

2026 Cooking with Queen Bee

Preschool Summer Session

Mission:

We will be focusing on the beginning stages of a journey that will allow each child to be the future advocate of their own health. We are promoting nutritional health as we work our way through the food pyramid with not 1 or 2 senses but all 5! Each child will be able to create a healthy, fresh and fast dish each session. Children deserve the right to not only learn the fundamentals of cooking but also learn what is going into their bodies.
