## PROFESSIONAL & STAFF SERVICES

### Basic Professional Fees

\$ 950.

Professional consultation with licensed personnel, which may include but is not limited to, expert advice on options to meet your needs, including essential services relating to disposition, drafting notices, planning scheduling of services, advising and assisting with applications for government benefits, insurance claims, etc. A basic professional fee is payable whenever we provide services to you.

### Coordinating Activities

Coordination of all rites and ceremonies, before, during and after they have been provided, including services and supplies provided by us, as well as those provided by third party suppliers, such as flowers and death notices.

Direct burial or cremation with graveside ceremony

\$ 250.

Services involving visitation and/or ceremony

\$ 525.

### Documentation – permits, forms, etc.

\$ 475.

Completion and filing of all documents necessary to carry out the services and supplies requested, including, but not limited to, death registration, burial permit, coroner's certificate for cremation, documentation necessary to ship the body out of the country. As part of this service, we will provide you with 15 proof of death certificates. Such certificates are usually accepted for most estate settlement purposes, however sometimes a provincial Death Certificate will be necessary and is available from the Office of the Registrar General. Includes an aftercare meeting where our funeral directors will help with completing and filing CPP benefits applications, insurance claim forms, and canceling government issued cards, as well as provide a helpful guide to assist with settling an estate.

### Initial Transfer – from place of death (requires conveyance vehicle)

\$ 295.

Transportation of the deceased from the place of death, for distances not exceeding 60 km. This fee covers one staff and all required equipment for a dignified and safe removal. Additional charges at the rate of \$2.08 per km one way may apply for distances exceeding 60 km.

Additional fee when transfer requires an additional staff member

\$ 100.

### Essential Care of Deceased (requires basic facilities)

\$ 285.

The preparation of the deceased for placement into the casket, the setting of facial features, washing and dressing of the deceased, for family viewing without embalming.

### Embalming of Deceased

\$ 475.

Embalming is the process of replacing fluids within the deceased with hygienic preservers. This fee is in addition to Essential Care of Deceased. It is a process of sanitation, restoration and temporary preservation. Embalming is not legally required, but may be necessary to delay natural changes that can occur between the time of death and the visitation, ceremony or disposition. Our professional funeral directors will make a recommendation based on the state of the deceased and the services you request. An additional charge of \$150.00 will be charged for embalming following an autopsy or bone/tissue/organ donation.

### Staff Services for Visitation

## Ceremonial Casket

We offer a ceremonial casket for use during visitation and services. The casket features a wood product construction, environmentally compatible liner that is removed from the outer solid maple shell after the ceremony has been completed. This liner becomes the container used to transport the deceased to the place of disposition, and will be used to contain the deceased for the disposition. The outer shell may have been used before and may be used again. The price shown below includes the purchase of the liner and the rental of the outer shell.
