1. Introduction and Aims

**“Worship is concerned with reverence or veneration paid to a divine being or power.”
(Circular 1/94)**

Collective worship at St Aidan's provides opportunities for pupils and staff to come together to worship God. It is rooted in the example and teachings of Jesus Christ whilst taking into account the religious and educational needs of all who share in it. Collective Worship is an educational experience or a reflection to which all can contribute and from which all can gain.

- Those who form part of the worshipping community in church,
- Those for whom school may be their first and only experience of church
- Those from other Christian traditions
- Those from other faith backgrounds.

2. Mission Statement

As stated in our school's Mission Statement, our 3 aims are to-

- ~ Have a sense of responsibility and take an active part in serving our world;
- ~ Have a growing understanding of Gospel Values and gather together in prayer and Worship;
- ~ Have a passion for learning and an enjoyment for discovery

“Hand in Hand,

In the image of Jesus,

We grow together and celebrate who we are.”

The staff of St. Aidan's Catholic Primary School will work to give each child the entitlement of a broad, balanced, differentiated curriculum (irrespective of ability) encouraging in every individual a sense of self-worth and self-esteem. All teaching and learning is underpinned by the school mission statement.

A special Mass is celebrated at the end of the academic year, which recalls the children's journey through our school and points them towards their future lives in Secondary School.

7. The role of the Governors

Our governors determine, support, monitor and review the school's approach to teaching and learning. In particular they:

- Support the use of appropriate teaching strategies by allocating resources effectively;
- Ensure that the school buildings and premises are used optimally to support teaching and learning;
- Check teaching methods in the light of health and safety regulations;
- Seek to ensure that our staff development and our performance management both promote good quality teaching;
- Monitor the effectiveness of the school's teaching and learning approaches through the school's self-review processes, which include reports from subject leaders and the termly Headteacher's report to governors.

8. The role of Parents

We believe that parents have a fundamental role to play in helping children to learn. Every effort is made to inform parents about what and how their children are learning by:

- Holding parents' evenings to explain pupil progress.
- Sending information to parents, at the start of each term, which outlines the topics that the children will be studying during that term at school;
- Sending parents regular reports in which we explain the progress made by each child, and indicate how the child can improve further;
- Explaining to parents how they can support their children with homework, and suggesting, for example, regular shared reading with very young children, and support for older children with their projects and investigative work.

We believe that parents have the responsibility to support their children and the school in implementing school policies. We would therefore like parents to:

- Ensure that their child has the best attendance record possible;
- Ensure that their child is equipped for school with the correct uniform and PE kit;
- Do their best to keep their child healthy and fit to attend school;
- Inform school if there are matters outside of school that are likely to affect a child's performance or behaviour
- Promote a positive attitude towards school and learning in general;

9. Monitoring and Review

We are aware of the need to monitor the school's Collective Worship policy, and to review it regularly, so that we can take account of new initiatives and research, changes in the curriculum, developments in technology or changes to the physical environment of the school. We will therefore review this policy every three years, or earlier if necessary.

This policy was last up-dated on	July 2022
Discussed and agreed with Governors	July 2022 (P & C Meeting)
