ITEM 1 OF 11

Amazon Package Drop Box

- Gives delivery drivers a secure place to leave packages.
- Combination lock helps discourage porch theft and casual access.
- Best positioned in a visible, well-lit area near the front entry.

ROSO TIP Plan a level pad or concealed anchoring point during porch construction.

ITEM 2 OF 11

Adjustable Drawer Dividers

- Turns wide kitchen, bath or office drawers into organized storage.
- Expandable design can be repositioned as storage needs change.
- A simple finishing touch for move-in day or a client welcome package.

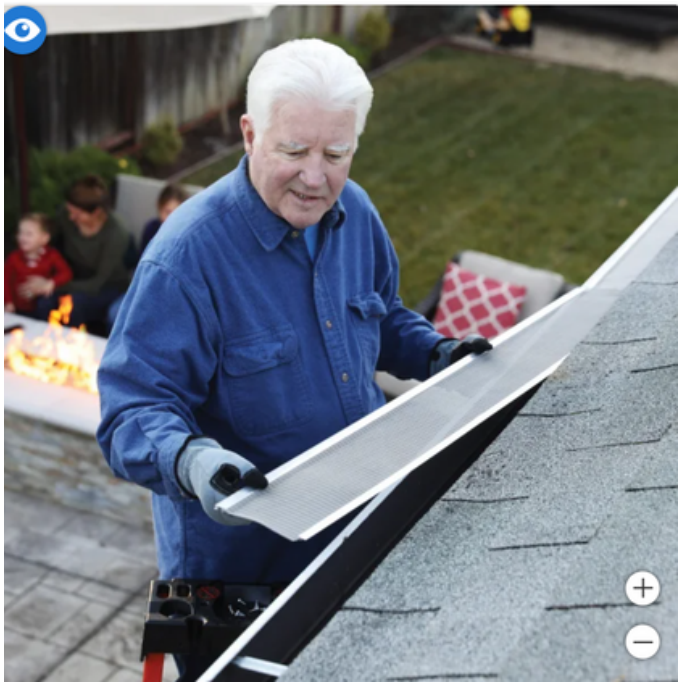

ROSO TIP Measure the clear drawer depth and height before ordering.

ITEM 3 OF 11

EasyOn Gutter Guards

- Helps keep leaves and larger debris from clogging gutters.
- Can reduce routine gutter cleaning on tree-heavy lots.
- Useful around valleys and roof areas that collect debris quickly.

ROSO TIP Confirm compatibility with the roof edge, gutter profile and shingle warranty.

ITEM 4 OF 11

Flush-Mount Exterior Hose Bib

- Creates a cleaner exterior appearance than a projecting hose faucet.
- Quick-connect design makes attaching and removing a hose convenient.
- The covered inlet sits nearly flush when the hose is disconnected.

ROSO TIP Coordinate freeze protection, backflow protection and wall depth with the plumber.

ITEM 5 OF 11

EZ Dryer Vent Connection

- Makes the dryer connection easier in tight laundry spaces.
- Helps avoid crushed or sharply kinked transition duct behind the dryer.
- Can simplify pulling the dryer out for cleaning and service.

ROSO TIP Keep the exhaust route short and follow the dryer manufacturer and local code requirements.

ITEM 6 OF 11

Second-Story Fire Escape Ladder

- Provides an emergency exit option from an upper-floor bedroom window.
- Stores compactly in a closet or beneath a bed.
- A practical safety addition for two-story family homes.

ROSO TIP Verify ladder length, window opening, sill strength and a clear landing area; review the escape plan with occupants.

ITEM 7 OF 11

LED Outlet Cover Night Light

- Adds low-level nighttime illumination without occupying a receptacle.
- Works well in hallways, bathrooms, stairs and guest suites.
- Automatic light sensing can turn the light on only when the room is dark.

ROSO TIP Confirm the cover is compatible with the receptacle style and box conditions.

ITEM 8 OF 11

Retractable Garden Hose Reel

- Keeps the hose neat, protected and off the ground.
- A swivel wall mount makes it easier to reach different parts of the yard.
- Automatic rewind reduces tangles and cleanup time.

ROSO TIP Provide solid wall blocking and locate the reel near a convenient hose bib.

ITEM 9 OF 11

Smart Motorized Window Blind

- Allows remote or scheduled control of privacy and daylight.
- Helpful for tall windows, bedrooms and hard-to-reach locations.
- Can support smart-home scenes such as morning, movie and away modes.

ROSO TIP Confirm the exact window measurements, mounting depth, power method and control ecosystem.

ITEM 10 OF 11

Keyless Electronic Deadbolt

- Lets family members enter without carrying a physical key.
- Temporary or separate access codes can simplify guest and trade access.
- A clean upgrade for the front, garage-entry or side door.

ROSO TIP	Match the finish to the selected door hardware and confirm door preparation before installation.

ITEM 11 OF 11

Color-Changing Smart Light Bulbs

- Adds app, voice and scheduling control without replacing the fixture.
- Adjustable color and brightness can change a room from task lighting to entertaining.
- An easy smart-home starter upgrade for lamps and compatible fixtures.

ROSO TIP	Check fixture type, bulb base, dimmer compatibility and whether a hub is required.
