

Dear Parents,

Would you like to reduce your tuition by \$800 this next school year? Do you know a family who desires to place their child at Grace Christian School? If you answered “yes” to both of those questions, this New Crusader referral program is just for you! A New Crusader is a student who has never attended Grace Christian School and who has not already been interviewed by administration by the date of referral.

Each returning student can refer a New Crusader for the 2026-2027 school year. The returning student will receive an **\$800.00 tuition discount** for the referral, and the New Crusader will receive a \$600.00 tuition discount. The New Crusader will receive the **\$600.00 tuition discount** no matter what grade they will be in during the 2026-2027 school year. The New Crusader Program Registration Form is on the reverse side of this page. If you have any questions, please call the school office at 706-323-9161.
