A PLACE FOR YOU

Welcome to Christ the Cornerstone Church (CtC).

Our mission is simple and powerful: “We exist to love God and all people so that the world might experience the life-changing love of Jesus.”

We have a clear strategy to fulfill our mission:

Love – God and all people

Serve – God and everyone by generously using our skills, talents, and resources

Engage – One another so that we mature in our faith and tell others the good news of Jesus

Our weekend worship experiences invite you to hear excellent Bible-based messages that are applied to life’s situations and then to respond to God with faith and actions.

This quarterly catalog provides you with many upcoming opportunities to love, serve, and engage.

WORSHIP

Our season of Lent at CtC was a wonderful time. Ash Wednesday kicked off the season with a reflective and meaningful service where we nailed our sins to the cross, turning our hearts in repentance to the Lord. From there, we celebrated Communion together each weekend remembering our shared life with Christ and each other. During Holy Week, we celebrated Palm Sunday with a baptism, gathered for a feast on Maundy Thursday at the Bear Campus, meditated on the death of Christ on Good Friday at the Elsmere Campus, and ultimately celebrated the victorious resurrected King Jesus on Easter Sunday. For our Sunrise service, John Groth was our guest preacher; he reminded us that until we see Jesus face to face in heaven, we can see Him face to faith here on earth.

This summer, we will continue to grow in our relationship to Christ and each other through weekly worship. These events will also help us grow in fellowship:

Bible Trivia Night—July 10

Three rounds of Bible trivia games and plenty of prizes to go around! All ages and families are invited for this fun evening.

Outdoor Worship Night—Aug. 15, 4-7:30 pm

An outdoor festival of worship and praise. Watch for more exciting details and how you may get involved!

HELP US REMIND PEOPLE we are a PRAYING CHURCH! 

HELPING SERVICE HEALING SERVICE

"By His stripes we are healed."
1 PETER 2:24

Just as New Testament followers of Jesus answered His Great Commission to spread the Gospel and heal the sick, your CtC Prayer Team will be answering His Call at our second CtC Healing Service to be held:

Many attendees, Prayer Team members, and church staff commented that our first Healing Service was beautiful—very uplifting, comforting, and encouraging! Some attendees shared that they felt the Presence of the Holy Spirit as they worshipped, others as they prayed silently, and others as they received prayer at the platform or at a Prayer Station.

Several attendees reported that after prayer, they felt peace concerning issues that had been weighing heavily on their hearts, and at least two reported that God had healed them during the service!

Hallelujah! All glory to God!

CTC KIDS

At CtC Kids, our heart is to partner with families to nurture children toward a growing faith in Jesus. Every Sunday, children experience a safe, joyful, and Christ-centered environment led by volunteers who genuinely love teaching and caring for kids.

1st–6th Grade: Sunday School at the 9 AM Service

Children in 1st through 6th grade begin the morning in the Celebration Room for praise and worship. After worship, our leaders guide them to the CtC Kids classrooms, where they dive into Bible lessons, hands-on activities, and meaningful conversations that help them grow in their walk with Christ. It’s high-energy, fun, and designed to help kids discover that following Jesus is an adventure.

Pre-K & Kindergarten: Children’s Church

Our four and five year olds enjoy Children’s Church during the worship service. In our Pre-K and K classrooms, little ones learn about Jesus through stories, songs, crafts, and play—all with the support of loving, trained leaders who create a warm and welcoming space.

Nursery: Infants & Toddlers

The nursery, located just off the mall area, is available for parents with infants and toddlers. Parents are welcome to care for their little ones in the nursery while watching the service online on the television provided in the nursery, or they may enjoy the service together in the Celebration Room. Either way, families are supported and included.

CTC YOUTH

Summer Fridays Are Almost Here! ☀️

Hey everyone! We've got some fun news to share. Starting June 19th, our youth group (students in grades 7-12) will be meeting every Friday from 9 am to 12 pm — and we've got a great lineup planned each week. We'll kick things off with a relaxed breakfast together, spend some time in meaningful Bible study, and then finish the morning with fun in the pool.

We'll be gathering at Daniel and Crissy Carroll's house each week, and they're excited to host all summer long.

It's going to be a great time to connect, grow, and enjoy the sunshine together. Can't wait to see you there!

Each week includes:

- Biblical teaching and open discussion
- A shared meal
- Games and activities
- Opportunities to connect with peers and leaders
- Special events and service projects

We believe that every student is on a unique spiritual journey. Our goal is to provide a safe and welcoming space where they can ask questions, build relationships, and grow in their walk with Jesus.

Cornerstone Early Education and Youth Center would like to welcome Letitia Kellam and Dae'Ana Pierce- Irvin, to our kitchen staff and Shruti Phansekar, our infant teacher.

My name is Shruti and I find joy in caring for others and in creating a warm, positive environment. I value patience, kindness, and bringing a sense of comfort to those around me.

Working with children is deeply meaningful to me. I enjoy supporting their early growth, comforting them, and celebrating their small milestones each day. Being part of this community strengthens my compassion and sense of purpose. Outside of work, I love baking, practicing yoga, and spending time with my family. I am grateful to contribute, learn, and continue growing personally and spiritually here.

Shruti Phansekar

Letitia Kellam

Hi, I'm Letitia Kellam, a cook at Cornerstone for 4 months. I take pride in preparing nutritious meals for the kids each day and have 5 years of experience cooking in school districts.

The kitchen keeps me busy and challenged, which I enjoy. I make sure everything is done right and on time, and value being part of a supportive team. One of my favorite parts of the job is delivering food to each class. The kids greet me with hugs and smiles and call out, "Here comes Ms. Letitia." Outside of work, I also cook and sell dinners in my community.

I'm proud to be at Cornerstone and excited to keep growing, learning, and making a positive impact.

My name is Dae'Ana, but I go by Dae. I am excited to be working here at Cornerstone and will bring my experience in understanding state food and allergy regulations to support children's nutrition. My knowledge in this area will help ensure compliance and safety. I am eager to offer my ideas for the menu and demonstrate kindness and efficiency as I contribute to Cornerstone's mission. On weekends, I enjoy driving trips, thrifting, cleaning, and cheeseburgers.

ADULT COMMUNITY CENTER

Cornerstone Adult Community Center is a 50 plus community within Christ the Cornerstone Church that provides older adults with socialization, support, fellowship, eldercare education and life enriching services.

A Place to Gather and Grow

When I stepped into this role, it became more than I expected. The journey of building and growing the center has also been a season of growth for me- learning, stretching, and strengthening my faith and trust in God. The center is meaningful, and as it continues to take shape, I trust God with what is ahead.

As a ministry of Christ the Cornerstone, the Adult Community Center (CACC) is designed to be a welcoming space for connection, engagement, and community. While many have enjoyed coming together through our trips, the center is also becoming a place where people can gather, build relationships, and stay connected through activities within the center itself.

We believe in the potential of the center, and it grows stronger with each person who participates and invites others. As part of the Christ the Cornerstone community, your presence truly makes a meaningful difference.

We invite you to be part of what is taking shape- a place where community is built, shared, and experienced together. Come join us.

~ Candace Smith (Candy)

Candy (center) Director - My focus is building the center into a place where people look forward to coming in, connecting, and spending time together. I believe in the center's purpose to serve and engage people, and I am committed to its growth.

CACC Team

Ronetta (left) Administrative Assistant- I am an energetic and personable individual with a nurturing spirit, who enjoys uplifting others and creating a positive environment. I enjoy working at CACC because I value building meaningful connections with our clients and making a positive difference in their lives.

Jeanna (right) Support Staff- I started as the driver and now I work internally as part of the team. I enjoy helping with trips and activities and organizing the center's spaces. Each day, I look forward to connecting with our members and welcoming new ones.

SUPPORT GROUPS

RSD/CRPS & CHRONIC PAIN

Our Chronic Pain Support Group is open to anyone experiencing ongoing chronic pain. This group also offers support for parents and caregivers, helping them better understand and affirm the reality of their loved one's pain while finding encouragement for their own journey.

We understand that every person's pain is unique. No one feels pain the same way, and it can be difficult for others to fully understand what someone is going through. That's why this group creates a safe, compassionate space where individuals can share openly, listen, and learn from others who are at different stages of their journey. We aim to help individuals move toward a place where their pain becomes more manageable—and to remind everyone that they are not alone.

PARTNERSHIP

WHAT'S THE DIFFERENCE BETWEEN A REGULAR ATTENDER AND A MINISTRY PARTNER—AND WHY DOES IT MATTER?

Jesus called us to more than just faith in him. He called us to partner with him. All of us who respond to Jesus with a “Yes! I will follow you!” commit to live our lives as Jesus teaches us. At Christ the Cornerstone, church members are called “Ministry Partners.”

CtC partners **Love** God with all our heart, soul, mind, and strength. We use our spiritual gifts, talents, abilities, and resources to **Serve** God and others in Jesus’ name. We **Engage** each other to learn, to pray, to worship, and to grow. And we Engage our neighbors with the good news that comes through faith in Jesus.

Why should you become a Ministry Partner?

- Because “a three-braided cord cannot be easily broken.”
- You commit to share your time, abilities, and resources to accomplish the mission of CtC.
- We know we can count on you.

Is God calling you to partner with us at CtC?

To learn more, attend a Newcomers Lunch then follow-up by attending a 6-hour Ministry Partner’s course. You’ll be inspired and challenged with CtC’s core ministries, values, and strategies for sharing the love of God to everyone.

JOIN US IN MAKING A DIFFERENCE

When we come together in faith and purpose, our impact multiplies. Each gift, each effort, and each prayer helps us move forward—shaping a stronger church and a brighter future for generations to come.

When you give, you're not just making a donation. You're partnering with Christ the Cornerstone Church as we:

- Support missions both locally and around the world
- Serve our community in practical ways
- Share the message and love of Jesus Christ

Your generosity helps us support vital ministries and partners, including:

- Sunday Breakfast Mission — providing meals, shelter, and hope to those in need
- Local Troop 902 — investing in the character and leadership development of local youth
- Delaware Strong Families — strengthening families and communities through support services
- Emmanuel Ikeocha/Theodoxia - former CtC student and European missionary

Thank you for being part of this mission. Together, we're changing lives! 23
