

We have a committed and qualified staff

that is available at all times to provide compassion, support, and guidance. Our staff will work to provide an experience that reflects your loved one's life and how you want them to be remembered.

We offer arrangements at our office or for those that are more comfortable, we can also come to your home. For out-of-town families or those who are not comfortable meeting in person, we also ofter electronic arrangements. Our staff takes care of notifying social security, assisting with life insurance or any other benefits and applying for veteran's benefits if applicable.

We specialize in providing customized options which include personalized video tributes, customized music, displaying personal belongings and unique giveaways for those attending services.

We also can arrange for services to be live streamed, coordinate butterfly releases, candle lighting ceremonies or anything else families would like. Our funeral home staff strives to achieve a personal connection with every family. Once your service is over, we are still here for you.

We are here at your time of need to see that your wishes are honored and your unique story is told.

Where we celebrate every life as unique as the life lived

The Cantelmi Family continues a tradition of personal care by investing back into the community. We are proud to offer a state-of-the-art crematory & cremation facility located at our funeral home in Bethlehem, Pennsylvania.

The Cantelmi Long Funeral Homes are family-owned and operated funeral homes that serve the families of the Bethlehem, Allentown, Fountain Hill and all other Lehigh Valley communities.
