

FRIENDS OF ST. AIDAN'S ARE A VOLUNTEER ORGANISATION WHOSE SOLE PURPOSE IS TO HELP THE CHILDREN OF ST. AIDAN'S PRIMARY SCHOOL.

As parents and carers we want our children to have the best start in life and at FOSA we want the community to become involved in and support our school.

We believe that with the help, support and backing of parents/grandparents and carers we can bridge some of the financial gap in funding that our school faces, meaning our children have the opportunity to receive not only an exemplary degree of teaching but that they have the resources to help them learn and the best start in life possible.

We run a variety of events throughout the school year and make getting involved in fundraising a natural experience for the children.

WHAT WE FUND...

In the past we have funded outdoor play equipment, storage cupboards and door canopies, as well as electronic equipment, educational resources and bikeability schemes.

And now we are excited to announce that this year we will be focusing on a specific longer term fundraising goal; new iPads.

iPads are used in school to help with in class learning and independent project work. They are an important additional technology resource as the computer suite is shared throughout the whole school. The current iPads are very old and slow and are struggling to keep up with the needs of the pupils.

WHAT WE RAISE...

We have created a Thermometer fundraising tally which will be kept in school so everyone can see our progress. We will of course also share it on our Facebook page:

 Friends of St. Aidan's – FOSA.

During the 2022/2023 school year F.O.S.A. raised:

£3637

THANK YOU SO MUCH EVERYONE!
