MARCH

Come one come all!
UNA has begun our very own BINGO days!
Twice a month every month we will be getting together with staff and clients to play some BINGO. These games have already proved to be full of laughter, fun, and so much competition!

UNA wanted to show all of our clients and staff how amazing they all are! To spread some cheer and smiles around, and bring us out of gloomy winter and into sunny skies and warmer air, we had a Celebrating You party! We painted all kinds of bright and cheery pictures, placed our hands on posterboard, and even had balloons and music! It was a great day to show everyone at UNA they matter and are important!

YOU are AMAZING
