SHOW Details

Daily Show Hours: 9:00 am to 4:00 pm

Trams: Trams will run continuously around the interior perimeter of the Show. They will make multiple stops at different featured areas. Look for the Tram Stop signs.

Courtesy Carts: There will be a small fleet of courtesy carts that will help you haul purchases to your car. Please ask a blue shirted Volunteer with a radio to call a cart for you.

First Aid: EMS station is near Gate 1 and the helipad. Or find a person with a blue Volunteer shirt and have them radio Headquarters for help.

Tot Zone and New Mom Area: Visit the FRESH area on the intersection of 1st Street and Technology Avenues for this family-friendly space designed for toddlers and caregivers, including a private nursing area, diaper-changing stations, and essential supplies. There will also be games for toddlers when families need a break.

Lost and Found: Items should be turned into Headquarters on intersection of Wisconsin Avenue and 6th Street.

Mobility Scooters: HomeTown Mobility is now accepting reservations online or by calling (712) 938-2029.

Mobility Rental Prices

- Scooters \$80
- Wheelchairs \$30
- There is an additional \$10 call in fee for all reservations done over the phone.

Food: Food Truck corral will offer plenty of tasty selections to satisfy your hunger. Everything from sweet treats to savory favorites will be available. Located between Technology and Wisconsin Avenues.

ATM: There will be ATM machines available near the shaded Food Truck Corral picnic tents.

Youth Agriculture Adventure: Take your family on an "Agriculture Adventure" at the show. Pick up a passport at one of the Admission Gates or anywhere that you see a Green Flag. Visit the locations in your passport, do a fun activity, and receive a sticker for your efforts to place on your passport. Once you've visited at least 5 locations, go to the Progressive Agriculture Foundation Booth in the Rural Event Center and claim your prize!

Redetzkes' No Joke Dairy

Family Photos by : Jenni Jane Photography LLC

When Matt Redetzke worked over the road welding stainless, people couldn't believe he wanted to leave the company to milk cows. He would tell them, "It's no joke." Thus, the name was born, Redetzkes' No Joke Dairy.

Redetzkes' No Joke Dairy is family owned by Matt and Brittany Redetzke and brother Sam Redetzke. Matt and Sam are 5th generation, and operations of the farm are done by family, which includes four generations of Redetzkes' and one employee. The farm has been in the family since 1911 when the original barn was built by Otto and Ottelia Redetzke.

Matt and Sam's parents, Doug and Darla, sold their cows in 2011. Matt was ready to be home and get back into farming, so Matt and Brittany started crop farming in 2012. In 2013 they began buying calves. That's when Sam was brought in to take care of the animals while Matt was away working. They grew a herd with those calves and began milking them in 2015.

Past herds were Holstein, but the current milking herd of 200 is mainly Jersey with some cross breeding. There are 400 head on site including youngstock. Currently milking with 20 Automatic Take Off's in the original tie stall barn,

Redetzkes' are looking to expand in the future to a new robot barn starting with 6 robots.

"We have already begun working on our future plans by prepping the pad area for the robot barn that will be a new building. Also, in preparation for the robots to arrive, we built a new 5-million-gallon manure lagoon. Plus, an addition to the side of the original barn has been completed to provide for our fresh and special needs cows," Matt Redetzke proudly states.

The Redetzkes' don't want to get stuck in "this is how we've always done it" but rather they want to "try new things, explore new ideas, and use the wisdom of past experience." The Redetzkes are also committed to sustainability on their farm.

Matt says that hosting Wisconsin Farm Technology Days is about 'celebrating everything great about Wisconsin Agriculture.'

"Wisconsin Farm Technology Days have enjoyed working with this young family operation to bring new ideas and innovation to dairy farmers across the state," according to Janet Keller, Show General Manager, "We look forward to having farmers join us July 14 – 16, 2026, at Redetzkes' No Joke Dairy in Stratford for the 72nd Wisconsin Farm Technology Days."

Farm Family protects modern farms, agribusinesses, and rural lifestyles across Wisconsin. From advanced farm tech to the legacy you're building for the next generation, we understand your risks and tailor coverage to your operation.

Coverage built for the way you work.

Farm property, buildings, equipment ■ Livestock and crop risks
Farm and agribusiness liability ■ Barn and equine exposures
Trucking, custom operations, vehicles

Secure your farm's future with protection you can count on.
