# Pastor's Reflection

Hello everyone,

As we continue our journey of walking together as a parish family, we have recognized the need for unified symbols and visual elements that represent all of our communities. Therefore, I present to you our newly adopted temporary logo. This will be in use until we become one canonical parish. With that in mind, here is the explanation of the new logo:

Our new logo meaningfully combines aspects of each of our parish communities. At its center is an image called *Auspice Maria*, which is a Latin phrase meaning "under the protection of Mary". This symbol and its beautiful meaning represent the shared Marian identity of each of our communities: St. Mary and Immaculate Conception both bear Marian names. St. Cecilia has a deep connection to Our Lady of Mount Carmel. St. John Vianney was well known for his profound devotion to the Blessed Virgin Mary.

Each parish is represented by distinct elements within the design:

- St. Mary is symbolized by the twelve stars and the crown, which is imagery drawn from the readings for the Solemnity of the Assumption. The Marian blue in the logo also represents St. Mary.
- St. Cecilia is represented through the *Auspice Maria* itself, which is distinctly associated with Our Lady of Mount Carmel. The brown and gold tones of the logo are distinctives of her particular *Auspice Maria*.
- Immaculate Conception is reflected in the floral ring with a golden rose at its base. Our Lady of Lourdes, where Our Lady referred to herself as the Immaculate Conception is associated with flowers and golden roses. The white in the logo also represents Our Lady's immaculate purity.
- St. John Vianney lived in a time and place where Marian monograms similar to this one were widely used. His deep devotion to Our Lady would have enriched by the use of symbols like this one throughout the churches of 18th and 19th century France.

This logo is an opportunity for us to recognize what each parish community brings to the identity of our parish family. It is a visual reminder that we are united under the protection of our Blessed Mother. I hope that this symbol strengthens our identity as a family and represents our shared endeavors.

Blessings,  
Collin Mason

# COMUNIDAD HISPANA

## Reflexión del pastor

Hola a todos:

Mientras continuamos nuestro camino de caminar juntos como familia parroquial, hemos reconocido la necesidad de contar con símbolos y elementos visuales unificados que representen a todas nuestras comunidades. Por ello, les presento nuestro nuevo logotipo temporal, el cual acabamos de adoptar. Este estará en uso hasta que nos constituyamos como una sola parroquia canónica. Teniendo esto presente, a continuación les presento la explicación del nuevo logotipo:

Nuestro nuevo logotipo combina de manera significativa aspectos de cada una de nuestras comunidades parroquiales. En su centro se encuentra una imagen denominada \*Auspice Maria\*, una frase en latín que significa "bajo la protección de María". Este símbolo, junto con su hermoso significado, representa la identidad mariana compartida por cada una de nuestras comunidades: tanto Sta. María como la Inmaculada Concepción llevan nombres marianos. Sta. Cecilia mantiene una profunda conexión con Nuestra Señora del Monte Carmelo. Por su parte, San Juan Vianney era muy conocido por su profunda devoción a la Santísima Virgen María.

Cada parroquia está representada por elementos distintivos dentro del diseño:

- Sta. María está simbolizada por las doce estrellas y la corona; esta imagería se inspira en las lecturas correspondientes a la Solemnidad de la Asunción. El color azul mariano presente en el logotipo también representa a Sta. María.
- Sta. Cecilia está representada a través del propio \*Auspice Maria\*, el cual se asocia de manera distintiva con Nuestra Señora del Monte Carmelo. Los tonos marrones y dorados del logotipo son rasgos característicos de su particular \*Auspice Maria\*.
- La Inmaculada Concepción se ve reflejada en el anillo floral que cuenta con una rosa dorada en su base. Nuestra Señora de Lourdes —lugar donde la Virgen se refirió a sí misma como la Inmaculada Concepción— se asocia tradicionalmente con las flores y las rosas doradas. El color blanco del logotipo representa, asimismo, la inmaculada pureza de la Virgen.
- San Juan Vianney vivió en una época y un lugar donde los monogramas marianos —similares al que aquí presentamos— eran de uso muy extendido. Su profunda devoción a la Virgen se habría visto enriquecida por la presencia de símbolos como este en las iglesias de la Francia de los siglos XVIII y XIX.

Este logotipo constituye una oportunidad para que reconozcamos la aportación que cada comunidad parroquial realiza a la identidad de nuestra familia parroquial en su conjunto. Es un recordatorio visual de que nos hallamos unidos bajo la protección de nuestra Santísima Madre. Espero que este símbolo fortalezca nuestra identidad como familia y represente nuestros esfuerzos compartidos.

Bendiciones, Collin Mason
