## Manager's Message

Dear Members,

What a summer it has been! I know that the construction around the Club has been a bit of a distraction, but it has also been exciting to see things come together! I am looking forward to the grand opening of our new patio, our renovated bar & grille and our refreshed event spaces. We hope to have the majority of the projects completed in September and am looking forward to a fun-filled fall season here at the Club with our Members enjoying the Club and its new amenities!

We have also continued working to improve the course this summer. From bunker improvements (clearing drainage, installing liners and adding sand) to other projects aimed at improving our turf and overall playability, we are poised to have a GREAT fall golf season!

There is no better time to be involved with the Club! Help us keep the improvements going by inviting someone you know to enjoy the benefits of Membership and all that is happening here at SSHCC!

See you at the Club,  
Stephen Morris, General Manager

## Golf Course Maintenance Update

Our Maintenance Team has been busy keeping the course in great shape while also tackling a few important improvement projects.

### **Weed & Turf Care**

We're working to reduce weeds and ant hills across the course. Several spray applications are needed to get lasting results, so you may notice some temporary yellowing in the Bermuda grass. Don't worry, the grass will bounce back stronger, leaving us with cleaner, healthier turf.

### **Bunker Projects**

We've started improving bunkers by updating drainage systems, replacing sand, and adding liners to help the sand last longer and play more consistently. While these bunkers are under construction, they will be marked as Ground Under Repair.

### **Key Dates**

- Pre-Emergent Spray: October 6-9
- Driving Range Overseeding: October 27  
(Range mats will be used for about 4-6 weeks afterward.)

Thank you for your patience as we continue these projects to make the course better for everyone!

Thank You

Cody Skarpa, Golf Course Superintendent
