LIMITED CREMATION PACKAGE

At Kramer-Morris Funeral Home, we understand the value in offering a variety of services and merchandise to facilitate the needs of all our families. It's important for us to assist in a beautiful service for your loved one. We have several resources such as continuing care, monument specialists, preneed coordinators, outsourced grief counseling, and licensed funeral directors who will take the time to walk you through the process step by step.

We are a local funeral home with local staff in your community who care for your loved one. We are in the community and provide resources to our local schools, churches, and organizations. We have contact information for cemeteries, churches, food vendors, florists, and others to assist in entities to notify when death occurs or planning a celebration of life or gathering of family and friends at the funeral home or another location.

***Limited Cremation Package**
