

Community Access Program

from the heart...

Supporting people with disability in
Alice Springs for over **40 years**

Casa Services is **100% local**

Your connection with the community is vital for quality of life. At Casa Services, **we support you to get out** and enjoy your community.

We strive to **match your interests to activities**, whether it's a trip to the cinema or café, playing sport, joining a club, volunteering or something else. **It's up to you!**

The **Community Access Program** will:

- **Reduce feelings of isolation, boost confidence, create a greater sense of belonging.**
- **Improve your skill development to help your future employment prospects.**
- **Help people live more independently.**
- **Foster people with disabilities to be integrated members of their communities.**

We aim to find you a disability support worker who shares your interests, to help you achieve your goals, participate in your community, increase your independence and confidence, and make friends.

We have registered nurses on staff and an Aboriginal Liaison Officer to aid in providing culturally relevant care.
