

**When snow is predicted:
park second car in red "A" spaces.**

WINTER PARKING PROTOCOL

Step 1. Park one car in your garage.

Step 2. Park second vehicle in the red "A-sections" of any AP lot as shown on the below map.

Step 3. Unless leaving AP property, your vehicle must remain in the A-section parking space until notified via phone by management

Step 4. When you receive management's call, promptly clear the snow from your parked car and move it to a cleared spot away from the A-sections of the lots.
