## PRECISE ENGINEERING

K-BANA™'s manual louvered roof lets you customize the light, while built-in gutters keep drainage out of sight.

## CUSTOMIZATION

3 standard sizes for multiple frame & roof panel configurations. K-BANA™'s integrated floor frame allows you to easily install custom-finished flooring.

## READY-TO-INSTALL

Thanks to its clever design, our K-BANA™ can be installed almost anywhere in a few hours, often without a permit.
