Pickleball Courts

The Beech Grove Parks Foundation is seeking support to build three pickleball courts at Sarah T. Bolton Park, a project that reflects both rising local interest and national enthusiasm for this fast growing sport. Pickleball is popular with families, young adults, and seniors, making it an ideal investment for a community that values accessible and inclusive recreation. Sarah T. Bolton Park offers a central, high visibility setting where new courts would attract consistent daily use and expand the park's role as a gathering place for residents. Sponsor support will help create a modern, durable, and inviting space that encourages active living while providing year round visibility for partners committed to community wellness. These courts will serve as a signature addition to Beech Grove's recreational amenities, and sponsors will play a key role in bringing them to life.

Sponsorship Level Options	Investment	Recognition	Duration
Legacy Sponsor (only 1 available)	\$100,000	Naming rights for the entire pickleball court complex, logo on entrance signage, inclusion on city website, and recognition at ribbon cutting.	Lifetime naming rights
Champion Sponsor (only 1 available)	\$50,000	Naming rights for the complex valid for 15 years or until major update/replacement of courts, whichever comes first. This tier is not available if Legacy Sponsor is secured.	15 years (or until renovation)
Court Sponsor (Individual Court)	\$15,000	Logo/branding on one court's signage and inclusion in city marketing materials.	10 years

HPCC Banquet Hall Upgrades

The Beech Grove Banquet Hall is one of the community's most frequently used public spaces, serving everything from youth programs and senior activities to civic meetings, celebrations, trainings, and large scale community events. After years of constant use, the facility needs upgrades that improve functionality, accessibility, comfort, and overall appearance. Modernizing the hall will allow the city to host more programs, attract outside rentals that support revenue growth, and provide a welcoming environment that reflects the pride residents have in their community. Sponsorship support will help refresh walls, lighting, furnishings, and equipment so the space can continue to meet the diverse needs of families, organizations, and visitors. An improved banquet hall strengthens the entire Hornet Park campus by giving Beech Grove a high quality gathering space that is ready for the next generation of community events.

Sponsorship Type	Suggested Investment	Recognition & Term
Banquet Hall Capital Naming Sponsor	\$75,000	Naming rights for the renovated banquet hall; 15-year term or until next major renovation.

Senior Center Exterior Upgrades

The Elton H. Geshwiler Senior Center at 602 Main Street is a trusted gathering place for older adults who rely on its programs, social opportunities, and support services. Its exterior has faded over time and no longer reflects the welcoming and energetic atmosphere inside, which makes a full repaint both necessary and timely. Refreshing the outside of the building will improve the look of Main Street, strengthen pride in the space, and create a more inviting entrance for the many residents and partner organizations who visit each week. Sponsor support will help the city complete this important upgrade with durable, high quality materials that honor the center and show a shared commitment to serving Beech Grove's senior community.

Sponsorship Type	Suggested Investment	Recognition & Term
Capital Sponsor	\$75,000	Senior Center Activity Capital Sponsor; 10 year term or until next major renovation.
Senior Center Partnership Sponsor	\$2,500-\$10,000	Recognition as a Friend and Partner of the Community Center for 1-2 years, including mentions in newsletters, social media, and at public events.
Equipment or Room Improvement Partner	Up to \$5,000	Recognition plaque or signage in sponsored space, acknowledgment in print and digital outreach.
