Manager's Message

Dear Members,

What a year 2025 has been! An exciting year with all of the construction and improvement projects at the Club! From the greens irrigation project to the bunker improvements and the hard work of our GCM team, the course has never looked or played better... and the new patio and renovations to our Member dining and event spaces has truly transformed our Club! It has been great to see our Members and guests enjoy the new spaces and improvements made on course, I can't wait to announce the next phase of improvements that I have been working on!

A thank you to those Members who stepped up this past year to take advantage of the Life and Legacy Membership offer, your investment was a big part of making these Capital Improvements possible! There are still a few of these limited Memberships available, they will both save you money as well as help fund continued improvements here at the Club! Please contact me if you are interested or would like more information.

A big THANK YOU from the staff for your generous support of the Holiday Fund, it is truly appreciated.

In closing, a personal thank you from myself to all of our Members for the patronage and support you have shown the Club and staff throughout the year/s. I can't express how rewarding it has been to watch the Club flourish with your support. Without you, our Members, nothing is possible!

I and the entire staff wish you and yours the best this Holiday season. We look forward to serving you in the coming year!

See you at the Club,

Stephen Morris, General Manager

GOLF NEWS

A Message From The Pros

As we move into the winter and holiday season, we want to thank each of you for another wonderful year at the Club. The cooler months bring a quieter but special time on the course....crisp mornings, peaceful fairways, and a chance to enjoy the game in a different light.

The Grounds Maintenance will be busy keeping the course in great shape and preparing for the year ahead. We also look forward to celebrating the holidays with you through our upcoming events and gatherings.

We appreciate your continued support and wish you and your families a joyful, healthy, and relaxing holiday season.

Fairways and Greens,

Kyle and Jeff

Golf Course Maintenance Update

As the turf slows down for the season, our maintenance team is shifting focus to key projects around the course. Over the next few months, we'll be cleaning up around trees, signs, and beds; edging sprinklers and yardage plates; and then moving on to trimming trees, repairing cart paths, and removing dead trees. We'll also continue addressing irrigation leaks, improving drainage, and auditing irrigation heads to promote healthier turf with fewer wet spots.

We've started applying our green color program to tees and fairways to keep them looking vibrant and protected through winter.

Thank you for your continued support of our golf course maintenance team. We wish everyone a happy, healthy holiday season and a fantastic new year!

Thank You

Cody Skarpa, Golf Course Superintendent
