Hello Friends of the Bonnyville Oil and Gas Show (BOAGS),

The Bonnyville and District Chamber of Commerce has been busy preparing for the 2023 BOAGS, taking place on June 21 and 22.

This is an extremely important year for the Lakeland and the future of our oil and gas industry, it is more important now than ever that we showcase our support for the Alberta oil industry and its future. This event will showcase producers and contractors that have continued to operate successfully throughout a challenging climate, and are dedicated to working towards the continued success of one of Canada's most prominent resources.

You can join us in our commitment to making the future of our oil and gas industry a priority by sponsoring this imperative event. Your sponsorship will help showcase the Lakeland region as a leader in the industry. With hundreds of vendors registering for the event, and thousands of participants, we will stand together to highlight our economic future.

We hope you consider the attached sponsorships and we look forward to this amazing event.
