CLUB NEWS

Manager's Message

Dear Members,

After another summer here at the Club filled with the sound (and mess!) of construction, I am happy to see our improvement projects nearing completion! We expect to be playing pickleball in mid-September, and we will be enjoying our fully renovated Locker rooms by the time you read this. With many positive comments already received, I look forward to seeing how much our Members enjoy the elevated spaces and our newest amenity.

We have planned a Grand Opening/Open House for our pickleball courts and renovated spaces to coincide with National Night Out on Tuesday, October 6th, please make plans to join us for a fun night at the Club. It is a great night to introduce a friend to the Club, we are inviting our closest neighbors to see how our Club has changed and will have some special Membership offers too!

We have also continued to make improvements to the course this summer with a focus on turf health and reducing weed pressure. We are also working on two areas to improve turf coverage, right of South 2 green and on the right side of Harbour 8. In both areas we had the trees lifted and aggressively thinned, roots ground, topsoil added and we will sod them in the first week of September. We hope to see both of these areas with significantly improved coverage going into our prime fall golf season. Of course, these areas will be considered ground under repair, we ask you to please avoid them, allowing the grass to take.

I hope you are as excited as I am to be part of the Club and to see the direction we are heading.

See you at the Club,

Stephen Morris, General Manager

GOLF NEWS

A Message From The Pros

When the summer heat begins to fade, our golf calendar is just heating up! As we move into the fall months, we're excited to keep the momentum going with a full calendar of events designed to keep everyone engaged, active, and enjoying the game of golf.

November 7th is our very popular Day/Night 4-Person Scramble. We'll have a late afternoon shotgun start for 9 holes, eat a great dinner, and then play 9 holes at night! Members can sign up in the Pro Shop starting in October.

The Superintendent's Revenge will be held on December 6th. This fun, but difficult event will test your patience! This 9-hole scramble event will shotgun off at 1:00PM. Sign-ups will be in the Pro Shop starting in November.

Both MGA and LGA events are held monthly, participating is a great way to meet other Members! To become a member of the MGA, please call the Pro Shop and we can walk you through the process. To become an LGA member, please contact Sandi Dull by email at sandra.dull@icloud.com

The Couples Twilight series will be winding down in September with the last event on September 25th. The Wednesday Night Scramble will host the last event on October 14th.

Whether you're looking to test your game or simply enjoy a fun round with friends, we encourage you to join us. Your enthusiasm and participation help make our events successful and create the welcoming atmosphere that makes our Club special.

We look forward to seeing you on the first tee!

Fairways and Greens,

Kyle and Jeff

GOLF NEWS

Golf Course Maintenance Update

What a summer it has been! From nearly 30 inches of rain to drought conditions, through it all, the GCM team has worked hard to keep the course looking its best. In addition to our daily course maintenance, we have been able to tackle several improvement projects on course.

Weed Control & Turf Improvement

A major focus has been reducing weed pressure across the course. We have completed several applications that have been effective, but because this weed pressure has been established in the soil for years, it takes multiple treatments to significantly reduce and ultimately control it. One temporary side effect of this process has been some yellowing of the desirable Bermuda grass. While it may not look its best during the treatment process, the Bermuda will recover. The end result will be cleaner, healthier turf with significantly less weed pressure.

We have also been working to reduce St. Augustine grass throughout the golf course. By using selective herbicides that target it while allowing Bermuda to tolerate the treatment, we weaken the St. Augustine giving the Bermuda an opportunity to take over these areas.

Other Course Improvement Projects

We recently inspected all bridges, replacing more than 100 boards and securing loose or warped boards with more than 3,000 timber nails. These repairs will help improve the safety, appearance, and longevity of our bridges.

The bunkers worked on last year have continued to perform extremely well, particularly when it comes to drainage and maintaining their overall condition. We will continue addressing additional bunkers and drainage issues as the grass growth slows, allowing more time for these projects.

Important Maintenance Dates

October 5-7 | Wall-to-Wall Pre-Emergent Application

We will be applying our fall pre-emergent treatment across the golf course to help control and prevent weeds throughout the upcoming season.

October 26 | Driving Range Tee Overseeding

The driving range tee will be overseeded on October 26. Following the overseeding, we will utilize mats for approximately 4-6 weeks while the new grass establishes.

Thank you for your patience and support as our team works to improve the golf course. We appreciate your understanding when maintenance projects temporarily affect an area of the course, we hope you continue to enjoy seeing the improvements made!

Thank You

Cody Skarpa, Golf Course Superintendent
