Manager's Message

Dear Members,

What a great start we have had to the year! With spring-like weather only interrupted by a few cold snaps to date, our Members rounds and visits are greatly increased over the same time last year.. and rightly so! The course is in better than ever condition and the upgrades to the Clubhouse and Patio have really improved our Member's Club experience!

It has also been busy around the Club and course with "winter" projects... From a major tree trimming and removal project on course to the addition of a covered pergola with new Member convenience station at the Turn, I am excited to continue the improvements to the Club for our Members and their guests. There is also more to come!

I am looking forward to a busy Spring season with a full calendar of events for our Members. Please take a moment to read through the newsletter to see what all we have planned. From a Rodeo Bus trip to monthly wine/cocktail events... from tournaments to traditional holiday events... we have something for everyone here at the Club!

See you at the Club,

Stephen Morris, General Manager

Message from **Sheri Sanders, Member Services Director**

Spring is upon us, and there's never been a better time to invite friends, neighbors, coworkers and family members to join SSHCC! We are League City's premier Country Club with the best greens and unbeatable value in the area! Membership is much more than just golf, it's a lifestyle!

Thank you again to those who sponsored new Members last year. Our Member Sponsor party was a great time! We are filled with gratitude and can't wait to celebrate our 2026 Member Sponsors at next year's party. Did you miss out on the Member Sponsor party this year? Make sure you sponsor a new Member in 2026 so you can attend next year. Member sponsors may receive Club usage credits as well as an invitation to our Sponsor's Party in January with a chance to win prizes including complimentary dues for a year! This is an annual event you will not want to miss!

GOLF NEWS

A Message From The Pros

Spring has officially arrived, and with it comes a new season of great golf here at the Club. The golf course is coming out of winter nicely, and our maintenance crew has been working hard preparing the course for the months ahead.

As the weather improves, we are excited to roll out our tournament schedule, Operation 36 clinics, Club Fitting days and the Wednesday Night Scramble. Be sure to keep an eye on upcoming communications and the calendar for event details and registration information.

The Golf Shop is fully stocked with NEW merchandise for the season, and our staff is ready to assist with fittings, lessons, and any golf needs you may have. Please don't hesitate to stop by. We're looking forward to another fantastic year of golf with you.

Thank you for your continued support of the Golf Staff. We look forward to seeing you on the course this spring.

Fairways and Greens,

Kyle and Jeff

Golf Course Maintenance Update

Spring is almost here, and your Golf Maintenance Team is gearing up for the growing season.

March is the ideal time for Houstonians to apply a pre-emergent herbicide to their lawns. During March and April, seeds from major weed species such as goosegrass and crabgrass begin to germinate in the soil. By applying a protective barrier to the soil surface, you can significantly reduce weed pressure, saving time and money that would otherwise be spent treating them later in the season.

This year, we took a proactive approach by applying a pre- and post-emergent treatment in January to control existing winter weeds while establishing extended protection. This strategy proved successful, especially with the course going dormant shortly after the freeze, keeping conditions clean and well-maintained.

Our next application is scheduled for April 6th, 7th, and 8th. The team will be applying a pre-emergent fertilizer, Ron-Star, which will continue protecting the course from weeds while promoting spring green-up as temperatures rise. We will follow this with a granular pre-emergent application of FreeHand in collar and clubhouse areas where it is unsafe to treat greens or difficult to access with other equipment.

On April 27th, 28th, and 29th, we will begin aerifying the greens. We will aerify nine holes per day to ensure that 18 holes remain open for play. This first aerification will utilize small 3/8" hollow tines, which should allow for a quick recovery, weather permitting.

In May, we will focus on strengthening any weak turf areas on our greens, tees, and collars. This process will include removing damaged turf, leveling the underlying soil, and re-sodding the most affected areas. Other areas will be improved through aerification along with sand and fertilizer applications to encourage healthy growth.

We appreciate your continued support and patience as we work to provide the best possible playing conditions. Have a wonderful spring, and we look forward to seeing you at the Club.

Thank You

Cody Skarpa, Golf Course Superintendent
