SCHOOL HISTORY AND PURPOSE

Grace Christian School (GCS) was founded in 1979 as a ministry of Grace Baptist Church. GCS is concerned with the spiritual as well as intellectual growth of its students. Our purpose is to graduate young men and women who are academically sound, possess a love for our country, and have enough Bible knowledge to live a life based upon Biblical principles, thereby discovering the Lord's will for their life. Our main goal is that each student would choose to be like our Savior, Jesus Christ.

STATEMENT OF FAITH

Grace Christian School is a ministry of Grace Baptist Church, and all administration, faculty, and staff are employees of the church and are subject to the authority of the church. Without apology, Grace Christian School holds to the entire Statement of Faith of Grace Baptist Church, Columbus, GA. A full provision of GBC's Statement of Faith can be presented upon request. Below is a portion of that Statement of Faith:

- We believe in the verbal inspiration and authority of the Scripture.
- We believe that the Bible reveals God, the fall of man, the way of salvation, and God’s plan and purpose in the ages.
- We believe in God the Father, God the Son, and God the Holy Spirit.
- We believe in the deity, virgin birth, and the bodily resurrection of Jesus Christ.
- We believe that salvation is “by grace” plus nothing and minus nothing. The conditions to salvation are repentance and faith.
- We believe that men are justified by faith alone and are accounted righteous before God only through the merit of our Lord and Savior Jesus Christ.
- We believe in the visible, personal, pre-millennial return of Jesus Christ.
- We believe in the ministry of the local church as God’s established instrument of carrying out the Great Commission.
- We believe that God wonderfully and immutably creates each person as male or female. These two-distinct, complementary genders together reflect the image of God and the rejection of one’s biological gender is a rejection of the image of God within that person. We believe that God disapproves of and forbids any attempt to alter one’s gender by surgery or appearance. (Genesis 1:26-27)
- We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between one man and one woman. We believe that any form of homosexuality, lesbianism, bisexuality, bestiality, incest, fornication, adultery, and pornography are sinful perversions of God’s gift of sex. We believe that God disapproves of and forbids any attempt to alter one’s gender by surgery or appearance. (Gen. 2:24; Gen. 19:5, 13; Gen. 26:8-9; Lev. 18:1-30; Rom. 1: 26-29; 1 Cor. 5:1; 6:9; 1 Thess. 4:1-8; Heb. 13:4)
- We believe that the only Scriptural marriage is the joining of one man and one woman. (Gen. 2:24; Rom. 7:2; 1 Cor. 7:10; Eph. 5:22-23)

AUTHORITY OF THE STATEMENT OF FAITH

Our statement of faith does not exhaust the extent of our faith. The Bible itself is the sole and final source of all that we believe. We do believe, however, that the statement of faith accurately represents the

teachings of the Bible and therefore is binding upon all members, staff, and volunteers. All literature, whether print or electronic, used in the school shall be in complete agreement with the statement of faith. All activities permitted or performed in any facilities owned, rented, or leased by this school or engaged in by any member of the school staff (volunteer or paid) and all decisions of the administration of this school shall not conflict with the statement of faith. In all conflicts regarding interpretation of the statement of faith, the administrator, board, on behalf of the school, and the pastor of Grace Baptist Church have the final authority.

PHILOSOPHY

Grace Christian School holds to a philosophy that is founded upon the inspired, inerrant, and infallible Word of God. We believe that the responsibility for the education of a child is given to the parents (Deut. 6:4-9; Psalm 78:1-4; Eph. 6:4). Our Christian school operates as an extension of the church and the Christian home to benefit parents in their God-given responsibility to educate their child. Two outstanding elements contribute to the school’s philosophy of education. First, our curriculum is both Bible-based and Christ-centered. The truths of the Bible are not substituted or separated from academics at GCS; rather, they are integrated into the entire educational program. Second, our staff consists of dedicated and compassionate Christian teachers who are concerned about each student’s physical, mental, and eternal welfare.

Because we recognize the nature of man to be sinful, selfish, and rebellious, GCS strives to place a proper emphasis upon morals and discipline to restrain that fallen nature. GCS desires order and accountability for the students with the goal of developing self-control. Standards of conduct and discipline are Bible-based to develop Christian character and sound values. With this truly Christian philosophy of education, high academic standards, and the mutual efforts of the home, church, and school, our desire is that children are trained up in the way that they should go. (Proverbs 22:6)

MISSION

The mission of Grace Christian School is to honor Jesus Christ by partnering with parents to educate the next generation of Christian leaders.

AFFILIATION

GCS does not seek or accept funds from local, state, or federal governments or agencies. GCS holds membership in the Georgia Association of Christian Schools (GACS) and American Association of Christian Schools (AACCS). GCS is a member of the Georgia Christian Athletic Association (GCAA) for all athletic competition. Our high school is accredited by the Georgia Accrediting Commission (GAC).

ADMISSIONS

GENERAL ADMISSIONS

Grace Christian School has a racially nondiscriminatory policy and, therefore, shall not discriminate against applicants, students, and others on the basis of race, color, or national or ethnic origin.

All students must demonstrate their ability to perform on the grade level in which they are placed, or they may be required to adjust to a grade level in which they can do satisfactory work.

A student may be refused admission, expelled from school, or asked not to return the following year, if he or she is out of harmony with the Statement of Faith, the spirit, or the policies of the school whether on or off the property as determined in the discretion of the pastor and administrator.

ADMISSIONS PROCEDURE

1. Parents must complete and return a student application form (available at the school office or online) to the school office, with the application fee. This fee is non-refundable.
2. The school office will arrange an interview with each new student accompanied by at least one parent or legal guardian. During this interview, parents will have an opportunity to tour the facilities and discuss enrollment with the school administration. The following factors are consideration for admission into Grace Christian School:
 - a. Conduct, attitude, and previous behavior
 - b. Absence of previous history of alcohol, tobacco, or other drug use, or a record of truancy or expulsion
 - c. Commitment to the standards and policies of Grace Christian School
 - d. Promise of academic success as indicated by report cards, transcripts, achievement tests, and/or entrance tests
3. Any new student entering the 2nd-9th grades must bring a final copy of his report card from the previous grade. Any new student entering 10th-12th grades must bring a copy of his transcript.
4. Any new student entering the 1st-9th grades will take an entrance test. The entrance test fee must be paid on or before the test date. This fee is non-refundable. Upon completion of the test, administration will contact parents with the results of the test.
5. Once the registration fee has been paid in full after acceptance into GCS, a student will be considered fully registered. This fee is non-refundable.
6. Textbook fees must be paid on or before the first day of school.

AGE

A student may not be admitted to GCS who will be twenty years old or older at the estimated time of graduation.

FUNDRAISING

Grace Christian School makes every effort to keep tuition as reasonable as possible for the benefit of our families. GCS conducts annual fundraisers to help meet the growing demands of providing a quality, Christian education. If the fundraiser requires a minimum amount of a product to be sold, the value of the unsold product will be added to the student's bill. These fundraisers may take place in the fall and the spring.

FINANCIAL POLICY

Students entering during the school year will be charged a pro-rated amount for the portion of the first month they are enrolled. Students withdrawing from the school will pay a pro-rated payment based upon the number of days the student was enrolled for the final month. There will be no refunds of any kind for a student who is expelled from Grace Christian School.

After any tuition payment becomes past due, the student(s) will be withheld from class, and the school will be under no obligation to provide educational services or activities, including report cards, transcripts, or diploma, until the student's account is current.

BEGINNING OF SCHOOL

Parent-Student Orientation will be conducted on Friday, August 11th at 6:30 p.m. Parents and students will meet in the auditorium at the start of orientation. Any new and important information will be indicated during the orientation meeting. When directed, parents and students will visit the classrooms to meet with the teachers and drop off supplies. Parents may visit the school office to ensure that registration information and contact information is accurate. Parents may also visit the finance office to ensure that their account is current.

The first full day of school is Monday, August 14th. The first bell rings at 7:55 a.m. and the tardy bell rings at 8:00 a.m. For the safety of the students and teachers, all exterior doors are locked during the school day. Students who arrive after 8:00 a.m. need to go through the school office entrance and obtain a tardy slip in the office.

EXTENDED CARE

Extended Care services are provided for students who are enrolled in Grace Christian School. Morning extended care is provided before school at no charge. The fee per student for afternoon extended care is \$4 per hour. Parents will not be charged more than \$315 per month per student. There will be an additional charge of \$1.00 per minute for each child picked up after 5:30 p.m. Additional charges for late pick up will increase the monthly cap.

Extended Care is available on regular school days and most early-release days. It is not available during school holidays. Morning extended care meets in the cafeteria from 7:00 a.m. – 7:40 a.m. Afternoon extended care meets in the upstairs of our extended care facility.

Extended Care charges are reported to FACTS (tuition management system) at the end of each month. FACTS will invoice each family for those charges, which are due upon receipt of the bill from FACTS. If families elect for FACTS to automatically withdraw Extended Care charges from their bank account, FACTS will assess a \$30 fee for each failed attempt. Administration will be under no obligation to provide extended care services if an account is past due, a student shows repeated behavioral problems, or if a student is continually picked up after 5:30 p.m.

ACADEMIC INFORMATION

ACHIEVEMENT TESTING

Students are given annual achievement tests in the spring of each year to measure their achievement in areas such as English, math, science, and social studies. GCS uses the IOWA Achievement Test Series and the Cognitive Abilities Test (CogAT).

CLASS SESSIONS

Classes will be in session from 8:00 a.m. to 3:00 p.m. Students who arrive before 7:40 a.m. will be required to go to morning extended care. Students should be depart from the school no later than 3:15 p.m.

Students are encouraged to attend various school-related functions. Several programs and performances are scheduled throughout the year, and the sports seasons provide opportunities to build school spirit by supporting Crusader athletics.

CURRICULUM

A curriculum that a school chooses to use will include student textbooks, teacher editions, lesson plans, visual and digital aids, workbooks, various other materials, and a particular worldview. Because of the importance of the curriculum, Grace Christian School takes great care in the selection of curricula and has chosen to use the Abeka curriculum. Your student will find this curriculum challenging with a Biblical emphasis from the beginning of the year to the end. For more information about this curriculum, access their website at <https://www.abeka.com/>.

GRADING

The purpose of our reporting system is to give parents and students an accurate indication of the progress which is being made and an opportunity to communicate with teachers about it. Our academic portal, FACTS, and report cards also function as an objective form of communication between the parents and teachers. Each student is evaluated in two areas: academics and citizenship. The academic grade is based upon the actual work done on homework, quizzes, tests, exams, etc.

A+	97-100	B+	87-89	C+	77-79	F	69 and below
A	93-96	B	83-86	C	73-78		
A-	90-92	B-	80-82	C	70-72		

The Georgia Department of Education mandates that grades below 70 are failing.

Students will have their grades posted online through our online academic portal, RenWeb. Parents may access the Parent Portal and view updated grades at their convenience throughout the school year. For questions about RenWeb accounts, please contact the school office.

Report cards are issued at the end of each quarter of school according to the following schedule:

Report cards are to be signed by parents and returned to the teacher the following day. If your child does not bring a report card home or if the report card is lacking grades, please contact the school office immediately. If a report card is lost, this should be reported by a note from the parent to the office. A duplicate will be sent home at a charge of \$5.00 for each lost card. Final report cards will be mailed to the home addresses on file in the office within one week of the last day of school. For any student with an outstanding balance, the final report card will be held by the office until final tuition and fees are paid in full.

Each report card will include the student's grade point average (GPA), calculated according to the following scale:

- A (100-90) 4.0
- B (89-80) 3.0
- C (79-70) 2.0
- F (69-0) 0.0

The citizenship grade on a student's report card evaluates the student's conduct and overall character development. The following is the scale for citizenship grade:

- 5 - Excellent character
- 4 - Above average character
- 3 - Average character
- 2 - Below average character
- 1 - Poor character

Any student receiving a citizenship grade of one (1) in any course will be ineligible for sports and honor roll.

GRADUATION REQUIREMENTS

GCS offers two diploma tracks for high school students. Twenty-four credits are required for the College Preparatory Diploma. Twenty-two credits are required for the Standard High School Diploma. Required credits are outlined below. (Courses required only for the college preparatory diploma are marked with an asterisk.)

DROPPING A COURSE (HIGH SCHOOL)

It is the desire of the administration that each student complete his assigned class load to the best of his ability; however, in some cases, approval may be granted for a high school student to drop a particular class. Any parent who wishes for his child to drop a course for any reason must contact the school office to receive permission from the administrator. After the third week of school, a student dropping a course will receive a failing grade for that particular course.

ACADEMIC HONORS

GCS recognizes and encourages scholarship through an “All A” Honor Roll and an “A-B” Honor Roll. Both lists are compiled at the close of each nine-weeks and are not cumulative from the prior quarters. A student with at least a “B” average in every course qualifies for the “A-B” Honor Roll. A student with an “A” in every course qualifies for the “All A” Honor Roll. A citizenship grade of one (1) disqualifies a student from either list.

At the end of each year, certificates of achievement will be awarded to those students who finish each quarter on the honor roll. A student who made at least the “A-B” Honor Roll each quarter will receive a “A-B” Honor Roll certificate. A student who made the “All A” Honor Roll each quarter will receive an “All A” Honor Roll certificate. A citizenship grade of one (1) disqualifies a student from either list.

HOMEWORK

Believing that homework is an integral part of the school program, each teacher is at liberty to give a reasonable amount of homework to help students advance in their studies. Therefore, each student is expected to complete his homework assignments to the best of his ability. Homework is given for several reasons:

- For preparation: Students profit more from classroom explanation and discussion when preparatory reading assignments are given.
- For practice: Following classroom explanation, illustration, and drill, homework helps the student to master the material.
- For remedial activity: As instruction progresses, a teacher may observe various weak points in a student’s grasp of a subject. Extra homework may then be assigned to help the student overcome his difficulties.
- For special projects: Book reports, compositions, special research assignments, and projects are some of the activities that are frequently the subject of homework attention.

PROMOTION / SUMMER SCHOOL

If a student is in danger of failing a class, the teacher or supervisor will communicate with the parents about promotion to the next grade level.

The GCS five-week Summer School program is available only for English and Mathematics.

Junior high students may enroll in GCS Summer School only if they failed either a Mathematics course or an English course. Students who fail two or more core courses (Math, English, History, and Science) will need to repeat their previous grade.

A student in grades 9 – 12 who fails a Math or English course may, at the discretion of the administration, be allowed to take one course during summer school to earn the missed credit. Students in grades 9 – 12 who need to make up credit in a science or social science course may retake the course the following year. If a student desires to attend Summer School elsewhere, he must secure permission from the administration before enrolling at another institution. Summer School is open only to those students whose final average in math or English was between a 60 and a 69. Those who score below a 60 should plan to repeat the grade (gr. 1–8) or the course (gr. 9–12). Summer School is not designed for those students who passed a course but desire to improve their average.

GENERAL INFORMATION

ARRIVAL / DISMISSAL

When arriving at school, drop your children off and move as quickly as possible so others may also drop their children off quickly. Students may be dropped off at early extended care from 7:00 a.m. to 7:40 a.m. Students may enter the school building from 7:40 a.m. to 8:00 a.m.

ATTENDANCE

GCS reserves the right to refuse credit to any student who misses more than 15 days throughout the school year. Consistent attendance is essential to successful academic progress. Parents are asked to keep absences to a minimum and to avoid taking a student from school if circumstances do not require it. The parent or guardian may appeal a decision to withhold credit for an individual student based on excessive absences. Appeals must be made to the administration in writing within two weeks on the basis of hardship, extenuating circumstances, or other extreme emergencies.

Any student who has been absent from school must bring an excuse note written and signed by a parent stating both the date of the absence and the reason for the absence. All excuse notes are to be given to the student's teacher the day the student returns to school. Acceptable reasons for excused school absences are:

- Verified illness of the student
 - * Sickness resulting in five or more days' absences requires a doctor's slip for re-admission and excuse.
- Bereavements
- Court order or required court appearance
- Medical, dental, or optical appointments
- Graduation or wedding of a family member
- Junior or Senior prospective college visit
- Selected as a page in the state Legislature

Because the school understands that not every circumstance can be avoided, each student is allotted two personal days per school year. These days can be used for any reason outside of those listed above. These personal days will be considered excused and will not be subject to academic penalties. Personal days may not be used on the same day as a quarter, semester, or final exam.

Any reason not listed above, not used as a personal day, or not otherwise approved by administration will result in an unexcused absence for the student. Parents are encouraged to schedule out-of-town or vacation trips in conjunction with our academic calendar. Outside of the reasons listed above or personal days used, out-of-town or vacation trips will be unexcused. Following an unexcused absence, the student will have the opportunity to make up work, but twenty points will be deducted from the earned grade.

The office must receive an Absence Request Form (available in the school office and online) from the parent requesting an excused absence. This form includes the dates to be missed and the reason for the absence. If the option of a personal day is being used, the parent should notate that on the form. No more than two personal days are allowed per year. The administration will designate such requests as excused, unexcused, or personal. Teachers will fill out the form with the assignments the student should complete during the absence. There are no tuition refunds because of absences.

Any student not present for at least four hours of the school day will be counted absent for the day and ineligible for extracurricular activities (practices, games, banquets, etc.) Any student who checks out due to illness is not allowed to return to school for the remainder of that day and is ineligible for any extracurricular activities that day.

AUTOMOBILE POLICIES

All students riding with student drivers must submit written parental permission to that effect. The student driver should also submit written parental permission. Each driver should demonstrate courteous, careful driving habits. Cars are to remain parked until students leave for the day. Students may not sit in parked cars on school property after 8:00

a.m. or past 3:15 p.m. Administration reserves the right to deny parking to any students violating these policies.

BIBLE

GCS esteems the Bible to be of fundamental importance as it pertains to the total education of its students; therefore, Bible is a required subject. The King James Version of the Bible is preached, taught, studied, and memorized at GCS. It is used to augment the study of English, history, geography, science, and mathematics. At GCS, the Bible is considered of such importance that without the study of it, a student cannot be thoroughly educated (2 Timothy 2:15; 3:16-17).

Because of the importance GCS places on the study of the Bible, a student who fails Bible both semesters of a given school year may be ineligible to return the following year.

BOOKS

GCS provides new textbooks to students for a textbook fee which is due by the first day of school. If a textbook is lost or needing a replacement throughout the school year, the replacement fee for that particular textbook will be added to the student's account.

CELL PHONES/ELECTRONICS

Students are to keep their phones or other electronic devices turned off and in their lockers until school dismisses at the end of the day. Students are not to use/wear headphones, earbuds, or bluetooth devices on school property or in school vehicles. Any student who violates this policy will be disciplined as follows:

- First offense: The electronic device will be confiscated and may be picked up by the parent at the end of the next calendar day.
- Second offense: The student will receive a detention. The electronic device will be confiscated and may be picked up by the parent after three calendar days.
- Third offense: The student will receive two detentions. The electronic device will be confiscated and may be picked up by the parent at the end of five calendar days.
- Fourth and subsequent offenses: The student will receive office discipline. The electronic device will be confiscated and held in the office until released by administration.

Should any confiscation period end on the weekend or holiday, the electronic device may be picked up by the parent on the next school day. This policy includes (but is not limited to) cell phones, smart watches, laptops, tablets, iPod's, iPad's, MP3 players, or e-Readers, etc.

CONTACT INFORMATION CHANGE

For the safety of the students, any time a home address, phone number, or e-mail address is changed, please notify the school office. In the event of an emergency, the school would need to contact the parent as quickly as possible through either a personal call from the office or through the use of SchoolCast, our school's alert messaging system.

EARLY DEPARTURE

All parents coming during the school day to pick up students for medical appointments or other excused absences must report to the office and not to the student's classroom. If a student is driving himself and must leave school early, the parent must grant permission by a note with the student or a call the school office.

EMERGENCY PREPAREDNESS

For the safety of the students, fire drills are conducted monthly and tornado drills are conducted biannually.

FIELD TRIPS

Classes take field trips at various times during the school year to places of educational interest. Students are required to maintain the same level of self-discipline on these school-sponsored activities as is required at school. Teachers and parents will chaperone these field trips in a ratio of no greater than 10 students to one chaperone. Parents who are asked to chaperone are required to follow the same standards of dress and conduct as the students.

HEALTH

Office personnel can provide basic first aid. No student can receive medication of any kind unless a Medication Request Form is signed and on file in the school office for the current school year. All students who take medication must turn in their medicine to the office. This includes any short-term need for pain medication or allergy medication. Medicine must be properly labeled and in its original container. If your child requires medication during school hours and we do not have signed authorization, it will be necessary for you to come to the school and personally dispense it.

Students may be subject to temperature screenings upon arrival to school. If a student has a fever at any time on campus, the parents will be called to pick up the student. Students with communicable illnesses (including conjunctivitis) must be kept home until the possibility of contagious infection has passed. A note from the doctor will be required for re-entrance. Any student diagnosed as having lice will not be permitted in the classroom until it is remedied.

All students must have the required immunization records on file.

LIBRARY

The GCS library consists of just under 4,000 volumes which are available for students to check out for book reports, research projects, and pleasure reading.

The library is open for students during study halls two days each week. Books may be checked out for two weeks after which they must be returned or renewed. A library fine of \$0.50 per book per library day will be assessed for overdue books. Students with overdue books and/or unpaid fines will not be permitted to check out additional library materials. Students who lose or damage a library book will be assessed a book replacement fee.

LOCKERS

Each student will be assigned a locker, lock, and numeric combination to unlock the lock. It is the responsibility of the student to keep his locker locked and to not give out the numeric combination to any other student. GCS is not responsible for missing items because a locker was left unlocked or a student gave another student his assigned code. Students may not write or use stickers in their locker. The status of lockers will be assessed during the last month of school, and the value of any damages will be placed on the student's bill.

LOST AND FOUND

Students may retrieve their lost articles from Lost and Found for \$0.25 per item. Parents are encouraged to clearly mark all personal belongings with permanent ink for clear identification. The Lost and Found is kept locked, but teachers can open it (at their availability) to check for an item with a student. Retrieving items from Lost and Found does not excuse a student from being tardy to class. It is the student's responsibility to ensure that he has ample time before visiting Lost and Found. At the end of the school year, GCS will sell or donate any remaining unclaimed items from the Lost and Found.

LUNCH

Students will eat lunch from 11:45 a.m. to 12:15 p.m. Students should bring their own lunches from home. Microwaves will be available Monday through Friday.

Parents are welcome to join their student for lunch, but should check in at the school office and obtain a visitor's badge.

OFFICE

The school office will be open from 7:40 a.m. to 4:00 p.m. daily, Monday through Friday. Parents are welcome at the school; however, all parents must check in at the office and obtain a visitor's badge.

PARENT-TEACHER CONFERENCES

Please feel free to consult the school office regarding any problems or questions of student concern. GCS recognizes the importance of working together with the home to obtain spiritual and academic growth for each student. It is the desire of the administration and faculty to be of

service to both parents and students, and each teacher welcomes a visit from any parent. GCS requests, however, that such conferences be made by definite appointment with the teacher at a convenient after-school hour. Parents should schedule all conferences by calling the school office. Every Parent-Teacher Conference is private and confidential. If a parent needs to talk with a member of the faculty, please call during office hours, and a call will be returned as soon as possible after school.

New Parent-Teacher Conferences will be held on Thursday, September 9th. Office personnel will arrange this conference. This conference is designed to evaluate how a new student is acclimating to the academics and atmosphere of the school.

School-wide Parent-Teacher Conferences will be held on October 12th and February 8th. As necessary, office personnel will arrange a 20-30 minute appointment between 3:15-6:00 p.m. on these nights. These conferences are particularly designed to inform parents of the academic challenges their student is facing and to establish goals for improvement.

SCHOOL PHOTOGRAPHS

GCS schedules photographs to be taken twice a year. Our yearbook photos will be taken on September 14th. Students should wear their uniforms. Our spring individual photos and class photos will be taken on March 8th.

PHYSICAL EDUCATION

The P.E. uniform for students in 7th-9th grades must be purchased from the school office. See the Ancillary Fee schedule on page 10. During cooler weather, students will need light jackets or sweatshirts that are predominately blue, black, gray, silver, or white.

If a student needs to be excused from physical education class, a written excuse is to be sent with the student. A doctor's note is necessary if the student needs to be excused from P.E. for an extended period.

PLEDGES

Each morning, students will be required to pledge allegiance to the American flag, the Christian flag, and the Bible. The pledges are as follows:

- American flag: "I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

- Christian flag: “I pledge allegiance to the Christian flag, and to the Savior for whose kingdom it stands, one Savior, crucified, risen and coming again with life and liberty to all who believe.”
- Bible: “I pledge allegiance to the Bible, God’s Holy Word. I will make it a lamp unto my feet, and a light unto my path, and I will hide its words in my heart that I might not sin against God.”

PROPERTY

GCS is God’s property. Respect for the appearance and care of the school is part of a Christian testimony. Defacing school property is not permitted and will be dealt with severely. All damage must be paid for, whether willful or accidental. Students are to report any damaged school property to the office immediately.

SCHOOL CLOSINGS

When severe weather creates hazardous conditions, regular school scheduling may be suspended. The first concern for deciding to suspend school system operations is the safety of our students. The decision for closing schools is made by the school administrator. Any time a school closing is a possibility, parents should check for information from WTVM and for an announcement from Parent Alert, our school website, or the school’s social media accounts.

SPORTS

GCS maintains an active sports program, competing in interscholastic sports with other private schools in Georgia and Alabama.

GCS believes athletics to be an avenue to develop Christian character, high moral values, and a healthy body that is better able to serve Christ. It is the desire of GCS that our athletes understand not only the physical but also the spiritual responsibilities and privileges of being a Crusader.

Only eligible students may participate in this program. An eligible student is one who has at least an overall C average while participating in a sport, and must not carry a failing grade (F) in any class during the season. A student with a citizenship grade of one (1) in any course will not be eligible for sports. In addition, excessive discipline may render a student ineligible to compete in athletic competition or participate as a member of a sports team.

GCS athletes and parents of athletes are to be aware of the Return to Play Act of 2013 regarding concussions and head injuries. GCS will make information available to families as to the concussion management and “return to play” policies set in place for those students desiring to compete in sports.

A Parent/Guardian Return to Play Acknowledgement Form will need to be signed by both the parent and the student athlete and placed on file in the school office. This form is available on our website and in the school office.

The athlete must be present in school for at least four hours of a school day to be eligible to participate in practices and games related to that sport on that school day. Any athlete who checks out due to illness is ineligible for any practices or games that day.

Athletes will be charged a participation fee for each sport to help defray the cost of transportation, uniforms, officials, gym use, etc. This fee is due before the first season game. See the Ancillary Fee schedule on page 10 for prices. All students participating in athletics are required to carry personal accident insurance.

TARDINESS

GCS desires to instill the qualities of promptness and preparation in its students. Promptness ensures that the student is in his place on time, and preparation ensures that the student is ready for class each day at the beginning of class.

Any student who comes to school after 8:00 a.m. must check in at the office before receiving a pass to class. Tardiness because of traffic will be classified as a “traffic tardy.” An unavoidably scheduled medical or dental appointment will be classified as a “medical tardy.” An unexcused tardy will be given when a student accumulates three of these types of tardies in a nine-week grading period.

If a student is tardy (unexcused) to school more than five times in a quarter, a charge of \$5 will be added to the school bill for each unexcused tardy beginning with the 6th tardy and for following tardies until the conclusion of the quarter.

VISITORS

Visitors wanting to gain access to the classroom should first check in at the school office, present identification, state the intended purpose and length of the visit, and should sign out in the school office when leaving campus. Visitors will be approved or denied entry by office personnel or administration.

CONDUCT AND DISCIPLINE

A Christian school must provide an environment conducive to the educational and spiritual growth and development of its students (Prov. 22:6). It is impossible for learning to be efficient in a classroom unless the classroom is controlled, structured, and ordered. Accordingly, GCS has established a code of conduct for the benefit of our students, parents, and others. GCS expects full cooperation from parents and students. Parents are required to sign a cooperation form which provides the proper order for reporting suggestions or complaints.

Because attendance at GCS is a privilege, not a right, any student who does not conform to the standards and regulations could forfeit that privilege. The school may request withdrawal of any student who, in the opinion of the school, does not fit into the spirit of the school ministry. GCS believes that Christian students should avoid practices which cause the loss of sensitivity to the spiritual needs of the world and loss of the Christian's physical, mental, or spiritual well-being (Romans 12:1-2).

All students must be treated with dignity and respect, free of threats or harassment. The determination of whether a student's actions constitute a violation of the code of conduct will be made by the pastor of Grace Baptist Church and administrator of Grace Christian School.

BEHAVIOR

While discipline is basically positive training in the right direction (Proverbs 22:6), there is a negative side of correction. The administration of Grace Christian School does not desire punishment of any kind, but at times, the misbehavior of students makes it necessary. It is always the desire of the school that students conduct themselves in accordance with these school policies. In everything, students must maintain high standards of courtesy, kindness, morality, and honesty with teachers, administration, as well as with other students. Students must always address and reply to those in authority with utmost respect. Students will be expected to behave themselves as ladies and gentlemen. Since the teacher is responsible to maintain appropriate classroom discipline, it becomes necessary to correct any behavior that hinders the teacher and teaching process or that hinders students in the classroom from learning.

The teacher has full control of and authority in the classroom. For minor problems in classroom attitude or behavior, the teacher may discipline the student with loss of privilege, extra work, demerits, deten-

tions, etc. In elementary, an accumulation of excessive detentions in any one quarter may result in office discipline. In the junior and senior high, each accumulation of three demerits will result in one detention and an accumulation of excessive detentions may result in office discipline. At the end of each quarter, demerit and detention counts will reset. Parents of elementary students will be informed of each demerit and detention issued. Parents of junior and senior high students will be informed of each detention issued.

It is the policy of Grace Christian School to maintain a standard of behavior among its students, staff, volunteers, and visitors that is above reproach. In keeping with the ministry's statement of faith, certain conduct will not be tolerated. (Gen. 2:24; Gen. 19:5,13; Gen. 26:8-9; Lev. 18:1-30; Rom. 1:26 – 29; I Cor. 5:1; 6:9; 1 Thess. 4:1-8; Heb. 13:4). In keeping with this policy, the following will be grounds for expulsion:

- Demonstration of romantic involvement between non-married students on ministry property. This includes, but is not limited to, hand holding, embracing, kissing or any other contact that would contribute to undue familiarity.
- Immoral conduct and/or advocating for or advancing immoral conduct. Immoral conduct is defined as bodily contact, actively undertaken or passively permitted, between members of the opposite sex or members of the same sex for the purpose of satisfying sexual desires and any bodily contact that a reasonable person would understand to demonstrate a propensity or intent to engage in an immoral act.
- Identifying statement(s) of immoral acts, defined as a student's statements, actions, language, or behavior, whether through dress or other appearance, an online profile, words, or other expression that a reasonable person would believe is intended to associate or identify the student as sexually active or claim that the person is homosexual, bisexual, transgender, or otherwise immoral or has the propensity to or intent to engage in immoral actions. Examples: "I'm gay," "I'm a homosexual," "I have a homosexual orientation," "I am a transgender female/male," "I'm sexting," or "I'm sleeping with my boyfriend/girlfriend."
- Homosexual or transgender conduct, either as acts or identifying statements.

The following items and actions are not tolerated at Grace Christian School and are grounds for office discipline

- Profanity will not be tolerated (Col. 3:8). This includes the use of God's name in vain (Ex. 20:7), "curse" words, or other forms of vulgarity.

- Fighting, cheating, stealing, lying, smoking (or any other use of tobacco), use of indecent language, gambling, dancing, listening to ungodly music, use of intoxicating beverages, or drugs.
- Possession of pornography, firearms, matches, knives, fireworks, or any object that could be used as a weapon.
- Any action or statement associated with violent behavior, including a joke, which could be interpreted as a threat.
- Persistent disobedience or disrespect to authority or questionable behavior or conversation either at school or on school-sponsored activities.

Actions that threaten or harm another individual's ability to function rightly and safely will require further corrective measures. Please consult with the office about any problem or question that concerns the welfare of students.

Grace Christian School reserves the right to search a student's person and belongings if the school suspects a student to possess an unapproved item. Such a search may be conducted without the student's or parents' permission, and the registration of the student constitutes parental consent to such searches. Students' lockers, book bags, vehicles, or other student possessions such as purses, which could hold or transport unapproved items will be searched in the presence of at least two school personnel. At least one male and at least one female will be present for the search.

In this atmosphere of defined and positive Christian standards of conduct, there is a fine opportunity for the development of strong and stable Christian character. Parents and students must understand the importance of cooperating with the school and upholding the school's authority in all matters affecting the overall program of the school. Parents and/or students found not to be in harmony with the principles, rules, standards, philosophy, and overall program of the school will be asked by the administration to withdraw from the school.

DRESS REGULATIONS

Appropriate dress standards are an integral part of Christian character training. GCS desires to stress the Biblical principles of modesty, neatness, and distinct differences between men and women. Casual dress leads to casual attitudes, which adversely affect the disciplined educational environment. These standards play a vital role in keeping GCS a pleasant and positive place. Due to the constant change in fashions and the variety of dress that is accepted today, all GCS students must wear full uniforms to school.

All students are expected to abide by the school dress regulations while on school property and dress appropriately and modestly at all school activities.

General:

Primarily, school uniforms are noted by the Grace Christian School monogram embroidered on the face pocket area of the uniform shirt. The school offers monogramming service through The Cherry Zebra, a local business, at \$8/shirt. Parents may purchase uniform items from local retail vendors and online retail vendors. As the weather becomes cooler, students may wear coats or jackets to or from school as long as they do not endorse people or ideas that do not align with the school's standards. Heavy coats and sweatshirts are not acceptable uniform apparel and are not to be worn to class. Light jackets, sweaters, and hoodies purchased from the school may be worn during school hours. For high school students, unacceptable uniform apparel should be placed in lockers before homeroom and should remain there until the end of the school day. Any accessorizing of items such as hats, hoods, knit caps, gloves, and scarves, are to be worn to and from school only, and otherwise stowed, unless worn at recess or P.E.

Clothing, backpacks, and lunch boxes must not endorse people or ideas that do not align with the school's standards. The school administration reserves the right to initiate policies on fads and changes in clothing style, and on dress regulations at any time during the school year.

The same standards of conduct and dress required of students at school are also required for students on school-sponsored activities and at all

school-related functions, such as sporting events or school programs. For each activity sponsored by the school a dress code standard will be announced from one of the following categories:

SENIOR GRADUATE INFORMATION

Some of the best years of a student's life are spent during high school, and the graduating year for the senior student is no exception. GCS desires that the graduating senior take full advantage of the opportunities in his final year to further his spiritual and academic growth. To ensure that all seniors and their parents have a clear understanding of the year's activities, a Parent-Senior Meeting is scheduled for September 1st, which each graduating senior and his or her parents must attend.

GRADUATION REQUIREMENTS

Courses required for the college preparatory diploma and for the standard high school diploma are outlined on page 15. The Academic Supervisor is available for academic advice and direction to help the senior stay on track for graduation. If there are any questions regarding the senior's academic standing or earned credits, please speak with the supervisor early in the year to avoid issues leading up to graduation.

Academic honors at graduation are determined based on the grade point average earned for all courses taken in high school as calculated through May 1st of the senior year. Valedictorian and salutatorian are awarded to the top two academic students who have at least a 3.00 GPA and are earning a college-preparatory diploma at graduation. The valedictorian must have attended GCS for at least two full years and have the highest overall GPA. The salutatorian must have attended GCS for at least two full years and have the second-highest overall GPA. If there is a tie in the GPA calculation, numeric averages will be used to determine the honors.
