

Holy Saturday Church Cleaning

March 30

9:00am - 11:30am

You are invited to join members of our Altar & Flower Committees while we prepare our magnificent church for the celebration of Easter! Come for as long as you can, even for a “holy hour” of service to our Lord. The work will include: washing the marble altar, arches, and the Communion rails; dusting and washing woodwork; cleaning the devotional areas and the choir lofts; and vacuuming and sweeping the floors. We have lots of cleaning supplies available, but it always helps to bring buckets, brooms, cleaning cloths and gloves. Easter lilies will be delivered at 9:00 in the Chapman Street parking lot and will need to be carried into the church! All parishioners are welcome to help. If you have questions, please email Kelly Kovacs at kellylkovacs@gmail.com or call Darlene Boan at 336-209-8818. This is a great way to serve our parish, to meet other parishioners, and most importantly, to prepare ourselves to celebrate the Resurrection of Our Lord!
