

**“Music expresses that which cannot be put into words.”**

- Victor Hugo

## Iari Music Vocal Academy

Music & Movement is the gateway to unlocking children’s creativity, self-expression, cognitive, and physical development. We are beyond thrilled to have the opportunity to share our love of music and look forward to starting this exciting journey with you and your child!

- NO make-up class unless the instructor re-schedules the class.

## Iari Music Vocal Academy Preschool Curriculum Overview

Music is extremely beneficial in early childhood education for children 2-5 years old. Not only does it impact their cognitive development, but also develops their social, emotional, motivational, gross and fine motor, body image, and auditory-perceptual skills. The overall goal for our young musicians is to have fun while learning!

### 2-3-year-old Class Objectives: *(Subject to change)*

#### Week 1 – Week 3:

- Move to music / Dancing
- Sing loudly and quietly
- Learn and develop listening skills

#### Week 4 – Week 6
