

Registered Veterinary Nurse Position Available

We are looking for an enthusiastic, efficient individual to join our fun and friendly team.

We have three sites across West Berkshire, in Tutts Clump, Pangbourne and Spencers Wood and the role would be across all branches. Each site is a stand alone branch offering a mixture of consultations, operations, radiography (Tutts Clump & Spencers Wood) and nurse consults each day and their own full Idexx blood suites.

Full time position however we can be flexible to whether you'd prefer a 4 or 5 day week, just tell us what you are looking for and we will do our best to accommodate. 1:4 Saturday mornings (8.30am - 1.30pm), no overnight duties are required as our OOH provision is covered by Vets Now.

Nurses are involved in theatre, consults and inpatient care on a daily basis. If you have a particular interest then we are happy to accommodate your development in this area where possible. Flexible CPD allowance and professional fees covered within package.

Salary commensurate with experience.

To apply for the position please send your CV to Amy at head.nurse@valleyvet.co.uk

Due to our rural location, it is essential you hold a full driving license and have your own transport.
