I, _____ do understand that the Architectural Review Committee (ARC) approval grants to me the approval of the ARC view only, and any proposed construction may also be subject to a building permit and inspection, which may be obtained by application from the city or county where my property is located. I further understand that any fence, swimming pool, or structure which is situated within any utility and drainage set back remainssibject to damage or removal at my own expense, in the event that it interferes with maintenance performed by my local utility company or is deemed necessary by the county where my property is located. I further acknowledge the Elite Housing Management shall not be held responsible in anyway, regardless of having obtained ARC approval.
