Type of Plans Required to be Submitted by Homeowner:

In accordance with Section 10, Page 8 of The Riverside Landing Protective Covenants booklet, please provide plans or specifications showing the nature, kind, shape, height, materials and location of work. These documents can be in draft form. For additions, please include a front and rear elevation. For garage, fence and driveway installations, please provide an overhead view of the lot that shows the layout, dimensions, and property line setbacks (if applicable). This can be provided as a rough sketch if necessary.

Please e-mail documents to riversidelanding35811@gmail.com or mail to RSL HOA Architectural Committee, 301 Brevard Blvd, Huntsville, AL 35811. These documents will be kept on file by the Association.

For questions or clarifications, please contact: riversidelanding35811@gmail.com
