Withdrawal Procedure and Fees

Withdrawal Fees go into effect on July 1.

GCS has many expenses of a continuing nature, including faculty salaries and campus costs, that are covered through annual income from tuition. Due to these expenses, GCS relies on its families to uphold the financial agreement signed at registration time. This includes paying the withdrawal fee and the prorated tuition for the days the student was enrolled.

How to withdraw from GCS:

1. The Parent/guardian must complete a withdrawal form stating the students' last day of attendance. (Forms can be requested in the school office)
2. Parent/guardian FACTS financial account will be billed for the prorated tuition and withdraw fee based on the students' last day of attendance.
3. Students records will be released from the school when the students' financial account is settled.
