

Mandarin Chinese Program

2026–2027 SCHOOL YEAR · FIRST DAY OF CLASS: SEPTEMBER 8, 2026

BEFORE YOU ENROLL

Students are expected to already understand and speak Mandarin. These classes focus primarily on **reading and writing Chinese** — listening and speaking skills are a prerequisite, not part of the core instruction. Not sure which level fits your child? Contact Ms. Fei Lin for a placement recommendation.

Our Mandarin program welcomes students from **Pre-K through middle school**. Classes are led by **Ms. Fei Lin**, who holds a Master of Arts in Chinese Teaching from Rutgers University, and follow the ***Shuangshuang Chinese*** textbook series — a structured path through Chinese characters, reading, and composition.
