Connecting Australian Employers with Global Talent

At Lorg Talent, we scour the globe to unearth the top-notch talent that will propel your business forward.

Once we've identified the perfect candidates, we'll seamlessly connect you with them to ensure a smooth and productive partnership.

With assistance from our sister company, AHWC Immigration Law, we'll handle all visa arrangements, so your new team members can get to work as quickly as possible.

Ultimately, our goal is to help you achieve optimal growth for your business.

ABOUT US:

At Lorg Talent, we excel at connecting Australian employers with exceptional Australian and global talent. Our expertise lies within the following sectors:

- Construction, Mining, Oil & Energy
- Automotive

Our extensive network spans across Australia, Ireland, the United Kingdom, South Africa, Asia, Europe, Canada, USA and South America, enabling us to source high-quality candidates in an efficient manner.

Not only do we have access to an international pool of talent, but we also have a database of candidates who are already in Australia, ready for your consideration. With Lorg Talent, you can trust us to find the right candidate for your business needs.

CONSTRUCTION, MINING, OIL & ENERGY

At our Construction, Mining, Oil & Energy Division, we excel in hiring both White and Blue Collar employees.

Our White Collar candidates encompass a wide spectrum - from Executive Management to Admin Staff, including Engineers with expertise in project-specific domains, along with other professionals commensurate with your requirements.

On the other hand, our Blue Collar candidates consist of HD Fitters, Auto Electricians, Boilermaker / Welders, Machine Operators, Electricians, Comms Technicians, or any other specialised trade workers that you may need.

Our recruiters have firsthand experience in the Construction, Mining, Oil & Energy fields and have successfully recruited for similar companies all across Australia. Trust their expertise to find the best candidates for your organisation.

AUTOMOTIVE

Looking for top talent in the Automotive Industry?

Look no further than our Automotive Division. We specialise in recruiting for all positions, whether you're in need of Panel Beaters, Spray Painters, Light Vehicle Mechanics, Heavy Duty Diesel Mechanics, or Auto Electricians.

Partnering with a range of Automotive Industry employers, from small workshops to multinational corporations, we understand the unique demands of your job vacancies.

Our tailored services ensure that we find the perfect candidates to meet your needs. Trust us to help your automotive business thrive.
