NEW BUSINESS

This meeting served as a Council workshop for the 2026 budget. Financial consultant Jeff Peters was in attendance to help answer any questions. The council was presented with a draft salary ordinance and a drafted starting point of the 2026 budget.

Due to recent legislation at a federal level, there are upcoming challenges in tax revenues in the coming years. The council expressed that they would like to see the budget lowered by the public hearing. The department heads each presented their plans for 2026.

Mayor Coffman and Clerk Treasurer Stratton volunteered to forgo any raise if necessary. The council did as well with the exception of Councilor Hemmelgarn who was absent. There was no planned increase for Judge Wells or the Board of Works. Tom Hannan also volunteered to forgo a 3% cost of living raise.

COMMENTS FROM COUNCIL MEMBERS

Councilor Earnest: “Yep. All right. Thank you to everybody that was here tonight—all the departments and department heads. Thank you to the work that’s been done so far on this proposed budget by the mayor and the clerk. I also want to thank the council for taking on this burden. It’s not easy, as you can see, but I appreciate everything you will do until this gets approved. Beech Grove is 120 years old, and we’ve proven over time that we can be resilient. This is just another chapter in our city’s history. I can commit, at least to the citizens of District 5 and to Beech Grove as a whole, that I will reach out to state leaders and do my part. I’m not going to speak for the rest of the council, but I think there will be tough conversations to have, cuts that will need to be made, and a lot of give and take in order to make a deal on this budget. I look forward to working with everyone involved, including the citizens who make the city great.

And last but not least, it’s fall festival time—my favorite time of year in Beech Grove. I encourage everybody to get down there and enjoy it. That’s all I’ve got.”

Councilor Frieson: “I’d just like to say Beech Grove, you know, just want to thank everyone for just caring about each other and pretty much what Mike was saying. I just appreciate everyone to care. I think if we start there, we’ll be better.”

Councilor Matkins: “I can’t really say too much. They’ve kind of said it all right there. Uh you know, I think everybody out here is passionate about the city and the future of our city. And I think that we have a lot of things that we have to figure out in order to keep things financed. And I mean, like we’ve heard, nobody wants to spend any more money. I mean, a lot of us don’t make any more money. So, you know, it’s tight. We all have to do the cuts. It sounds like a lot of the departments have made these cuts. Um, you know, I applaud you for reaching out to them and asking them to do that. I applaud them for actually doing it. So, you know, I think I think uh you know, moving forward, we can uh actually make a little ground and wait to see what happens with SB1. You know, I mean, there’s not a lot of a lot of answers right now. on a lot of things that we can actually even talk to the people about because they don’t even know anything that’s really happening and the answers that you get are well we’re going to come back out and we’re going to talk about it. Well, okay, that’s the answers we’re getting right now.

So, until we actually get a little bit more, I think what they’re doing trying to make everybody tighten their belt as much as possible and they’re going to come back and go, “Okay, well, this is now what we’re going to do.” So, I hope that’s what it is. And yes, I love the fall festival as well, and everybody ought to get down there. Even though it’s busy on the streets, it brings in money and people to the city.

Councilor Lamping: “I just appreciate everyone’s help. I think we can make it through this. I think every family’s budget reaches hard times. Every family budget has to take a look back. Uh unless you’re just independently wealthy and you’ve got money given to you. It’s not a bad thing to ask a family to come together and work together even if it is making concessions. I really want to thank the outside help from the community that’s all in with this on us and giving us advice and giving us their input and helping us find things that maybe we couldn’t see ourselves.”

Councilor McMillan: "My main goal sitting up here is to keep Beech Grove Beech Grove. Yep. If that means not giving a raise, I'm sorry. Like I say, when I first came into office, they went to seven previous years without getting one. But as soon as we got the finances back in order, they got a raise every year after that. And uh you know, people said back then, well, there was nothing you could do. You know what? We put our heads together, rolled up our sleeves. We got the finances straight. When I left this city, we had 4.4 million in the bank. paid off the tax anticipation warrant which I was told I wouldn't be able to do. It was done and uh like I say, pay cash for police cars, fire trucks, everything else. We can get it back to this, but you know it somebody's got to give a little and we can't put it on the citizens of Beech Grove. A lot of them can't even afford groceries. I can remember people coming in paying their sewer bill would change and now it's up to \$75. My first call Saturday morning was about the sewer bill where someone said, "Well, it's the July bill." Well, people don't realize we backed bill a couple months and it's just hard to see some of these people that are suffering out there and we can't put it on the backs of, you know, 14,000 people and uh we need to do everything we can do to keep Beech Grove Beech Grove. Thank you."

Councilor Duffer: "I'll reiterate what everyone else said. Um, I'm with Dan. I want to keep Beech Grove, Beech Grove. I don't want to see it go away. I don't want to become part of Indianapolis. So, appreciate the department heads and all of what they have done and giving up their raises. I really appreciate that. So, thank you."

Mayor Coffman: "A couple comments before we adjourn tonight. As we said, the fall festival is next week. Be sure to head out to Main Street. Later this month, September is a very busy month for the city of Beech Grove. On September 27th, we will have the Officer Tony 25th anniversary um celebration in remembrance of him on Main Street. So come out and support that event. Music on Main is October 4th on Main Street. This weekend we have the monthly shredding and recycling event. It'll take place this Saturday from 9:00 to noon behind city hall. Then lastly, we have a new guest this evening. Hopefully he comes back. Earlier tonight, the Board of Works approved the hiring of Tim Cochran. Tim will serve as a new DPW director u with the start date of September 22nd. Tim brings a wealth of knowledge on DPW works and operations from the city of Indianapolis to this position and I look forward to him joining the team. Welcome sir. He'll be back here full-time in a couple weeks."

ADJOURNMENT

Councilor Frieson made a motion to adjourn seconded by Councilor Earnest. The meeting was adjourned at 9:20p. The next scheduled meeting of the Common Council is Monday, October 6, 2025 at 7pm.

City of Beech Grove

PROCLAMATION

To designate October as **Pregnancy and Infant Loss Awareness Month**

WHEREAS: Pregnancy and Infant Loss Awareness Month, observed in October, seeks to bring awareness to the emotional and physical impact of pregnancy loss and infant death, to promote understanding and compassion, and to support research and prevention efforts; and

WHEREAS: each year in the United States, approximately one million pregnancies end in miscarriage, stillbirth, or the death of a newborn baby -- losses that leave lasting grief for families; and

WHEREAS: the loss of a child – no matter how brief their life – leaves an enduring impact on families, and their grief deserves recognition, and a space to be expressed; and

WHEREAS: this year marks the 40th Annual Franciscan Health Walk to Remember, to be held on October 4, 2025 – a significant milestone in this tradition of remembrance, healing, and hope. For forty years, this event has given tribute not only to the children gone too soon, but also to the strength of the families and the compassion of the caregivers who walk beside them.

NOW, THEREFORE, I, James W. Coffman, Mayor of the City of Beech Grove, do hereby proclaim the Month of October as **Pregnancy and Infant Loss Awareness Month** in the City of Beech Grove.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Beech Grove, Indiana, to be affixed this 4th day of October 2025.

James W. Coffman, Mayor
City of Beech Grove
