The 24th Annual Herd Builder Braunvieh Female Sale

Saturday, November 7, 2026 • 1 p.m.
3 Cedars Event Center
Nevada, Missouri

THE 24th ANNUAL HERD BUILDER BRAUNVIEH FEMALE SALE

To our Cattlemen Friends and Braunvieh Enthusiasts,

Each year the Braunvieh breed gains more exposure in the cattle industry. And this year the breed has made strides to improve our genetic evaluations, our breed records and customer service while maintaining the innate functionality of Braunvieh.

Braunvieh has much to offer the cattleman like mothering ability, carcass quality, good temperament, and sound structure. If you already have Braunvieh cattle, we think you'll be pleased with the quality offered in this sale. If you're studying the breed and how it could fit in your operation, come to the sale, evaluate the cattle, and make your decision about what the breed can do for you.

The quality of the cattle in this sale will certainly make it worth your time to examine them online or in person, and then put your bids in on sale day.

- Cattle will be displayed in outdoor pens prior to the sale.
- Cattle will be on display starting Friday afternoon. This will be a good time to get in the pens and evaluate the offering before the sale day crowd arrives.
- You can bid online through pfeiferbrothersauction.com.
- You can join our conference call to bid over the phone.
- Contact any of the consignors for assistance with buying.

The founders of the Herd Builder sale set a quality standard to bring you superior Braunvieh females. When building a cow herd, few traits are more important than efficiency, fertility, and mothering ability. The Braunvieh momma cow excels at each of these traits, and you will find excellent examples in this offering.

Join us Nov. 7th for a complimentary pre-sale lunch prior to the auction. We look forward to sharing a conversation about our cattle with you.

Thank You,
The Braunvieh Herd Builder Consignors

Saturday,
Nov. 7th, 2026
1 p.m.

3 Cedars Event Center
Nevada, Missouri
The facility is located approx. 10 miles southeast of Nevada MO. Please visit their website for more detailed directions

https://www.gobblersroostrest.com/

GPS address for the sale:
24327 E. Old Town Road
Nevada, MO 64772

There are Braunvieh bulls at the Green Springs Bull Test down the road from the Event Center. We invite you visit the facility to view and evaluate these bulls.

The cattle will be on display at the sale facility Friday, November 6th. Come early, look through the cattle and enjoy a visit with us about our programs.

If you would like to eat at Gobbler's Roost restaurant (at the sale site) Friday evening before the sale or Saturday evening after the sale, call now (417) 448-4853 for a reservation as they will sell out early. See their website www.gobblersroostrest.com for the menu.

Braunvieh EPDs: The BAA transitioned to IGS EPDs several years ago. With over 19 million animals of multiple breeds, this is a stronger genetic evaluation than any one breed could do alone. By switching to the multi-breed genetic evaluation with IGS, the baseline for BAA EPDs shifted to coincide with the other cattle in the database. To better understand the baseline, we have included percentile rank on animal's EPDs. EPDs in this catalog were current Oct. 3, but with weekly calculations, may adjust by sale day. View current EPDs in the BAA database: braunvieh.digitalbeef.com

- SW Robin 2563 is a high percentage Beef Builder at 79.2%. She is a yearling heifer that is homoblack and polled. She offers an eye-catching appeal with great structure and soundness. Her WW and YW EPDs show she is in the top 1/3 of the breed. Her sire's line is built for longevity — he remains in production at 11 years of age, proving the durability behind this female. This heifer should make a great replacement heifer prospect.

- Check out the pedigree on this heifer. Toronto, Montoya, and 317 all known for making females. Toronto was show sire of the year for 2024 and 2025. Montoya is the best bull ever tested at N7R ranch. 317 daughters have been a staple of Brinks program. 2526 is a complete genetic package. Homozygous polled, top 20% WW and YW, top 10% TI EPD and top 4% for marbling. Balanced and feminine with good angles and feet. Her dam has an exceptional udder and I expect 2526 will as well.

- This is a deep bodied big hipped bred heifer with good feet and legs while also offering sought after hybrid vigor and a sound udder. Sired by BLC Onward Ladd, this bull has impressed us with his calving ease and ability to grow calves which have been influential both in our cattle herd and in the feedlot where they finish easy with quality carcasses. Her dam consistently produces quality females.
- AI'd to FIELDSTONE WONDER BAR ET (CA12069) on 6/11/26. PE 6/26/26 to 9/8/26 tO ECL MR COGNAC N790 (PB112353).

- This MQL Jerimiah daughter checks many boxes when looking for replacement females. This deep sided, thick rumped, big hipped heifer comes on a good running gear and sound udder. Excellent pedigree with DRR OZ-MAN S144, DRR WIZZARD OF OZ U570, and a Fieldstone Granddam. This heifer's progeny will influence your herd. The sellers would like to retain the right to flush this heifer one time at the seller's cost and the buyer's convenience.
