All Members have a duty to know the Rules and to cooperate with management and staff in the enforcement of these Rules.

These Rules amend, supersede and replace in their entirety any prior rules and regulations of the Club, and may be modified or amended from time to time by South Shore Harbour Country Club or its designee/assignee (collectively, “Operator”).

ARTICLE I. GENERAL CLUB RULES

Section 1. Hours/Days of Operation. The Club’s hours and days of operation will be established and published by the Club. The Operator reserves the right to modify the hours and days of operation as Operator deems necessary from time to time. Section 3. Dress Code. It is expected that Members will dress in a fashion befitting the surroundings and atmosphere provided in the setting of the Club and will advise their guests accordingly. Management reserves the right to make changes to the dress code from time to time. Exceptions may also be made for certain special events. Collared shirts are recommended for gentlemen of all ages at all times. Dress denim is permissible in the clubhouse. Shoes must be worn in the clubhouse at all times. The following attire is not acceptable in the clubhouse:

Section 4. Guest Privileges. All Members are entitled to limited guest privileges subject to any applicable guest fees and any additional guest policies established from time to time by Operator. A specific guest may not use the Club’s facilities more than two (2) times per month regardless of the member sponsor, with such limitations being subject to change from time to time by the Club in its sole discretion. Guests must be registered for all activities other than use of the Club’s dining facilities. As a general rule, guests

Section 26. Supervision of Play. Club staff, acting under the supervision of the General Manager, will have the responsibility for supervision and control of all matters relating to play on the golf course and other Club facilities. Responsibility for such supervision may be delegated to pros, starters, marshals, assistant managers or other individuals designated by the General Manager.

Section 27. Personal Instruction. Instruction in golf, tennis and swimming may be offered under the supervision of Club staff. Members may not authorize anyone other than persons provided or expressly authorized by the Club to train, teach or give golf, tennis or swimming lessons, to provide aerobic, personal training or martial arts instruction, or to provide golf club fitting. Charges will not be assessed if a scheduled lesson is canceled 24 hours or more in advance. The General Manager of the Club, as representative of the Operator, shall have the sole right to appoint the members of a Board of Governors, or set forth a method or methods for the

election of the Board of Governors in the Rules and Regulations. The Rules and Regulations may also provide for the number of persons who sit on the Board of Governors, the length of service, the formation of committees, and other matters affecting the composition and operation of the Board of Governors.

ARTICLE III. INFRACTIONS AND DISCIPLINE

Section 1. Infractions. Any Member who violates any of the conditions set forth in the Membership Bylaws or these Rules and Regulations may be subject to disciplinary action that may include written and verbal warning/reprimand, a fine, a suspension of membership privileges or expulsion from membership.

Section 2. Discipline. Any matters (except nonpayment of a Member's account) which may involve fine, suspension of membership privileges or expulsion from the Club may be referred to the Grievance Committee or handled by Operator pursuant to the procedures set forth in the Membership Bylaws.

Section 3. Fines. Repeated violations of the Club's rules may incur a fine as follows:

1st offense- \$75, 2nd offense- \$150, 3rd offense- disciplinary action including suspension or expulsion (Please note that Fines are meant to penalize and bring a stop to the behavior and are not meant to "license" or otherwise authorize continued violations.)

ARTICLE IV. GOLF COURSE RULES

In setting these rules for use of the golf course, the Club's goal is to promote maximum enjoyment of the golf course and grounds for all Members. The Club reserves the right to establish, from time to time, additional rules and policies governing access to the golf facilities. The Club expects all golfers to be thoughtful, respectful and considerate of fellow golfers.

Section 1. Rules and Etiquette of Play. Members are required to familiarize themselves, their family and their guests with the rules and etiquette of golf, as outlined in the United States Golf Association handbook, which applies at all times except when in conflict with any local rules or these Rules. The USGA handbook is available for review in the pro shop. Excessive noise, golf club throwing, damaging the golf course and profanity are not permitted.

Section 2. Dress Code. At all times on the golf course and practice areas:

- Men: Collared golf shirt (tucked in unless designed untucked- *shirts that fall below the shorts pockets must be tucked in), golf shorts/slacks. No jeans, gym/athletic wear, t-shirts or swimwear. Hats must be worn bill-forward. Golf or athletic shoes only.
- Women: Golf shirt (collared or can be collarless with sleeves) golf shorts, skorts, slacks. No short shorts or skirts, yoga/exercise gear, or revealing tops. Golf or athletic shoes only.
- Children (12 & under): Conventional golf attire as above recommended.

If you are in doubt concerning your attire, please check with the pro shop.

Section 3. Golf Shoes. To maximize the playing condition of our golf course and practice areas, all players must wear nonpenetrating, spikeless or soft spike shoes subject to approval by the pro shop. Players assume the risk of injury associated with utilizing spikeless shoes under all conditions. To minimize the risk of slipping or falling, be careful when walking in wet conditions or on hills or steep slopes, dead grass, bridges, platforms, steps and railroad ties, or on hard smooth surfaces or in golf carts.

Section 4. Hours. The hours and days of operation of the golf course(s), pro shop and practice range will be set by the Club and posted online and at the pro shop. Hours may need to be adjusted for weather, maintenance and special events. The golfing facilities are closed to the membership on Mondays.

Section 5. Registration. All Members and all guests must register in the pro shop at least ten (10) minutes prior to tee time; or the pro shop may not be able to hold tee times for groups who appear after the registration cutoff time.

Section 6. Starting. All play must start on the designated starting tee, unless directed to start elsewhere by the pro shop or Starter. “Cutting-in” is not permitted at any time. Under no circumstances are players permitted to start play from residences adjacent to or bordering a golf course.

Section 7. Tee Times. Tee times will be required each day the golf course is open for Member play and may be reserved through the golf shop, App or online tee sheet. Members’ ability to reserve a time is dictated by their Membership type. The pro shop will assist singles and twosomes in pairings to arrange a larger group; the Club reserves the right to pair groups together.

Section 8. Cancellation. Please notify the pro shop of the cancellation of a tee time as early as possible. Cancellation should be at least twenty-four (24) hours before the scheduled tee time so that someone else may be able to use the tee time. Failure to timely cancel a tee time may result in a cancellation fee charged to the Member’s account.

Section 9. Playing Schedule. The playing schedule shall be determined by the Club from time to time in its sole discretion.

Section 10. Playing Groups. Members are encouraged to play in foursomes; however, there may be times when groups with less than four players may be filled with twosomes or singles. Single players and twosomes or threesomes may be permitted at the discretion of the pro shop, if such play will not disrupt normal course traffic. Smaller groups should not expect to play through larger groups and should not exert pressure on the groups ahead. Fivesomes are permitted but must maintain the pace of play.

Section 11. Pace of Play. All golfers are asked to maintain a reasonable pace and should play to complete the course within the time limits posted in the pro shop. If your group falls behind by one clear hole, please speed up or let the group behind you play through. All players who stop for any reason after playing nine (9) holes must occupy the next tee before the following players arrive at the tee or they will lose their position on the golf course.

Section 12. Slow Play. Each player should do their part to make a round of golf at the Club a pleasant experience for everyone and slow play hinders that enjoyment. Tips to keep play moving:

- Anticipate the club or clubs you may need and go directly to your ball. Always be near your ball to play promptly when it is your turn.
- Study and clear the line of your putt while others are doing the same.
- Mark your scores on the way to the next tee or while the others in your group are playing from the next tee.
- If possible, repair ball marks and divots while waiting for other players.
- When approaching a green, drive your golf cart to the side or rear of the green on the best direct path to the next tee. Do not leave the golf cart in front of the green where you will have to go back to get it.

Section 13. Rangers/Marshals. Golf rangers or marshals may be on duty to help regulate play and enforce golf cart regulations. They have full authority on the golf course and will enforce all rules and speed of play. Your cooperation is appreciated.

Section 14. Practice. Members are to use the designated areas, driving range and practice putting green for practice. Under no circumstances are the regular tees, greens, or fairways to be used for practice.

Section 15. General. Each player must have his or her own set of golf clubs and bag. Members are reminded that they are not to leave golf bags or personal belongings unattended on Club property. The Club is not responsible for lost, damaged, or stolen property.

Section 16. Children. Children 12 and under must be accompanied by a parent, we strongly encourage caution on course with young children as ball strikes, dangerous wildlife and other safety concerns are a known risk and the Club is not be responsible.

Section 17. Guests. A guest may not use the Club's facilities more than two (2) times per month, regardless of the member sponsor, with such limitations being subject to change by the Club in its sole discretion. All guests must be accompanied by a Member unless approved by the General Manager.

Section 18. Care of Course. To help maintain turf conditions, and as a courtesy to other players, all golfers are responsible for picking up tees, repairing their golf ball marks on the greens, filling divots made in the fairways and carefully raking sand traps after use. For players' convenience, sand bottles or buckets may be provided in the golf carts and at some tees.

Section 19. Driving Range. The hours of the driving range will be posted in the pro shop. The driving range may be closed by the pro shop at any time to permit recovery of range balls or due to inclement weather or poor turf conditions. Range balls are for use on the driving range only and are not permitted on the golf course. Golf carts are not permitted on the tee area. Parking of golf carts is allowed in designated areas only. For safety reasons, range balls must be hit from designated areas only.

Section 20. Lightning. Players are expected to exercise reasonable prudence and common sense when severe weather, e.g., thunder or lightning, is reported or observed in the area and are requested to leave the golf course and seek appropriate shelter. Players expressly assume all risk of injury while on the golf course due to lightning or other adverse weather. Players should not rely on the accuracy, reliability or adequacy of any storm systems implemented by the Club. The Club may suspend or cancel any tournament or scheduled play, if in the sole judgment of its Head Golf Professional or management, weather conditions create a clear and present danger of personal injury or death.

Lightning Safety Tips:

Avoid: Open areas, water, metal wire fences, overhead wires and power lines, isolated trees, elevated ground, maintenance machinery and golf carts (golf carts are NOT lightning proof).

Seek: The Clubhouse, maintenance buildings, automobiles and on-course buildings.

Note: Raising golf clubs or umbrellas above the head increases the risk when lightning is near.

Section 21. Handicaps. Only current handicaps in accordance with USGA rules will be accepted. All scores must be posted in accordance with the USGA system. A Member who plays but fails to post their scores during the posting period or posts inaccurate scores, will be subject to the rules established by the Handicap Committee. Handicap cards and records will be maintained by the pro shop with an approved annual charge for all golfing members.

Section 22. Minor Play. The Club wishes to encourage minor play but reserves the right to establish additional policies relative to minor play as it may deem necessary. Minors are defined as sons or daughters of a Member entitled to membership privileges who meet any imposed age requirements. Minor golfers must play with an adult Member until they are at least twelve (12) years old. Minors are expected to follow

the rules and etiquette of golf and conduct themselves in a respectful, well-behaved manner.

Section 23. Violations. Violation of any golf rule, including continued violation, may result in fines or suspension of golfing privileges.

ARTICLE V. RULES FOR OPERATION OF GOLF CARTS

Section 1. Responsibility for Damage. Members are strictly responsible for their guests, their families and their own safe operation of the golf carts so as not to interfere with fellow players' enjoyment of the game, and at all times guard against injury to persons or damage to property, especially the playing surfaces of the golf course. The Club is not responsible for accidents or damage caused by golf carts. Members are responsible for any damage, including misuse, to their assigned golf cart or a golf cart assigned to their guest(s) and damage to any equipment on the golf carts or damage to Club property caused by themselves, their family or their guest(s) while operating a golf cart.

Section 2. Reckless Driving. Reckless driving or violation of golf course rules may result in forfeiture or suspension of the privilege of golf cart usage and the privilege of playing golf on the course itself.

Section 3. Driving and Operation. Operators must have a valid driver's license. By operating a golf cart, the operator agrees that such operation is at her/her own risk. Operating instructions on each golf cart should be read prior to usage. Golf carts may not be parked on property owned by homeowners. Every effort must be made to avoid bare spots, wet or soft areas, and areas under repair. Never drive through a hazard. The 90* rule applies and should be used at all time when carts are allowed off of the cart paths.

Section 6. Return of Cart. Golf carts must be returned to the staging area and any malfunctions and needed repairs reported immediately to the pro shop. Carts may be used only on the course and practice areas while playing or practicing.

Section 7. Walking. Walking while playing golf may be permitted on the golf course at the Club's discretion and subject to any restrictions imposed by the Club.

Section 8. Private Carts. Use of a registered, inspected and approved private golf cart is allowed as outlined in our Private Cart Use Agreement. Only registered Private Carts with signed agreement, insurance documents and bearing a valid/unexpired decal are allowed on course. All other private carts and other motorized vehicles are not allowed on the golf course, cart paths or other Club property. Operation of private golf carts and other vehicles on public roads and in the Club's parking lot is allowed under the rules and regulations outlined by local authorities.

Section 9. Push/Pull Carts. Use of private push/pull carts is allowed, subject to restrictions as

determined by the Club in its sole and absolute discretion. Applicable fees may apply for the use of push/pull carts on the golf course.

Section 10. Use of Speakers/Music. Use of speakers (Bluetooth or other) is allowed for your personal enjoyment of music but must follow the generally accepted rule of etiquette: Music is fine as long as other groups of golfers cannot hear it, and everyone in your own group consents. The level of sound should be restricted to a level that ensures no other Member is disturbed and with sound traveling no more than 15' from your cart/speaker. Objectionable lyrics or other inappropriate speech/language is prohibited. Management reserves the right to ask a member to turn off his/her device or speaker should it interfere with other members' enjoyment of the course or Club.

ARTICLE VII. RACQUET SPORTS RULES

Section 1. Guests. A specific guest may not use the Club's facilities more than two (2) times per month regardless of the member sponsor, with such limitations being subject to change from time to time by the Club in its sole discretion. Guests must be checked in/registered in the shop and accompanied by a Member. Guest fees may apply.

Section 2. Rules and Etiquette. The rules and etiquette of Pickleball/Tennis of the USA Pickleball/United States Tennis Association apply at all times, except when in conflict with any local rules or with any of these Rules. Members are responsible for familiarizing their family and guests with these rules and USAP/USTA rules, which are available online and in the shop. Courtesy and consideration should be observed at all times. Players and spectators may not walk across or behind a court while a point is being played. Excessive noise, racquet throwing or profanity is not permitted.
