LACK OF INDEPENDENCE

Why we are not independent, impartial, or unbiased in relation to the provision of personal advice and the impact of this on you

We, City Commercial Insurance Brokers Pty Ltd, are not independent, impartial, or unbiased pursuant to section 923A of the *Corporations Act* because:

- We may receive other benefits when we provide personal advice to you in relation to insurance products and other financial products;
- We may have associations or relationships with issuers of insurance products and other financial products.

Further information about these benefits and relationships is set out in this Financial Services Guide.

If you have any questions about this information, please ask us.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

Product disclosure statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (**PDS**), unless you already have an up to date PDS. The PDS will contain information about the particular policy which will enable you to make an informed decision about purchasing that product.

**Contractual Liability and

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts.

**What information do you

examine my file?**

We maintain a record of your personal profile, including details of insurance policies that we arrange or issue] for you. We may also maintain records of any recommendations or advice given to you. **How will I pay for the
services provided?**

For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer, or charge you a cancellation fee equal to the reduction in our commission.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 10% and 26.5%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be the basis for calculating any fees or actual fees if possible.

We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 10% to 26.5% of our commission or fees.

See below for information on the Steadfast association and commission.

Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?

City Commercial Insurance Brokers Pty Ltd is a Steadfast Group Limited (**Steadfast**) Network Broker. As a Steadfast Network Broker we have access to services including model operating and compliance tools, procedures, manuals and training, legal, technical, HR, contractual liability advice and assistance, group insurance arrangements, product comparison and placement support, claims support, group purchasing arrangements and broker support services. These services are either funded by Steadfast, subsidised by Steadfast, or available exclusively to Steadfast Network Brokers for a fee.

Steadfast has arrangements with some insurers and premium funders (**Partners**) under which the Partners pay Steadfast a fee to access strategic and technological support and the Steadfast Broker Network. Steadfast is also a shareholder of some Partners.

You can obtain a copy of Steadfast's FSG at www.steadfast.com.au

If we arrange premium funding for you, we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or charges). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 1% to 2.5% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you.
