Pastor's Reflection

Dear brothers and sisters,

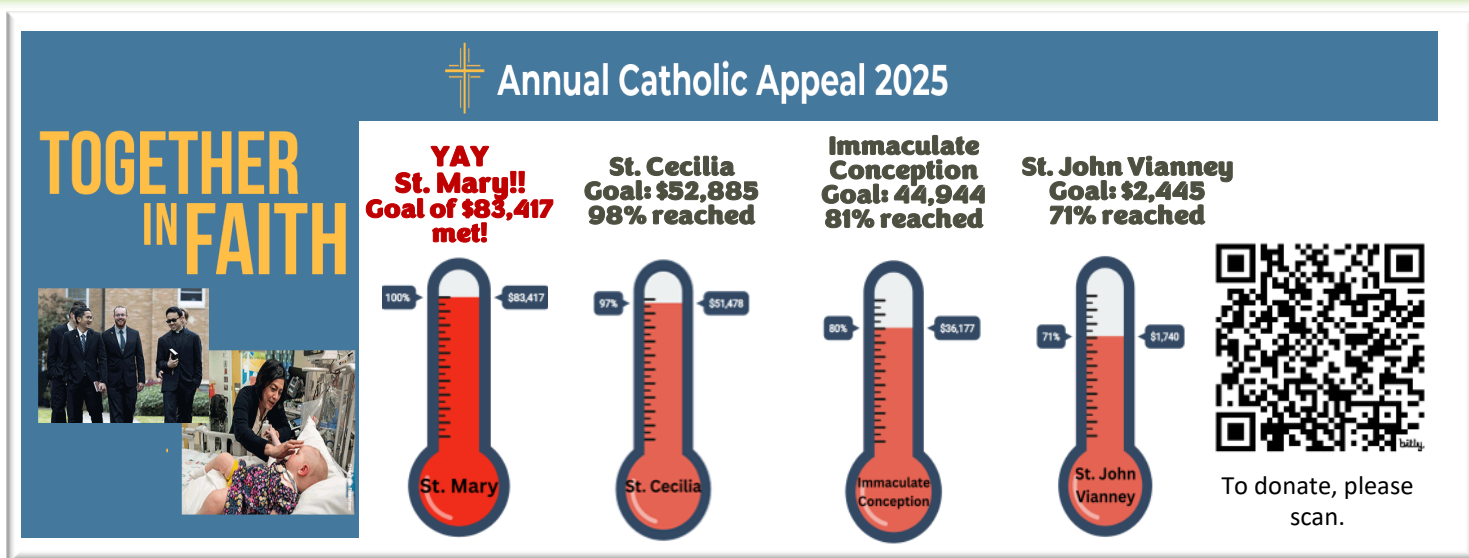

This coming Tuesday, July 22nd, is the feast day of St. Mary Magdalene. St. Mary Magdalene is a very mysterious person. There are traditions about her life before she met Jesus but the Scriptures are a bit vague about her past and her conversion. One of things we know is that Jesus set her free from seven demons. We do not know exactly what that means but most likely there was demonic possession and also deep darkness in her life. St. Mary Magdalene easily could have been the child that grew up in a horrible set of circumstances. As she became a teenager and a young adult this could have been enough reason for her to choose to live a life of dissipation, prostitution, witchcraft, etc.

The spiritual distance from her life of darkness to becoming holy and walking in the footsteps of Jesus seems almost impossible. And that is what is magnificent!! God's mercy is rooted in His constant desire to bring all His children home. She is the embodiment of the parable of the two debtors; she who has been forgiven the greater sin will have the greater love.

We all have family and friends that are living with demons in their lives. St. Mary of Magdalene please help all those that need Jesus back in their life, and help us to never give up on them. Amen.

Blessings,

Fr. Peter

COMUNIDAD HISPANA

Reflexión del pastor

Queridos hermanos y hermanas,

Este próximo martes 22 de julio se celebra la fiesta de Santa María Magdalena. Santa María Magdalena es una persona muy misteriosa. Existen tradiciones sobre su vida antes de conocer a Jesús, pero las Escrituras son algo imprecisas sobre su pasado y su conversión. Una de las cosas que sabemos es que Jesús la liberó de siete demonios. No sabemos exactamente qué significa eso, pero lo más probable es que hubiera posesión demoníaca y también una profunda oscuridad en su vida. Santa María Magdalena fácilmente pudo haber sido la niña que creció en circunstancias horribles. Al convertirse en adolescente y joven adulta, esto pudo haber sido razón suficiente para que eligiera vivir una vida de disipación, prostitución, brujería, etc.

La distancia espiritual entre su vida de oscuridad y llegar a ser santa y seguir los pasos de Jesús parece casi imposible. ¡Y eso es lo magnífico! La misericordia de Dios se basa en su constante deseo de traer a todos sus hijos a casa. Ella es la encarnación de la parábola de los dos deudores; Quien haya recibido el perdón del mayor pecado recibirá el mayor amor.

Todos tenemos familiares y amigos que viven con demonios. Santa María Magdalena, por favor, ayuda a todos aquellos que necesitan a Jesús de vuelta en sus vidas y ayúdanos a nunca desistir de ellos. Amén.

Bendiciones,

Padre Peter
