### Procedure for ACC Approval

Submit a completed ACC form along with all required documents to Elite Property Manag below.

Homeowners must submit plot plan showing where the fence or accessory structure will b For fence requests the plot plan must also show fence dimensions and column locations. Submit request form, plot plan and contractor estimate to the address or email noted below.

Homeowner will be notified of approval in writing via mail or email.

The ACC has up to 30 days to approve requests.

*No fence shall be higher than six feet from the final ground level to the top of the fence e special permission of the ACC. Only stained shadow box arch fences shall be allowed.*

*Brick 20 x 20 columns must be used at the corner posts and all property points. The brick match that used in the construction of the residence. If neighboring houses have an exi fence you must tie into the existing columns. Corner lots must have post on outside rear of lot. Corner lots must adhere to site distance ordinance and must be 25' from curb.*
