities. In order to request accommodations, student must provide the following:

- Written description of the extent and nature of the disability.
- Current (within 5 years) medical certification of disability from doctor or other appropriate professional.
- Written document stating any/all accommodations, auxiliary aids, and/or services requested (such as a current 504 plan, I.E.P., or other form of assessment).

All required documentation must be received no later than 30 days prior to student's projected start date. While a disclosure of a disability and request for accommodations may be accepted after a student starts, they cannot be applied to circumstances of past difficulties in courses, and will only be applied to future course activities.

Upon receipt and review of documentation, a reply will be sent to the prospective student within 10 business days defining which accommodations will or will not be granted. If the submitted information is inadequate to formulate a final decision, Administration reserves the right to request further information.

Once the Administrator has issued the final decision:

- A document will be drafted specifically outlining the granted accommodations.
- The document will be placed in student's permanent file and a copy provided to the student.

Housing

Icon Collective does not provide student housing and does not have a dormitory facility under its control. Icon Collective does not provide student housing services for online students.

Transcript Requests

Students and graduates can request transcripts from the Registrar. The following information is required:

- Full name
- Program of study
- Mailing address for transcript delivery
- Contact phone number
- Number of copies required
- \$15 Transcript Fee per copy

Please send your request to:

Registrar

Icon Collective

100 E. Tujunga Ave, Burbank, CA 91502

Phone: 818-299-8013

Transcript requests can be made at any time. Requests are processed Monday through Friday during business hours. Transcripts are typically sent within two (2) weeks of receipt of the request.

Maintenance and Retention of Student Records

Records of current students, graduates and inactive files are maintained digitally in a secure, encrypted network drive as well as secure cloud backup. All records are organized and managed by the Registrar. Student records are maintained for five (5) years from the last date of attendance. Transcripts containing the date the diploma was awarded, the courses and units on which the diploma was based, and the grades earned by the student in each of those courses are maintained permanently.

Career Services

Icon Collective's industry advisors provide career guidance for enrollees in the full program and can help students make their initial industry connections. Students receive regular career instruction from Industry Advisors, faculty, and guest speakers. Students are encouraged to begin producing music and building their brand from day one of the program as the first steps toward beginning their professional lives.

Icon Collective does not provide job placement services or guarantee employment. The nature of the music and entertainment industry is one of independent entrepreneurs, such as professional musicians, writers, producers, DJs, and performers, who move from project to project (record to record, movie to movie, etc.) as self-employed or freelance contractors. This type of work may not be consistent; depending on the job, project, or budget, periods of employment can range from one day to several weeks or months. In addition, the hours worked in a day or week may be more or less than the traditional 8-hour workday or 40-hour workweek. During periods when individuals are not working on a specific job or project, they can expect to spend time expanding their networks, advertising or promoting their services, creating new music, and honing their artistic abilities.

Rates of pay are not standardized and are typically negotiated, taking into account the project budget, the scope of project, and the artist's skills, abilities, resources, and professional credentials. Most artists create music with the understanding that not all work generates income.

Leave of Absence

A student may request a Leave of Absence (LOA) of a maximum of 90 days (one Quarter) per enrollment. The student must submit a Leave of Absence Form, available from the Registrar, following approval by the Director of Education. No LOA will be granted during the student's first quarter, the student must withdraw and re-apply through Admissions. Leave of Absence is not available for Online Intro Course.

Students will be expected to verify the reasons for making an LOA request before the leave will be approved. A Leave of Absence will be considered for the following reasons:

1. Financial Hardship
2. Family Emergency (death in the family, hospitalization, other traumatic event)
3. Health Concerns
4. Extraordinary Circumstances- considered and approved at the discretion of the Director of Education

In order to qualify for a Leave of Absence, the student must be in good academic and financial standing.

Students requesting an LOA must be current with any tuition payments and fees for the current and any past quarter. Students with a balance owed due to being past the 60% of program days must pay the balance prior to being granted a leave. Students due a refund will have the refund applied to the tuition for the term in which they return.

The ability to return at a specific time is subject to seat availability. Failure to return within the agreed upon and specified time will result in termination from the program.

SCHOOL POLICIES

Student Code of Conduct

Icon Collective has established a Student Code of Conduct in order to maintain an educational environment reflective of the standards of a professional workplace. Students are expected to abide by this code as well as all local, state, and federal laws, both on campus, at school sponsored activities off-campus, and in the Icon Collective online environment.

- Behave in a professional and appropriate manner at all times.
- Be respectful and courteous to faculty, staff, and classmates.
- Abide by all Icon Collective policies.
- Participate in all classes.
- Log in early and stay until class ends.
- Log in prepared with all required supplies and equipment.
- Complete and turn in coursework, projects, and assignments on time.
- Notify the instructor in advance if you are unable to participate or need help.
- Maintain Satisfactory Academic Progress by keeping an average of 2.0 or higher.
- Do not use or distribute illegal software.

This list of examples is not intended to be all-inclusive. Icon Collective reserves the right to act in the best interest of the students, faculty and staff and may deem actions committed by a student to be a conduct violation although the action does not appear on a list of examples. A student who violates this Code of Conduct will face disciplinary action up to and including dismissal from the program.

Policy on Sexual Harassment

Icon Collective is committed to providing a place of work and study free from sexual harassment and all forms of sexual intimidation and exploitation. Any student, staff person, or faculty member engaging in such behavior will face prompt and appropriate corrective action.

All forms of sexual harassment in the workplace are against the law and will not be tolerated, including, but not limited to, unwelcome sexual advances; requests for sexual favors; physical conduct of a sexual nature; sexual pranks, repeated sexual teasing, jokes or innuendo, in person or via text, email or other online communication; verbal abuse of a sexual nature; touching or grabbing of a sexual nature; repeatedly standing too close; and repeated asking another person to socialize off-campus.

If you feel that you are the victim of sexual harassment, contact any member of the Icon Collective staff at your earliest opportunity.

Anti-Bullying Policy

Icon defines bullying as repeated, health-harming mistreatment of one or more people by one or more perpetrators. It is abusive conduct that includes:

- Threatening, humiliating or intimidating behaviors.
- Interference/sabotage that prevents classwork from getting done.
- Verbal abuse.
- Socially excluding a person in class-related activities.

In addition, the following examples may constitute or contribute to evidence of bullying:

- Persistent singling out of one person.
- Shouting or raising one's voice at an individual in public or in private.
- Using obscene or intimidating gestures.

- Not allowing the person to speak or express himself or herself (i.e., ignoring or interrupting).
- Personal insults and use of offensive nicknames.
- Public humiliation in any form.
- Spreading rumors and gossip regarding individuals.

Individuals who feel they have experienced bullying should report this to the faculty or Student Advisor before the conduct becomes severe or pervasive. All students are strongly encouraged to report any bullying conduct they experience or witness to any staff member as soon as possible to allow Icon to take appropriate action.

Drug and Alcohol Policy

Absolutely no drugs or alcohol are allowed when participating in the Icon Collective Online program at any time. Students found to be under the influence of drugs or alcohol or engaged in the unauthorized use or distribution of drugs or alcoholic beverages are subject to disciplinary action up to and including dismissal from the program. There may also be legal implications for students in violation of the drug and alcohol policy.

Family Education Rights and Privacy Act Of 1974 (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords eligible students who are 18 years or older and attending a postsecondary institution certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within 45 days after the day Icon Collective receives a request for access. A student should submit a written request to the Registrar that identifies the record(s) the student wishes to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected.
2. The right to request an amendment to the student's record. A student who wishes to ask the school to amend a record should submit a written request to the Registrar clearly identifying the part of the record the student wants changed and why it should be changed. If the school decides not to amend the record as requested, the Campus Director will notify the student in writing of the decision and of the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before Icon Collective discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by Icon Collective in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of Icon Collective who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Icon Collective.

Students have the right to file complaints with the U.S. Department of Education concerning alleged failures by Icon Collective to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

FERPA permits the disclosure of personally identifiable information from a student's education records without consent of the student if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures.

Icon Collective may disclose personally identifiable information from the education records without obtaining prior written consent of the student:

- To other school officials, including teachers, within Icon Collective whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled, if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university's State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To organizations conducting studies for or on behalf of the school in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
- In connection with information the school has designated as "directory information" under §99.37. (§99.31(a)(11))
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))

- To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense, and the student has committed a violation of the school's rules or policies with respect to the allegation made against him or her. (§99.31(a)(14))
- To parents of a student regarding the student's violation of any Federal, State, or local law or of any rule or policy of the school governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

Complaints and Grievances

A student who has a concern, complaint, or grievance should attempt to resolve the issue in an appropriate and professional manner by speaking with the instructor, staff member, or student in person, by email, via the Icon Collective Online platform, or by telephone. If the concern, complaint, or grievance is not resolved satisfactorily, the student may contact the Director of Education in person, by email, via the Icon Collective Online platform, or by telephone for assistance. The Director of Education is available during normal business hours.

The Director of Education will contact the appropriate parties, investigate the complaint, and direct appropriate action to resolve the issue(s). If the student does not feel that the concern, complaint, or grievance has been satisfactorily resolved, he or she can appeal to the Campus Director in writing.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet website www.bppe.ca.gov.

Photo Release Policy

Icon Collective classes, workshops, seminars, and other events may be photographed, videotaped, screen captured, and/or recorded for use in promotional or academic materials, including brochures, publications, print ads, tutorials, social media, and other forms of electronic media. FERPA (Family Educational Rights and Privacy Act) recognizes photographs as a form of Directory Information. Students may opt-out of being included in Directory Information (including photographs) by signing a FERPA Directory Information Opt-Out form available from the Registrar's office.

Intellectual Property Policy

Students who create academic works, musical works or other copyrightable creative works while enrolled at Icon Collective retain the copyright to such works.

Copyright ownership in a work submitted by a student in the completion of academic requirements remains with the student, provided that, unless otherwise agreed in writing, by submitting the work for class credit, the student shall be deemed to have granted a non-exclusive, worldwide, royalty-free license to Icon Collective to make the work available to the Icon Collective community through electronic or other means. The use of the work is limited to promotional, advertising, and academic purposes.

FACULTY AND STAFF

Icon Collective employs individuals with a passion for music for both staff and faculty positions. All faculty members have the academic, experiential, and professional qualifications to teach, including a minimum of three years of working experience, education, and training in current practices of the subject area taught. All faculty members are working professionals, and their availability to teach varies from quarter to quarter.

Administration and Staff

David Alexander Valencia Co-Founder

David Alexander studied music production with the legendary pioneer of electronic music, Thomas Dolby, in the early '90s. Thomas was a mentor to David and introduced him to the world of Electronic Music technology. David toured as a keyboardist with legends of funk such as the Gap Band and refined his production skills by scoring music for several top video games including Quake II, Quake III Arena, 007 James Bond Tomorrow Never Dies, and O. These scores received major acclaim and were released independently of the games as soundtracks. His music has also appeared in movies, including Rush Hour, Fridays, and K-19 the Widow Maker. David's recent projects include producing remixes for artists such as Prince, U2, Nirvana, Annie Lennox, Justin Timberlake, and Gwen Stefani. His passion is working with DJs and artists in the dance and electronica scene.

Chevy Bhorntus Chief Operations Officer

Education: B.A. Contemporary Writing and Production – Berklee College of Music

Professional Experience: After graduating from Berklee College of Music, Chevy dove into producing and writing under a variety of aliases including Rattle Box, Chemical Hero, Digital Sons, and NARK. In 2012, he co-founded an artist development and licensing company, Red Door Music. His credits include theme songs for Chelsea Lately and The Jenny McCarthy Show, placements on hit shows like CSI, The Hills, and Arrow, advertising campaigns for HBO and Beefeater Gin, and trailer music for major films including The Avengers, Looper, and Selma.

Mesta Bish Director of Education

Faculty Member Since 2016

Education: Associate of Science in Recording Arts from Full Sail University

Professional Experience: Mesta Bish began his audio career as a studio intern and moved to an assistant engineer, strengthening his craft in the studio. An alumnus of Full Sail University, Mesta moved to New York City becoming a founding partner of nVMe Productions. Gaining credits with artists and companies such as Adele, 50 Cent, Peter Bjorn and John, Mick Boogie, Big Sean, Brandy, Adidas, Nike, Sony, Universal, Interscope, NFL, Fox Sports, Travel Channel, Hot97 and more. nVMe released the Kaley Victoria Rose project in 2014, an album pushing the bounds of sound and art. Teaching for over a decade, Mesta travels between recording adventures archiving acoustics of historic buildings by capturing reverbs of abandoned locations using an nVMe designed 3D microphone.

Chase Brawner Studio Coordinator

Education: Certificate in Digital Music Production – Icon Collective

Professional Experience:

Chase began his music career as a touring and studio musician, playing guitar, bass, and piano on recordings for other artists, then joined Icon Collective to learn how to record his own music. He now plays in the Los Angeles-based industrial rock band 3TEETH and scores music for short films, digital comics, and television spots. He has released original music on two labels – Skrillex's Owsla, and Figure's Doom – under his brand, Brawninoff.

Liz Brewer**Marketing Manager**

Education - A.A Marketing - GCC, Diploma, Music Production Program – Icon Collective

Professional Experience: Moving to LA to attend Icon’s music production flagship program, Liz followed it up with numerous industry internships and further education in Communications and Marketing. Education:

New York-born and LA-based, Paul "PJ" Sledge is the mastermind producer behind the moniker Promnite -- a prolific hit maker that's been tearing through the club circuit since 2014. As a founding member of Team Supreme, Athletix and Experimental production duo "Project Paradis" alongside Mr. Carmack, PJ's versatility as a producer shines once taking a dive into his catalog which ranges from Experimental to Pop hits. Having started with two huge releases on fools gold, PJ was about to enter the pop world with acquiring credits on Katy Perry's break out dance song "Swish Swish" and "Believe" by Lil Yachty ft Quavo to name a few. With recent releases on Anjunadeep and Realm records, Promnite continues to grow as an artist pushing the limits of his eclectic sound palette and production prowess.

John Solano

Faculty Member Since 2021

Education: A.A in Music, East Los Angeles Community College, Sibelius Certification- Avid

Professional Experience: John is a pianist, drummer and overall professionally curious about music who is based in Los Angeles. Although he did not know it at the time, his musical journey began at the age of 4, when he recited the melody for "Mary had a little lamb", by ear, on a miniature piano that also functioned as a phone before dialing 911 for no discernable reason. Having rigorously studied harmonic theory and piano technique at East Los Angeles College under the instruction of Dr. Chie Nagatani and Dr. Lucy Nargizyan, he developed a love for guiding other musicians to improve their skill and knowledge in the art. Additionally, he has a background in solo piano performance and accompaniment, as well as a regular church drummer and former fun project as a drummer for Supernova heights.

Jeff Straw

Faculty Member Since 2020

Education: B.A. Public Relations – Chapman University, California

Professional Experience: Jeff is passionate about music, branding, photography, and video, and he loves teaching, consulting, and lecturing. Late in 2017, he founded Jeff Straw Branding, which provides photography, branding, and video services with an emphasis on serving musicians and producers. He is a music business consultant, leveraging his 25+ years in the industry to help artists learn to release and market music, grow their fanbase, and set their career up for success. Jeff has worked professionally in the music business doing licensing, publishing, marketing, distribution, and retail buying for international brands such as INgrooves, Virgin MegaStore, focus@will, and Pyramind. He has taught music business for Berklee College of Music Online, and Pyramind, created courses for Icon Collective, as well as lectured and spoken on panels at Music Expo, Balanced Breakfast, SXSW, WMC, Music Business Night School for NARAS (the Grammys), and NARIP events. Jeff is also a Saxophonist, guitarist, and DJ (all at once) as well as a music producer.

Quentin Thelen

Faculty Member Since 2021

Education: Bachelor of Music, Media Writing & Production - University of Miami's Frost School of Music

Professional Experience: Quentin was born and raised in Los Angeles. He started taking piano lessons from a very young age, but it wasn't until high school that music production became his main focus.

Quentin was greatly infatuated with the Progressive House sound of the early 2010s, and was inspired to start learning synthesis and beginning production techniques. After one of Quentin's tracks had significant success on streaming platforms with no real promotion, Quentin knew he had something worthwhile on his hands. Since then, Quentin has spent his time producing music for various songwriters and pitching songs to various artists and publishing groups. He also does mixing and mastering work for electronic artists, as well as working on his own more modern electronic project "THELEN" in his spare time.

Chaz Treharne

Faculty Member Since 2022

Education: Boardman High School - A Grammy Award Recipient School

Professional Experience: Chaz is an LA based artist, composer, songwriter, and producer. His musical journey began in high school where he studied jazz guitar and served as first chair guitar player in both of the school's ensembles (Jazz 1 and Jazz 2). In 2015, Chaz began releasing music under the moniker Midoca and quickly attracted opportunities to perform live across the US as well as produce and write for other artists, including Chet Porter, Getter, MOTHICA, Crywolf, Hotel Garuda, and many more. Chaz has also composed original music for commercial campaigns, most notably The NBA Playoffs on ESPN, Adidas, and Google.

Aaron Triggs

Faculty Member Since 2021

Professional Experience: Aaron is a Los Angeles-based producer, sound designer, songwriter, and mixing engineer. He has been a musician for more than two decades, picking up his first instrument at 9 years old. While DJing under the alias Bleep Bloop, Aaron has toured extensively across the United States and Canada, with additional tours in New Zealand and Australia. He has played upwards of 400 shows in the last eleven years, selling out many venues across the country as a headline artist. He has collaborated with DJ Shadow and remixed for Alison Wonderland and Melanie Martinez, while placing songs with Sony, Atlantic, and CBS, among others. After a long decade-plus on the road, Aaron is looking forward to slowing down on the travel and doing some teaching.

Preston Walker

Faculty Member Since 2014

Education: B.A. Public Relations – Chapman University, California

Professional Experience: A trained keyboardist, vocalist, and playback engineer, Preston also toured with the Chapman University Choir, traveling to Italy to sing for Pope Benedict XVI in the Sistine Chapel. He is fluent in Ableton, Logic, Pro Tools, Garage Band and Reason. Preston writes and performs live electronic music with his band Virtual Boy and runs a weekly beat-cipher series called Team Supreme. Recently, he went on tour, programming and operating playback equipment for the artist Childish Gambino. He has shared the stage with artists such as MGMT, Deva, Skilled, Bass nectar, The Weekend, and Lupe Fiasco, performing at famed festivals including ACL, SXSW, Songfest, Electric Forest, Camp Biscoe, and Lightning in a Bottle.
