EVENT PARKING AND WINTER STORAGE DIRECTIONS

GATE 8 | STORAGE ENTRY

Enter through Gate 8 and follow the marked northbound driveway in the parking lot. Follow staff directions to the measurement station before entering the storage drop-off area.

BLUE | MEASURE, THEN DROP

Follow the marked northbound lot driveway. Stop at Measure for a numbered ticket, then follow a marshal to an assigned space in the northern storage drop-off area.

DRAFT BARN | OFFICE

After staff release the driver from the drop-off bay, use designated temporary tow-vehicle parking and a protected walk to the Draft Barn. Complete paperwork and pay there.

ORANGE | GATE 7 EXIT

After payment, follow the designated return aisle to Gate 7. Keep this exit flow separate from the northbound queue and market arrivals.

GREEN | MARKET PARKING

Market customers enter at Gate 1 at Broad Street and Fair Avenue. Park in the southern main-lot rows and exit through Gate 7 onto Columbus Street. Keep storage driveways and exit aisles clear.
